MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS REVIEW

The Group's turnover for the six months ended 31 December 2006 amounted to approximately HK\$14.8 million, representing an 11% decrease from the six months ended 31 December 2005 (approximately HK\$16.8 million).

RESTRUCTURING

Following the appointment of the joint & several provisional liquidators (the "Provisional Liquidators") of the Company, Best Champion Holdings Limited ("the Investor") had been identified for the restructuring of the Group. A proposal for the resumption of the trading in shares of the Company (the "Resumption Proposal") was submitted to The Stock Exchange of Hong Kong Limited (the "Stock Exchange") in March 2006.

On 10 October 2007, the Stock Exchange issued a letter to Asian Capital (Corporate Finance) Limited, the financial advisor of the Company and advised that it had decided to allow the Company to proceed with the Resumption Proposal (as supplemented by subsequent submissions), subject to prior compliance with various conditions to the satisfaction of the Listing Division of the Stock Exchange within six months from the date of the letter, i.e. on or before 9 April 2008.

The Provisional Liquidators, the Investor and their respective advisors are working towards to fulfill the conditions imposed by the Stock Exchange.

FUTURE PROSPECTS

The Provisional Liquidators and the Investor have endeavored to reactivate the operations of the Group.

Co-operative Joint Venture

In April 2007, a co-operative joint venture (the "CJV") was established in the People's Republic of China (the "PRC") for distributing pharmaceutical and healthcare products. Since then, the CJV has been utilizing the strong network of its PRC joint venture partner for distributing pharmaceutical and healthcare products in the PRC and achieved a good result. The turnover of the CJV was over HK\$148 million for the six months from July to December 2007.

In view of the aging population, the increasing awareness of health care and increasing income level in the PRC, it is expected that the CJV will enjoy a stable growth in the business.

Laolaishou

In order to further improve and enhance the business of the Group, the CJV has also been appointed by Jinan Laolaishou Biotech Company Limited (濟南老來壽生物科技有限公司) ("Laolaishou") as its exclusive distributor in the PRC (including Hong Kong).

Laolaishou is mainly engaged in the research, manufacturing, and distribution of the pharmaceutical products and health food products. Currently, Laolaishou owns eight pharmaceutical licenses, three health products, two manufacturing rights of patented health food products, namely老來壽膠囊 (Laolaishou Capsule) and 開元唐泰膠囊 (Kaiyuantangtai Capsule), and other patents in the application stage.

The CJV entered into an exclusive distribution agreement with Laolaishou on 20 August, 2007. Under the agreement, upon the successful resumption of trading in shares of the Company, the CJV will become the sole agent having the exclusivity right for distributing the products of Laolaishou in the PRC. In addition, the CJV will also become the sole licensee for operating "Laolaishou Health Clubs" in the PRC.

The sales of Laolaishou products are expected to grow and expected to help improving the Group's profitability.

MANAGEMENT DISCUSSION AND ANALYSIS

Furthermore, the CJV will utilize the funds raised by the Company to set up its own Laolaishou Health Clubs and dedicated shops in other selected locations in the PRC. The directors believe that the setting up of own retail shops of the CJV and the assimilation of the existing licensed shops into the CJV will substantially enhance the profit margin of the Group mainly due to the capture of the retail sales margin into the Group.

FOREIGN EXCHANGE EXPOSURE

The Group has certain exposure to foreign currency risk as most of its business transactions, assets and liabilities are principally denominated in Hong Kong Dollars, United States Dollars and Renminbi. The Group currently does not have a foreign currency hedging policy in respect of foreign currency assets and liabilities. The Group will monitor its foreign currency exposure closely and will consider hedging significant foreign currency exposure should the need arises.

INTERIM DIVIDEND

The directors do not recommend the payment of an interim dividend for the six months ended 31 December 2006.

CAPITAL STRUCTURE

For the six months ended 31 December 2006, there was no change in the capital structure and issued share capital of the Company.

LIQUIDITY, FINANCIAL RESOURCES AND FUNDING

Given that the Company has been appointed the Provisional Liquidators, financial assistance from the Investor and cash inflow from operation are, at present, the major sources of funding for the Group.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

1. BASIS OF PREPARATION AND ACCOUNTING POLICIES

The unaudited condensed consolidated interim financial statements have been prepared in accordance with Hong Kong Accounting Standard 34 "Interim Financial Reporting" issued by the Hong Kong Institute of Certified Public Accountants and the applicable disclosure requirements of Appendix 16 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Stock Exchange").

The Company is an investment holding company. Its subsidiaries are principally engaged in manufacturing and distribution of pharmaceutical products.

