SHARE OPTIONS

Pursuant to a share option scheme (“Share Option Scheme”) approved by shareholders of the Company on 3rd January 1997, the board of directors of the Company (“Board”) may, at their discretion, grant to directors and employees of the Company or any of its subsidiaries options to subscribe for ordinary shares in the Company. The Share Option Scheme is designed to act as an incentive to employees and executives of the Group. The exercise price is determined by the Board and being equal to the higher of (a) the nominal value of the share; and (b) not less than 80 per cent of the average closing prices of the shares as stated in the Stock Exchange’s daily quotation sheets for the five business days immediately preceding the date of offer of an option. The cash consideration to be paid for each grant of option is HK\$10, with full payment of the exercise price to be made upon exercise of an option.

On 25th June 2002, the shareholders of the Company approved the resolutions relating to the termination of the Share Option Scheme and the adoption of a new share option scheme (“2002 Share Option Scheme”). Upon termination of the Share Option Scheme, no further share options will be granted thereunder but all the outstanding share options granted prior to such termination continue to be valid and exercisable in accordance therewith, and only those provisions of the Share Option Scheme which are required to give effect to the outstanding share options continue to remain in force for such purpose. The 2002 Share Option Scheme complies with the amendments to Chapter 17 of the Listing Rules.

Pursuant to the 2002 Share Option Scheme, the Board may grant to any person being an employee, officer, director, agent, consultant or representative of GZI, Yue Xiu, the Company or any of their respective subsidiaries (“Participants”) options to subscribe for shares in the Company. The purpose of the 2002 Share Option Scheme is to provide incentives to Participants to contribute to the Group and to enable the Group to recruit, retain and motivate high-calibre employees and attract human resources that are valuable to the Group. The total number of shares which may be issued upon exercise of all options to be granted under the 2002 Share Option Scheme is 10 per cent of the number of shares in issue as at the date of approval of the 2002 Share Option Scheme. The maximum entitlement of each Participant upon exercise of the options granted or to be granted within any 12-month period immediately preceding the proposed date of grant is limited to 1 per cent of the number of shares in issue as at the proposed date of grant. Any further grant of options in excess of this limit is subject to shareholders’ approval in general meeting. The share options are exercisable from the commencement date of the option period (which shall be a period to be notified by the Board at the time of the grant of an option, such period to commence on the date of grant or such later date as the Board may decide and expire on the last day of the period, which in any event shall not exceed 10 years from the date of grant), of which a maximum of up to (i) 30 per cent; and (ii) 60 per cent (inclusive of any options exercised under (i)), of the options granted under the relevant grant are exercisable during the period (i) up to the first anniversary; and (ii) up to the second anniversary of the commencement date of the option period respectively. After the second anniversary of the commencement date of the option period the restrictions will cease. In respect of a Participant who is an employee of GZI, Yue Xiu, the Company or any of their respective subsidiaries, the same limits on the exercise of the share options as described above shall also apply, except that the periods referred to in (i) and (ii) above shall commence from the later of: (a) the date of completion by such Participant of one year of continuous employment as permanent member of the staff of GZI, Yue Xiu, the Company or any of their respective subsidiaries, as the case may be; and (b) the commencement date of the option period, and the date when the restrictions cease shall be modified accordingly. The exercise price is determined by the Board and must be at least the highest of (a) the closing price of the shares as stated in the Stock Exchange’s daily quotation sheets on the date of grant; (b) the average closing price of the shares as stated in the Stock Exchange’s daily quotation sheets for the five business days immediately preceding the date of grant; and (c) the nominal value of the shares. The cash consideration to be paid for each grant of option is HK\$10, with full payment of the exercise price to be made upon exercise of an option. No such options have been granted to any person since its adoption as required to be disclosed under the Listing Rules.

The Directors consider that it is inappropriate to value the share options as a number of factors critical for the valuation cannot be determined accurately. Any valuation of the share options based on various speculative assumptions would be meaningless and could be misleading to shareholders.
