

1. The Non-Executive Directors are not appointed for a specific term and the Articles of Association of the Company provided that at each annual general meeting, one-third of the directors (other than the Chairman of the Board and the Managing Director of the Company) shall be subject to retirement by rotation. As the Listing Rules require that every director, including those appointed for a specific term, should be subject to retirement by rotation at least once every three years, the Articles of Association of the Company were amended on 30th June 2006 to that effect.
2. All directors appointed to fill a casual vacancy were subject to re-election by shareholders at the next following annual general meeting of the Company pursuant to the Articles of Association of the Company. As the Listing Rules require that all directors appointed to fill a casual vacancy should be subject to election by shareholders at the first general meeting after their appointment, the Articles of Association of the Company were amended on 30th June 2006 to that effect.
3. Ms. Cheung is currently the Chairman of the Board (the “Chairman”) and the Chief Executive Officer (the “CEO”) of the Company. The Board does not intend to separate the role between the Chairman and the CEO. The Board believes that it is more effective and efficient for the same person to be acting as the Chairman and the CEO in formulating the Group’s overall strategies and policies and implementing the same to achieve the corporate goals.
