We report to shareholders and stakeholders through a number of channels. This Annual Report focuses on the financial and operational performance of CLP in 2006 and our future outlook. Our Social and Environmental Report (SER) issued alongside the Annual Report describes our plans and performance in managing the social and environmental dimensions of our activities. For the first time this year, our SER is supplemented by a comprehensive on-line sustainability report. Our website, which is regularly updated, also contains a wealth of detailed information about CLP.

To help readers, we have highlighted those areas of this Annual Report where further information is available in the SER or on our website, by using the symbols  and .
