## SHARE OPTIONS

At a special general meeting of the Company held on 23rd May 2003, the shareholders of the Company approved the adoption of a new share option scheme (the "2003 Share Option Scheme") and the termination of the share option scheme adopted by the shareholders of the Company on 30th November 1994 (the "1994 Share Option Scheme").

On 5th December 2005, the shareholders of the Company approved the amendments to the 2003 Share Option Scheme at a special general meeting. The definitions of "Participant" and "relevant company" in paragraph 1 of the 2003 Share Option Scheme were amended by deleting all references to COSCO (Hong Kong) Group Limited and replacing them by China COSCO Holdings Company Limited, an intermediate holding company of the Company, and the paragraph 8(e) of the 2003 Share Option Scheme was changed to allow a grantee who ceases to be an employee or an executive director of the relevant company (as defined in the 2003 Share Option Scheme) by reason of voluntary resignation from his employment, directorship, secondment or nomination to exercise the option up to his entitlement at the date of cessation within a period of three months following the date of such cessation pursuant to paragraph 7.3(a) of the 2003 Share Option Scheme. These amendments came into effect on 28th February 2006 after the approval of the shareholders of China COSCO Holdings Company Limited at the general meeting held on the same date.

The following is a summary of the principal terms of these share option schemes:

### (i) 1994 Share Option Scheme

The 1994 Share Option Scheme was designed to motivate the employees to enhance their performance and contribution to the Group. Under the 1994 Share Option Scheme, the directors of the Company may, at their discretion, grant to any director, executive and/or employee who are in full time employment with any company in the Group, share options to subscribe for the Company's shares (each a "Share" or collectively the "Shares"), subject to the terms and conditions stipulated therein.

Under the 1994 Share Option Scheme, the maximum number of Shares in respect of which options may be granted will not exceed 10% of the issued share capital of the Company from time to time. The maximum number of Shares issued to each employee or director in respect of which options may be granted shall not exceed 25% of the total Shares in issue or to be issued under the 1994 Share Option Scheme.

The period within which an option may be exercised will be determined by the board of directors of the Company (the "Board") in its absolute discretion, save that the exercise period shall not be more than ten years from the date on which the option is granted. The consideration on acceptance of an offer of the grant of an option is HK\$1.00 payable within 28 days from the offer date. The full amount of the subscription price for the Shares must be paid upon exercise of an option.

The exercise price of an option is determined by the Board and will not be less than 80% of the average of the closing prices of the Shares on The Stock Exchange of Hong Kong Limited (the "Stock Exchange") on the five trading days immediately preceding the date of offer of the share option or the nominal value of the Shares, whichever is higher.

## SHARE OPTIONS (Continued)

### (i) 1994 Share Option Scheme (Continued)

The 1994 Share Option Scheme was terminated on 23rd May 2003. No further options shall thereafter be offered under the 1994 Share Option Scheme but the options which had been granted during its life shall continue to be valid and exercisable in accordance with their terms of issue and in all other respects the provisions of the 1994 Share Option Scheme shall remain in full force and effect.

As at the date of this report, a total of 1,134,000 Shares (representing approximately 0.05% of the existing issued share capital of the Company) may be issued upon exercise of all options which had been granted and yet to be exercised under the 1994 Share Option Scheme.

### (ii) 2003 Share Option Scheme

The 2003 Share Option Scheme is designed to attract, retain and motivate talented participants (the "Participants" or a "Participant") (as defined in note 1 below) to strive for future developments and expansion of the Group and to provide the Company with a flexible means of giving incentive to rewarding, remunerating, compensating and/or providing benefits to the Participants and for such other purposes as the Board may approve from time to time.

Under the 2003 Share Option Scheme, the Board may, at its discretion, invite any Participants to take up options. In determining the basis of eligibility of each Participant, the Board would mainly take into account the experience of the Participant on the Group's business, the length of service of the Participant with the Group or the length of business relationship the Participant has established with the Group and such other factors as the Board may at its discretion consider appropriate.

The maximum number of Shares which may be issued upon exercise of all options to be granted under the 2003 Share Option Scheme and any other share option schemes of the Company shall not in aggregate exceed 10% of the total number of Shares in issue as at the date of the adoption of the 2003 Share Option Scheme (the "Scheme Mandate Limit") unless the Company seek approval of its shareholders in general meeting to refresh the Scheme Mandate Limit, such that the maximum number of Shares which may be issued upon exercise of all options to be granted under the 2003 Share Option Scheme or any other share option schemes of the Company under the limit as refreshed shall not exceed 10% of the total number of Shares in issue as at the date of approval to refresh such limit. The Company may seek separate approval by its shareholders in general meeting for granting options beyond the 10% limit provided that the options in excess of such limit are granted only to Participants specifically identified by the Company before such approval is sought. Notwithstanding the above, the maximum number of Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the 2003 Share Option Scheme and any other share option schemes of the Company (including the 1994 Share Option Scheme) shall not exceed 30% of the total number of Shares in issue from time to time (or such higher percentage as may be allowed under the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules")).

The maximum entitlement for any one Participant (including both exercised, cancelled and outstanding options) in any twelve months' period shall not exceed 1% of the total number of Shares in issue.

The period under which an option must be exercised shall be such period as the Board may in its absolute discretion determine at the time of grant, save that such period shall not be longer than ten years from the date on which an offer is accepted or deemed to be accepted by the grantee pursuant to the 2003 Share Option Scheme. The minimum period for which an option must be held before it can be exercised is determined by the Board upon the grant of an option. The amount payable on acceptance of an offer of the grant of an option is HK\$1.00. The full amount of the exercise price for the subscription of Shares must be paid upon exercise of an option.

The exercise price in relation to each option shall be determined by the Board in its absolute discretion, but in any event shall be at least the highest of (i) the closing price of the Shares as stated in the Stock Exchange's daily quotation sheet on the date when an option is offered; (ii) a price being the average of the closing prices of the Shares as stated in the Stock Exchange's daily quotation sheets for the five business days immediately preceding the date on which an option is offered; and (iii) the nominal value of a Share.
