

With human as the blueprint, Forte provides premium projects to customers by adhering to a human perspective.

Shanghai Forte Land Co., Ltd. (“Forte” or the “Company”), together with its subsidiaries collectively known as (the “Group”), is one of the largest property developers in the PRC, having Grade I development qualification issued by the Ministry of Construction. The Company’s H Shares are listed on the Main Board of the Hong Kong Stock Exchange (Stock Code: 2337). In 2005, the Group was accredited with “Reputable Trademark of Shanghai”. The Group’s headquarters is located in Shanghai, the PRC.

Forte entered the property industry starting from Shanghai in 1994. Adhering to a humanized perspective, Forte has continued to grow. Up to 2005, it has developed tens of property projects in cities such as Shanghai, Beijing, Tianjin, Wuhan, Nanjing, Wuxi, Chongqing and Haikou. Forte will continue to be committed to providing premium projects to customers so as to create the most humanized living environment.
