

corporate governance report

CORPORATE GOVERNANCE PRACTICES

The Company has always recognised the importance of the shareholders' transparency and accountability. It is the belief of the Board that the shareholders can maximise their benefits from good corporate governance. Throughout the financial year ended 31 December 2005, the Board has reviewed the Group's corporate governance practices and is satisfied that the Company has complied with the code provisions in the Code on Corporate Governance Practices (the "Code") set out in Appendix 14 to the Listing Rules, except with the following deviations:

Code Provision A.2.1

There is no separation of the role of chairman and chief executive officer as set out in the code provision A.2.1. Mr. Mak Shiu Tong, Clement currently assumes the role of both the Chairman and the CEO of the Company. Mr. Mak has substantial experience and a firmly established reputation in the telecom industry that is essential to fulfilling the role of the Chairman. At the same time, Mr. Mak has the appropriate management skills and business acumen that are the pre-requisites for assuming the role of the CEO in the day-to-day management of the Group. The Board is composed of five executive directors (including the Chairman) and three independent non-executive directors ("INED(s)") with a balance of skills and experience appropriate for the requirements of the Group. Furthermore, the role of the presidents and the general managers of the Company's major operating subsidiaries are performed by other individuals. The Board believes that there is no need to segregate the roles of the Chairman and the CEO as the balance of power and authority is already ensured by the current structure. The Board does not believe that the separation of the role of the Chairman and the CEO will improve the corporate performance.

Code Provision A.4.1

The code provision A.4.1 provides that non-executive directors should be appointed for a specific term, subject to re-election.

None of the existing INEDs is appointed for a specific term. However, all INEDs are subject to the retirement by rotation and re-election at every annual general meeting of the Company in accordance with the bye-laws of the Company.

Code Provision A.4.2

The code provision A.4.2 provides that all directors appointed to fill a casual vacancy should be subject to the election by the shareholders at the first general meeting after their appointment. Every director, including those appointed for a specific term, should be subject to the retirement by rotation at least once every three years.

In accordance with the bye-laws of the Company, any director appointed to fill a casual vacancy shall hold office only until the next following annual general meeting and shall then be eligible for re-election. The Board considers that such a deviation is not material as casual vacancy seldom happens and duration between appointment to fill casual vacancy and the immediate following annual general meeting is short.

Pursuant to the bye-laws of the Company, the Chairman and the managing director of the Company shall not be subject to the retirement by rotation or also not be taken into account in determining the number of directors to retire in each year. The Board considers that the continuity of the Chairman and his leadership will be essential for the stability of the key management of the Board. On the other hand, the Board will ensure that the directors of the Company (the "Director(s)") other than the Chairman will rotate at least once every three years in order to comply with the code provision A.4.2.

DIRECTORS' SECURITIES TRANSACTIONS

The Company has adopted its code of conduct regarding the securities transactions by the Directors on terms no less exacting than the required standard set out in the Model Code for Securities Transactions by Directors of Listed Issuers (the "Model Code") as set out in Appendix 10 to the Listing Rules. Having made specific enquiry of all the Directors, they confirmed that they have complied with the required standard set out in the Model Code adopted by the Company throughout the financial year ended 31 December 2005.

The Board is charged with the responsibility for the promotion of the success of the Company by directing and supervising its affairs in a responsible and effective manner. Each Director has a duty to act in good faith and in the best interests of the Company.

The Directors enable, upon the reasonable request, to seek independent professional advice in appropriate circumstances, at the Company's expenses. The Board shall resolve to provide separate appropriate independent professional advice to the Directors to assist the relevant Directors to discharge their duties.

Appropriate insurance cover has been arranged in respect of the legal action against the Directors and the management. The Board considers that the Group has sufficient and appropriate liability insurance to cover its Directors and the management against any legal liability arising from their performance of their duties.

BOARD COMPOSITION

As at the date of this Annual Report, the Board comprises five executive Directors, namely Mr. Mak Shiu Tong, Clement (also acting as the Chairman and the CEO), Mr. Tam Ngai Hung, Terry, Ms. Cheng Yuk Ching, Flora (also acting as the Deputy Chairman), Mr. Tong Chi Hoi and Dr. William Donald Putt and three INEDs, namely Mr. Chow Siu Ngor, Mr. Lau Ho Kit, Ivan and Mr. Chen Li. The Board has maintained a balance of skills and experience appropriate of the requirements, promotion and development of the business of the Group. Its composition represents a mixture of management, technical, marketing, procurement, accounting and finance with substantial experience in the businesses in which the Group is engaged.

The Company has received annual confirmation of independence from the three INEDs in accordance with Rule 3.13 of the Listing Rules. The Board has assessed their independence and concluded that all INEDs are independent within the definition of the Listing Rules.

BOARD COMPOSITION *(Continued)*

The Company has complied with Rules 3.10(1) and 3.10(2) of the Listing Rules relating to the appointment of a sufficient number of the INEDs and at least an INED with appropriate professional qualifications, or accounting or related financial management expertise throughout the financial year ended 31 December 2005. The Board comprises three INEDs, one of whom has accounting and financial expertise and brings strong independent judgement, knowledge and experience to the Board.

