## CORPORATE PROFILE

Established in 1994, Zhejiang Glass Company, Limited (HKSE: 739), together with its subsidiaries is one of the five largest float flat glass manufacturers in China. In addition to offering float flat glass, the Group also expands downstream to the production and sale of processed glass, such as low-E glass. The Group's products are sold to the construction, automotive and electronics industries. In 2005, its five float flat glass production lines have an aggregate daily melting capacity of 2,350 tonnes, whereas its seven processed glass production lines manufacture mirror glass, tempered glass, insulating glass, laminated glass and Low-E glass.

Zhejiang Glass's soda ash venture, Qinghai Soda Ash Company Limited, began its

commercial production in 2005.
