

In the past year, COSCO International continued to expand its core business, building on a healthy and well developed platform founded on a team spirit of unity, perseverance, flexibility and innovation. Leveraging COSCO's brand and system advantages and in pursuit of innovative management, efficient operation and quality services, we have enhanced our core competencies and leveraged our existing resources and networks in ship trading and supplying services businesses to create synergies. We always focus on long term outcomes and closely monitor market changes to drive the sustained development of the Company. Our aim is to become a competitive, professional and unique global ship trading and supplying services provider, with the ultimate goals to provide the best services for our customers and maximize the returns to our shareholders.
