Cautionary Statements Regarding Forward-Looking Statements

To the extent any statements made in this report contains information that is not historical such statements are essentially forward-looking. These forward-looking statements include but are not limited to projections, targets, estimates and business plans that the Company expects or anticipates will or may occur in the future. These forward-looking statements are subject to known and unknown risks and uncertainties that may be general or specific. Certain statements, such as those which include the words or phrases "potential", "estimates", "expects", "anticipates", "objectives", "intends", "plans", "believes", "will", "may", "should", and similar expressions or variations on such expressions may be considered forward-looking statements.

Readers should note that a variety of factors, many of which may be beyond the Company's control, affect the performance, operations and results of the Company, and could cause actual results to differ materially from the expectations expressed in any of the Company's forward-looking statements. These factors include, but are not limited to, exchange rate fluctuations, market shares, competition, environmental risks, changes in legal, financial and regulatory frameworks, international economic and financial market conditions and other risks and factors beyond our control. These and other factors should be considered carefully and readers should not place undue reliance on the Company's forward-looking statements. In addition, the Company assumes no obligation to publicly update or revise any forward-looking statement that is contained in this report as a result of new information, future events or otherwise. None of the Company, or any of its employees or affiliates is responsible for, or is making, any representations concerning the future performance of the Company.
