

Investor Relations

The Company's management announced its 2006 annual results at a press conference.

The Company's management explained to analysts on the latest development plans following the results announcement.

The Company's main duty in investor relationship is to provide information on the Company's latest development strategy, business management, financial information and business progress and development clearly to shareholders, investors, analysts, banks and media. The Company ensures the dissemination of important information to the market rapidly through different channels. These channels include: results announcements, announcements, press conferences and analyst briefing sessions, road shows and meetings organized by investment institutions. To enhance communication with the investment sector, the Company launched its new web site in late April of 2006 and both regularly or irregularly updated the information to ensure that important events during the course of business development of the Company can be transmitted rapidly to the capital market through the web site of the Company.

The management of the Company values the feedback of the external investment parties and meets analysts and investors both regularly or irregularly to present the latest development strategy and operating conditions to them and communicates with investors in a timely manner. In 2006, the Company actively pushed forward with the promotion of the listed company and organized

conferences with nearly 80 analysts and investors, and arranged for bankers and media to visit the sites of the Company for several times. Besides, the management has also participated in investment seminars organized by major investment banks in the US, Europe, Singapore and Hong Kong. Through the above activities, the communication between the management of the Company and the players of the capital market has been enhanced. Besides, the transparency of different business activities such as the Company's operation and management has also been enhanced. In 2007, the Company will further strengthen its efforts in this respect and maintain good relationship with investors through designated staff, multiple channels and at multiple levels.
