DIRECTORS’ SECURITIES TRANSACTIONS

The Company has adopted the Model Code for Securities Transactions by Directors of Listed Issuers (the “Model Code”) as set out in Appendix 10 of the Listing Rules as its own code of conduct for directors’ securities transactions. Having made specific enquiry, all the directors have confirmed that they have complied with the required standard as set out in the Model Code throughout the year.

The Board is responsible for the overall strategic development of the Group. It also monitors the financial performance and the internal controls of the Group's business operations. Executive directors are responsible for running the Group and executing the strategies adopted by the Board. The day-to-day running of the Company is delegated to the management with divisional/department heads responsible for different aspects of the business/functions.

Non-executive directors (including the independent non-executive directors) serve the relevant function of bringing independent judgement on the development, performance and risk management of the Group through their contributions in board meetings.

The Board considers that each independent non-executive director of the Company is independent in character and judgement. The Company has received from each independent non-executive director a written confirmation of his independence pursuant to Rule 3.13 of the Listing Rules.

The Board meets at least twice each year at approximately half a year interval to discuss the Group's business development, operation and financial performance. Notice of at least 14 days is given to all directors for all regular board meetings to give all directors an opportunity to attend. All regular board meetings adhere to a formal agenda in which a schedule of matters is addressed to the Board. All directors have access to board papers and related materials, and are provided with adequate information which enable the Board to make an informed decision on the matters to be discussed and considered at the board meetings. Minutes of board meetings are kept by the Company Secretary and are open for inspection at any reasonable time on reasonable notice by any director.

To the best knowledge of the directors, there is no financial, business and family relationship among the members of the Board except that James Sai-Wing Wong and Madeline May-Lung Wong are partners in several investments (including their interests in the Company).

During the year under review, two full board meetings were held. As business operations were under the management and supervision of the executive directors of the Company, who had from time to time held meetings to resolve all material business or management issues, thus only two full board meetings were held for the year ended 31st March, 2006.

CHAIRMAN AND CHIEF EXECUTIVE OFFICER

The roles of the chairman and chief executive officer were not performed by separate individuals as is stipulated in CG Code provision A.2.1. James Sai-Wing Wong, the Chairman of the Company, assumes the role of the Chairman and also the chief executive officer who is responsible for overseeing the function of the Board and formulating overall strategies of and organising the implementation structure for the Company and also managing the Group's overall business operations. Given the nature of the Group's businesses which require considerable market expertise, the Board believed that the vesting of the two roles for the time being provides the Group with stable and consistent leadership and allows for more effective planning and implementation of long term business strategies. The Board will continuously review the effectiveness of the structure to balance the power and authority of the Board and the management.

NON-EXECUTIVE DIRECTORS

The non-executive directors of the Company are not appointed for a specific term as stipulated in CG Code provision A.4.1, but are subject to retirement by rotation and re-election at the annual general meeting in accordance with the articles of association of the Company (the "Articles of Association"). The Articles of Association do not require the directors to retire by rotation at least once every three years. However, in accordance with article 104 of the Articles of Association, at each annual general meeting of the Company, one-third of the directors for the time being (or, if their number is not three or a multiple of three, then the number nearest one-third), other than the one who holds the office as executive chairman or managing director, shall retire from office by rotation. The Board will ensure the retirement of each director, other than the one who holds the office as executive chairman or managing director, by rotation at least once every three years in order to comply with the CG Code provisions.

The Chairman will not be subject to retirement by rotation as stipulated in CG Code provision A.4.2 as the Board considered that the continuity of office of the Chairman provides the Group with a strong and consistent leadership and is of great importance to the smooth operations of the Group.

All directors appointed to fill a casual vacancy is subject to re-election by shareholders at the next following annual general meeting of the Company instead of at the first general meeting after their appointment as stipulated in CG Code provision A.4.2.

At the forthcoming annual general meeting, in accordance with the Articles of Association, Herman Man-Hei Fung, Dennis Kwok-Wing Cheung and Daniel Chi-Wai Tse are subject to retirement by rotation.

CG Code provision B.1.3 stipulates that the terms of reference of the Remuneration Committee should include, as a minimum, those specific duties as set out in the CG Code provisions. The Company adopted the terms of reference of the Remuneration Committee in December 2005 but deviated from the CG Code as the duties of the committee are to review (as opposed to determine) and to make recommendation to the Board on the remuneration of the directors (as opposed to the remuneration of directors and senior management).

The Chairman of the Audit Committee is Patrick Yen-Tse Tsai. The Board considers that each Audit Committee member has broad commercial experience and there is a suitable mix of expertise in business, accounting and financial management in the Audit Committee.

The Audit Committee's functions include:

- to review and monitor financial reporting and the reporting judgement contained in them; and
- to review financial and internal controls, accounting policies and practices with management and external auditors.

The Audit Committee held two meetings during the year under review, which were attended by the external auditors, Ernst & Young.

The Audit Committee has reviewed the accounting principles and practices adopted by the Group and discussed with management and the external auditors the financial reporting matters, both for the interim results for the six months ended 30th September, 2005 and the annual results for the year ended 31st March, 2006.
