(a) On 4 April 2006, the board of directors resolved to propose a final dividend of RMB0.287 per share based on the number of ordinary shares in issue of $1,125,452,500$ amounting to RMB323 million. During the annual general meeting held on 6 June 2006, the shareholders approved the final dividend of RMBO.287 per share based on the number of ordinary shares in issue of $1,194,389,000$ as shown on the Register of Members on 4 May 2006, including additional issuance of $68,936,500 \mathrm{H}$ shares issued on 10 March 2006 with the additional dividend amounting to RMB19.8 million. The final 2005 dividend was then declared and amounted to RMB343 million.
(b) Pursuant to the revised The People's Republic of China Company Law ("PRC Company Law") which was approved on 27 October 2005 and the Notice of Caiqi [2006]67 dated 15 March 2006 issued by the Ministry of Finance, appropriation to the statutory public welfare fund is no longer needed with effect from 1 January 2006, and the balance of the statutory public welfare fund is required to be transferred to the statutory surplus reserve.
(c) One of the subsidiaries, Binzhou Weiqiao Technology Industrial Park Company Limited ("Binzhou Industrial Park"), has received government grants of approximately RMB106 million (note 30) which were credited to the capital reserve in accordance with the accounting principles generally accepted in the People's Republic of China ("PRC GAAP") as a non-distributable reserve. In accordance with HKAS 20, such government grants were treated as deferred income and recognised in the consolidated income statement over the expected useful lives of the relevant items of property, plant and equipment to which the grants were related by equal annual instalments. The Group's share of deferred income recognised in the consolidated income statement during the year was then transferred to the capital reserve.
(d) These reserve accounts comprise the consolidated reserves of RMB10,833,350,000 in the consolidated balance sheet as at 31 December 2006.