The Board members have no financial, business, family or other material/relevant relationships with each other. Such balanced Board composition is formed to ensure strong independence exists across the Board and has met the recommended practice under the Code for the Board to have at least one-third in number of its members comprising the INEDs. The biographies of the Directors are set out in the section headed “Directors and Senior Management” in this Annual Report, which demonstrate a diversity of skills, expertise, experience and qualifications.

THE CHAIRMAN AND THE CEO

Mr. Mak Shiu Tong, Clement currently assumes the role of both the Chairman and the CEO of the Company. The considered reasons for such deviation from the code provisions set out in the Code are set out in the section headed “Corporate Governance Practices” above. Mr. Mak is responsible for the corporate planning, overall strategic direction of the Group and takes a leading role in managing the business.

RE-ELECTION AND RETIREMENT OF THE DIRECTORS

The bye-laws of the Company provide that (i) each Director (except the Chairman and the managing Director) is required to retire by rotation once every three years and that one-third (or the number nearest to one-third) of the Directors shall retire from office and be eligible for re-election at each annual general meeting of the Company; and (ii) any Director appointed by the Board, either to fill a casual vacancy or as an addition to the existing Board, shall hold office only until the next following annual general meeting of the Company and shall then be eligible for re-election at that meeting.

INDEPENDENT NON-EXECUTIVE DIRECTORS

Each of the INEDs has filed a written confirmation to the Company confirming their independence and has undertaken to inform the Stock Exchange and the Company as soon as practicable if there is any subsequent change in circumstances which may affect their independence. The INEDs are not appointed for any specific terms, but they are subject to the retirement by rotation and re-election at each annual general meeting of the Company in accordance with the bye-laws of the Company.

BOARD COMMITTEES

The Board has established two committees, namely the remuneration committee (the “Remuneration Committee”) and the audit committee (the “Audit Committee”), with clearly defined written terms of reference. The main roles and responsibilities of these two committees, including all authorities delegated to them by the Board, as set out in the terms of reference, are published on the Company’s website at www.cct-tech.com.hk. The different committees’ independent views and recommendations not only ensure proper control of the Group but also the continual achievement of the high corporate governance standards expected of a listed company. The chairman of each committee reports the outcome of the committee’s meetings to the Board for further discussion and approval.

BOARD COMMITTEES *(Continued)***Remuneration of the Directors**

Pursuant to the requirements of the Listing Rules, the Company has established the Remuneration Committee with specific written terms of reference in line with the code provisions in the Code in 2005. The Remuneration Committee is mainly responsible for (i) making recommendations to the Board on the policy and structure for the remuneration of the Directors and the senior management of the Group; (ii) reviewing the remuneration package including the performance-based bonus and incentive rewards for the executive Directors and the senior management of the Company; and (iii) reviewing and recommending to the Board the fees payable to the INEDs.

The Remuneration Committee consists of five members comprising the three INEDs, namely Mr. Chow Siu Ngor, Mr. Lau Ho Kit, Ivan and Mr. Chen Li, and two executive Directors, namely Mr. Mak Shiu Tong, Clement and Mr. Tam Ngai Hung, Terry. The Remuneration Committee is chaired by one of the members who must be an INED. Mr. Chow Siu Ngor acted as the chairman of the Remuneration Committee for the year 2005. For the financial year ended 31 December 2005, the Remuneration Committee met on one occasion and reviewed the current framework, policies and structure for the remuneration of the Directors and the senior management and reported to the Board of their review with recommendation. The Remuneration Committee also reviewed specific remuneration package including the terms of employment, incentive rewards and performance-based bonus of the executive Directors and senior management and the fees payable to the INEDs.

The primary objective of the Group's remuneration policy is to retain and motivate executive Directors and senior management by linking their rewards to the corporate and individual performance, job complexity and responsibilities, so that the interests of the executive Directors are aligned with those of the shareholders. No Director can, however, approve his or her own remuneration.

In order to attract, retain, and motivate executives and employees serving for the Group, the Company has adopted a share option scheme in 2002. The scheme enables the eligible participants to obtain an ownership interest in the Company by payment of the exercise price with reference to the market price of the share of the Company at the time of grant and thus to reward to the participants who contribute to the success of the Group's operations.

Details of the amount of the Directors' emoluments are set out in note 8 to the financial statements in this Annual Report and details of the share option scheme are set out in the section headed "Report of the Directors" in this Annual Report.

The Board is empowered under the Company's bye-laws to appoint any person as a director either to fill a casual vacancy on or as an additional member of the Board. Qualified candidates will be proposed to the Board for consideration and the selection criteria are mainly based on the assessment of their professional qualifications and experience relevant to the Company's business. It is believed that the members of the Board would collectively have the required professional knowledge and skills in discharging the Board's responsibility in identifying, recruiting and evaluating new nominees to the Board and the assessment of qualifications of nominated candidates for directorship.
