---

The Company is committed to the establishment of good corporate governance practices and procedures. The corporate governance principles of the Company emphasise a quality board, sound internal control and transparency and accountability to all shareholders.

### CODE OF BEST PRACTICE AND CODE ON CORPORATE GOVERNANCE PRACTICES

The Company's Articles of Association have been amended on 27th May, 2005 to provide that all Directors shall retire on such manner of rotation as required by the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited ("Listing Rules"), i.e. once every three years. Prior to such amendment, the Company's Articles of Association provided that one-third of the Directors (including Non-executive Directors) should retire by rotation at the annual general meeting of the Company.

The Code of Best Practice set out in Appendix 14 to the Listing Rules was replaced by the Code on Corporate Governance Practices ("Code on CG Practices") which has become effective for accounting periods commencing on or after 1st January, 2005. During the year, the Company has applied the principles and complied with all code provisions and to certain extent of the recommended best practices of the Code on CG Practices except the following:

#### Code Provision A.2.1

The Company does not have separate appointments for Chairman and Chief Executive Officer. Mr. William CHENG Kai Man holds both positions. The Board believes that vesting the roles of both Chairman and Chief Executive Officer in the same person enables the Company to have a stable and consistent leadership. It will also facilitate the planning and execution of the Company's strategy and is hence, for the interests of the Company and its shareholders.

#### Code Provision A.4.1

Non-executive directors of the Company have no set term of office but retire from office on a rotational basis at least once every three years. Amendment to the articles of association of the Company was proposed and approved by the shareholders at the annual general meeting of the Company held on 27 May, 2005 whereby every director shall be subject to retirement by rotation at least once every three years. The Company considers that sufficient measures have been taken to ensure that its corporate governance practices are no less exacting than those in the Code on CG Practices.

#### Code Provisions B.1.4 and C.3.4

Since the Company has not established its own website, the Company cannot make available the terms of reference of its remuneration committee and audit committee on its website. However, the terms of reference of the two committees are available on request. The Company will establish its website as soon as possible and will endeavour to comply with these code provisions.