The principal accounting policies adopted in the unaudited condensed consolidated interim financial statements are consistent with those adopted in the preparation of the Group's annual financial statements for the year ended 30 June 2006, except for the adoption of the new standards, amendments to standards and interpretations which are effective for the accounting periods beginning on or after 1 July 2006.

The adoption of the above has no material impact to the Group's unaudited condensed consolidated interim financial statements.

Going concern

The Group incurred a loss attributable to equity holders of the Company of approximately HK\$31,241,000 for the six months ended 31 December 2006 and as at 31 December 2006 the Group had net current liabilities of approximately HK\$718,825,000 and net liabilities of approximately HK\$685,675,000 respectively. These conditions indicate the existence of a material uncertainty which may cast significant doubt on the Group's ability to continue as a going concern. Therefore, the Group may be unable to realise its assets and discharge its liabilities in the normal course of business.

The Group has been experiencing financial difficulties since about 2004. On 15 September 2004, Standard Chartered Bank (Hong Kong) Limited ("SCBHK") petitioned for the winding-up of the Company as the Company failed to repay a syndicated bank loan. Upon the application of SCBHK, on 22 September 2004 Messrs. Lai Kar Yan Derek and Darach E. Haughey, both of Deloitte Touche Tohmatsu, were appointed as joint and several provisional liquidators (the "Provisional Liquidators") of the Company by the High Court of the Hong Kong Special Administrative Region so as to preserve the assets of the Company and to consider and review all restructuring proposals to maximize the recovery of the creditors and shareholders of the Company.

The Company had been placed into the third stage of the delisting procedures on 17 October 2005. Best Champion Holdings Limited (the "Investor") subsequently decided to pursue a restructuring of the Company.

After various discussions involving representatives of the Provisional Liquidators, the Investor and their respective advisors, the terms of a restructuring proposal were formulated. The restructuring proposal involves, inter alia, (i) capital restructuring; (ii) debt restructuring; (iii) subscription; and (iv) group reorganization.

On 29 March 2006, a proposal for the resumption of trading in the Company's shares (the "Resumption Proposal") was submitted on behalf of the Company to The Stock Exchange of Hong Kong Limited (the "Stock Exchange") by Asian Capital (Corporate Finance) Limited which had been appointed as the financial advisor to the Company.

On 10 October 2007, the Stock Exchange issued a letter to Asian Capital (Corporate Finance) Limited and advised that it had decided to allow the Company to proceed with the Resumption Proposal (as supplemented by subsequent submissions), subject to prior compliance with various conditions to the satisfaction of the Listing Division of the Stock Exchange within six months from the date of the letter, i.e. on or before 9 April 2008.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

The financial statements have been prepared on a going concern basis on the basis that the proposed restructuring of the Company will be successfully completed, and that, following the financial restructuring, the Group will continue to meet in full its financial obligations as they fall due in the foreseeable future.

Having reviewed and considered the operations and the affairs of the Group and the Company, the magnitude of the claims against the Company and the third stage of delisting procedures, the Directors concluded that the proposed restructuring represents the best means available for the Company to be returned to solvency and to continue with the development and enhancement of its business. The Directors are therefore of the opinion that it is appropriate to prepare the financial statements on a going concern basis.

Should the Group be unable to achieve a successful restructuring and to continue its business as a going concern, adjustments would have to be made to the financial statements to adjust the value of the Group's assets to their recoverable amounts, to provide for any further liabilities which might arise and to reclassify non-current assets and liabilities as current assets and liabilities, respectively.

Restructuring and Relisting

Stock Exchange's decision on resumption of trading

On 10 October 2007, the Stock Exchange issued a letter to Asian Capital (Corporate Finance) Limited, the financial advisor of the Company and advised that the Listing Appeals Committee concurred with the decisions of the Listing Committee and the Listing (Review) Committee that the Company had not submitted a valid resumption proposal as required. Nevertheless, having considered all submissions (both written and oral) presented by the review parties for the purpose of the reconvened Review Hearing on 19 September 2007, it had decided to allow the Company to proceed with the Resumption Proposal (as supplemented by subsequent submissions), subject to prior compliance with various conditions to the satisfaction of the Listing Division of the Stock Exchange within six months from the date of the letter, i.e. on or before 9 April 2008.

Since then, the representatives of the Provisional Liquidators of the Company, the Investor and their respective advisors have been endeavoured to achieve full compliance of the conditions set out by the Stock Exchange.

In view of the fact that there are various long public holidays during the six-month period, the conditions could not be fully complied with on or before 9 April 2008. In the circumstances, the Company is now seeking from the Stock Exchange an extension for complying with the conditions.
