

Major Customers and Suppliers

Approximately 6.9% and 20.0% of the Group's total expenditure on purchases of goods and services for the year are attributable to the largest supplier and five largest suppliers respectively.

Approximately 1.5% and 5.3% of the Group's total reported revenues for the year are attributable to the largest customer and five largest customers respectively.

The Group has entered into slot sharing arrangements with other container shipping companies. The receipts and payments from slot sharing arrangements have not been included in determining the major customers and suppliers since it would be misleading to do so as the receipts and payments are in respect of sharing arrangements for the utilisation of vessel space.

No director or any of his associates holds any equity interest in the suppliers or customers included above.
