

Bank of Communications Co., Ltd.

(A joint stock company incorporated in the People's Republic of China with limited liability)

Stock Code: 3328

Bold Beginning
Strong Position
Withstand Challenges

Since medieval times, pioneers have relied on their mighty fleets to expand the territory of the motherland. The captain's leadership and the crew's cooperation usually draw the line between victory and defeat. With its deep-rooted foundation and outstanding team spirits, the Bank of Communications has been braving winds and waves since old times, taking its strides through the world and making advances in its already vast stronghold.
