

**Sustainability. Value-adding.  
Harmony. Win-win.**

From the Mainland to Victoria Harbour

We set sail for our journey

From Victoria Harbour to the Mainland

Our ideals take flight with full passion

The glamour of our superior brand

Together with our shareholders, staff, customers, partners & society

Growing up together in one spirit

Truly dedicating our love that knows no boundary

All converging into the endless mission of China Overseas people

Shoulder-to-shoulder, Hand-in-hand

Let's sound the cantus of Sustainability & Value-adding

Compose the new melody of Harmony & Win-win
