# Selected Notes to Condensed Consolidated Financial Information

## 1 General information

Mei Ah Entertainment Group Limited (the “Company”) and its subsidiaries (together the “Group”) is principally engaged in television operations, film exhibition, film rights licensing and sub-licensing, and sale and distribution of films and programs.

The Company is a limited liability company incorporated in Bermuda and listed on the Stock Exchange of Hong Kong Limited.

This condensed consolidated interim financial information was approved for issue on 29th December 2008.

## 2 Basis of preparation

This condensed consolidated interim financial information for the half-year ended 30th September 2008 has been prepared in accordance with HKAS 34, ‘Interim financial reporting’. The interim condensed financial report should be read in conjunction with the annual financial statements for the year ended 31st March 2008.

## 3 Accounting policies

The accounting policies adopted are consistent with those of the annual financial statements for the year ended 31st March 2008. Those new accounting standards, amendments to accounting standards and interpretations which are mandatory for financial year ending 31st March 2009 have no material impact on the Group.

Hong Kong	74,239	37,115	
Singapore and other countries	16,487	7,351	
	<b>90,726</b>	44,466	

Turnover is allocated based on the country in which the customers are located. No geographical analysis is provided for the Group's assets and capital expenditure as less than 10% of the Group's consolidated assets and capital expenditure were attributable to markets outside Hong Kong as at 30th September 2008 and 2007.

Fair value losses on revaluation of financial assets at fair value through profit and loss	6,198	—

**7 Taxation**

No provision for Hong Kong profits tax and overseas taxation has been made for the period as the Group has available tax losses brought forward from prior years.

The Group's jointly controlled entity in the People's Republic of China ("PRC") did not have any assessable income for the year for the PRC tax purposes and accordingly no provision for PRC tax has been made in the condensed financial information.

**8 Loss per share**

The calculation of basic loss per share is based on the Group's loss attributable to equity holders of the Company of HK\$10,880,000 (2007: loss of HK\$131,450,000) and on the weighted average of 982,090,905 (2007: 918,241,082) ordinary shares in issue during the period.

The computation of diluted loss per share for the six months ended 30th September 2008 is not presented as conversion of the Company's outstanding convertible notes would be anti-dilutive.

**9 Dividends**

The board does not recommend the payment of an interim dividend for the six months ended 30th September 2008 (2007: Nil).

The contribution of revenues from the Group's television segment was at the level of approximately HK\$34 million (2007: HK\$30 million). Since the launch of its first broadcasting channel in 2001, which provides movies from the Group's film library and other programs from its business partners, the Group has continuously explored various sources of revenue streams from its television operations. As at 30th September 2008, the Group provided three channels to now TV. In July 2007, the Group commenced a movie channel in Singapore and another drama channel in Singapore commenced in October 2008. These channels contributed steady and secured contribution to the Group. Looking forward, the Group aims to provide channels to other Asian countries and secure advertising income from available air-time in those TV channels, and develop channels with increasing varieties.

The Group will continue to strengthen its film library through acquisition, own production and co-production. Equipped by the Group's film library and through the Group's experience and network in program sourcing, the Group is confident that it will continue to provide high quality and customised TV programs to its audiences. The Group also believes that its television segment has huge potential of growth and will continue to bring significant and increasing contribution to the Group's results. Following the increasing popularity of pay TV in Hong Kong and digitalisation of TV signal in Hong Kong and China which allows more broadcasting channels than the existing analogue system, the demand for TV channel contents is expected to increase significantly and the Group believes that it will receive fruitful and encouraging rewards from these new market opportunities and enjoy the prospectus of its television operations.

The contribution of revenues from the Group's segment of film exhibition and film rights licensing and sub-licensing increased from HK\$7 million to HK\$34 million. The release of the first part of "Red Cliff", which received encouraging responses, has contributed the increase. The second part of "Red Cliff" is expected to be released in mid of January 2009.

Since 2007, the Group has strengthened its production arm through the professional production team of BIG Media Group Limited (“BIG”) to support its content requirement in respect of the Group’s television, licensing and distribution operations and favour from the synergy effect in respect of BIG’s film library and the Group’s distribution network. The Group was appointed as the exclusive distribution agent to market and license BIG’s films.

Despite the above, the Group continues to support Hong Kong’s film industry by participating to invest in high quality and popular films.

The revenues attributable to sale and distribution of films and programs in audio visual product format was increased from HK\$7 million to HK\$22 million. During the period, the Group widened its network and source of audio visual products distribution by distributing titles for an international entertainment and media company. The Group will continue to acquire customised and popular films and diversify its distribution channels in order to maintain its competitiveness.

Following the fund raising activities in 2006 and further to the proceeds from the proceeds from disposal of interests in BIG in January 2008, the working capital of the Group has been significantly enhanced. The gearing ratio of the Group was further improved and the Group believes that it will continue to be benefited from the broadened shareholders’ base and its extended exposure to the global entertainment industry. Looking forward, the Group will exploit every opportunities to generate greatest returns for its shareholders and reward their long-term support.

In respect of the writ of summons as referred to in the Company’s announcement dated 23rd October 2008, the Company is still consulting legal advice to prepare a statement of defence. Further announcement will be made by the Company in the event of any material further development.
