CONSTRUCTION AND ENGINEERING

China:

The list of major Mainland Chinese projects that the Group has participated in during the last 30 years is every bit as impressive as its Hong Kong counterpart. Among its many landmark achievements are:

- Convention and Exhibition Centre, Shenzhen
- National Grand Theatre, Beijing
- Ching Chau Min Jiang Bridge, Fuzhou

Construction project management services:

- Ocean Hot Springs Resort development, Zhuhai

主要建設項目

中國：

本集團於過去三十年參與的大型中國國內項目與香港的項目不遑多讓。眾多傑出的建設包括：

- 深圳會展中心
- 北京國家大劇院
- 福州青洲閩江大橋

建設工程管理服務：

- 珠海海泉灣渡假村

Hong Kong:

The distinguished projects that the Group's seasoned civil building and structural engineering experts have worked on in Hong Kong over the years include:

- Bank of China Building
- A and B coal-fuel power stations at Castle Peak
- Container terminals 4, 6 and 7
- The Kap Shui Mun Bridge
- The terminal buildings for the new Hong Kong International Airport.
- Residential developments in Tung Chung and Lai Chi Kok

香港：

本集團的資深土木建築及結構工程專家多年來從事的大型香港項目眾多，包括：

- 中國銀行大廈
- 踏石角燃煤發電A及B廠
- 第四、六及七號貨櫃碼頭
- 汲水門橋
- 新香港國際機場客運大樓
- 荔枝角泓景台及東涌映灣園住宅項目
