An application has been made to the Listing Committee of the Hong Kong Stock Exchange for the granting of the listing of, and permission to deal in, the Shares in issue, the Offer Shares (including any Shares which may be sold by the Selling Shareholder pursuant to the exercise of the Over-Allotment Option, as described in the Prospectus) and any Shares which may be issued pursuant to the exercise of the options which may be granted under the Share Option Scheme. Dealings in the Shares on the Hong Kong Stock Exchange are expected to commence on March 7, 2008. Applications for the Hong Kong Offer Shares will only be considered on the basis of the terms and conditions set out in the Prospectus, the **WHITE** or **YELLOW** Application Forms and the designated website [www.eipo.com.hk](http://www.eipo.com.hk) for **White Form eIPO**. It should be noted that **multiple applications or suspected multiple applications or any application for more than 41,668,000 Shares, being 50% of the Hong Kong Offer Shares initially offered for public subscription in the Hong Kong Public Offering, will be rejected.** Only one application on a **WHITE** or

**YELLOW** Application Form or by way of giving **electronic application instructions** to HKSCC or the **White Form eIPO** Service Provider under the **White Form eIPO** service through the designated website [www.eipo.com.hk](http://www.eipo.com.hk) may be made for the benefit of any person. Applicants for any Hong Kong Offer Shares are required to undertake and confirm that they or the relevant beneficial owner(s) have not applied for or taken up, or indicated an interest for, and will not apply for or take up, or indicate an interest for, any International Offer Shares. Subject to the granting of the listing of, and permission to deal in, the Shares on the Hong Kong Stock Exchange as well as compliance with the stock admission requirements of HKSCC, the Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in Central Clearing and Settlement System (“CCASS”) with effect from the commencement date of dealings in the Shares on the Hong Kong Stock Exchange or such other date as may be determined by HKSCC. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time.

The Company is initially offering 83,336,000 Hong Kong Offer Shares for subscription by the public in Hong Kong at the maximum offer price, representing approximately 10% of the total number of Offer Shares initially available under the Global Offering. The allocation of the Shares between the Hong Kong Public Offering and the International Offering is subject to adjustment as stated in the paragraph headed “The Hong Kong Public Offering — Pricing and Allocation” under the section in the Prospectus entitled “Structure of the Global Offering”.

In connection with the Global Offering, Morgan Stanley Asia Limited and/or their affiliates or any person acting for them (the “Stabilizing Manager”), on behalf of the Underwriters, may over-allocate or effect transactions with a view to stabilizing or maintaining the market price of the Offer Shares at a level higher than that which might otherwise prevail for a limited period after the commencement of trading in the Shares on the Hong Kong Stock Exchange. However, there is no obligation on the Stabilizing Manager, its affiliates or any person acting for it to do this. Such stabilization may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws and regulatory requirements, including the Securities and Futures (Price Stabilizing) Rules made under the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong). Such stabilization, if commenced, will be conducted at the absolute discretion of the Stabilizing Manager or any person acting for it and may be discontinued at any time, and must be brought to an end after a limited period. The details of the intended stabilization and how it will be regulated under the Securities and Futures Ordinance are contained in the Prospectus. The number of Shares being offered in the Global Offering may be increased up to an aggregate of 958,360,000 Shares through the exercise of the Over-Allotment Option granted to the International Underwriters by the Selling Shareholder exercisable by the Stabilizing Manager (after consultation with the other Joint Bookrunners), on behalf of the International Underwriters to, among other things, cover over-allocations (if any) in the International Offering, which option is exercisable at any time from the day on which trading of the Shares commences on the Hong Kong Stock Exchange until 30 days after the last day for lodging applications under the Hong Kong Public Offering. In the event that such Over-Allotment Option is exercised, a press announcement will be made.

Acceptance of all applications for the Hong Kong Offer Shares pursuant to the Hong Kong Public Offering is conditional on the conditions as stated in the paragraph headed “Conditions of the Hong Kong Public Offering” in the section entitled “Structure of the Global Offering” in the

Prospectus. The Offer Price is expected to be fixed by agreement between the Joint Bookrunners, on behalf of the Underwriters, the Selling Shareholder and the Company on February 29, 2008 and, in any event, no later than March 3, 2008. Investors applying for Hong Kong Offer Shares under the Hong Kong Public Offering must pay, on application, the Maximum Offer Price of HK\$4.50 for each Hong Kong Offer Share together with a brokerage of 1%, Hong Kong Stock Exchange trading fee of 0.005% and SFC transaction levy of 0.004% on each Hong Kong Offer Share. The Joint Bookrunners, on behalf of the Underwriters, may with the consent of the Company, reduce the number of Offer Shares and/or reduce the indicative offer price range below that stated in the Prospectus (which is HK\$3.16 to HK\$4.50 per Share) at any time on or prior to the morning of the last day for lodging applications under the Hong Kong Public Offering. In such a case, an announcement of the reduction of the number of Offer Shares and/or the indicative Offer Price range will be published in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese), as soon as practicable following the decision to make such reduction, and in any event not later than the morning of the day which is the last day for lodging applications under the Hong Kong Public Offering. If applications pursuant to the Hong Kong Public Offering have been submitted prior to the day which is the last day for lodging applications under the Hong Kong Public Offering, then even if the number of Offer Shares and/or indicative Offer Price range is so reduced, such applications cannot be subsequently withdrawn. If, for any reason, the Offer Price is not agreed between the Selling Shareholder, the Company and the Joint Bookrunners (on behalf of the Underwriters), the Global Offering will not proceed.

If the Global Offering does not become unconditional, all application monies received from applicants under the Hong Kong Public Offering will be refunded, without interest, on the terms set out under the paragraph headed “Refund of Application Monies” in the section entitled “How to Apply for Hong Kong Offer Shares” in the Prospectus. A refund without interest, will be made in respect of wholly or partially successful applications in the event that the Offer Price is less than the offer price per Share initially paid and in respect of wholly or partially unsuccessful applications. **The total number of Hong Kong Offer Shares being offered under the Hong Kong Public Offering (after taking account of any reallocation referred to below) is to be divided into two pools for allocation purposes: pool A and pool B with any odd lots being allocated to pool A. Accordingly, the maximum number of Hong Kong Offer Shares initially comprised in pool A and pool B will be 41,668,000 and 41,668,000 respectively. The Shares in pool A will be allocated on an equitable basis to applicants who have applied for Shares with an aggregate price of HK\$5 million (excluding the brokerage, SFC transaction levy and Hong Kong Stock Exchange trading fee payable) or less. The Shares in pool B will be allocated on an equitable basis to applicants who have applied for Shares with an aggregate price of more than HK\$5 million (excluding the brokerage, Hong Kong Stock Exchange trading fee and SFC transaction levy payable). Investors should be aware that applications in pool A and applications in pool B may receive different allocation ratios. If Shares in one (but not both) of the pools are undersubscribed, the surplus Shares will be transferred to the other pool to satisfy demand in this other pool and be allocated accordingly. For the purpose of this paragraph only, the “price” of Shares means the price payable on application therefor (without regard to the Offer Price as finally determined). Applicants can only receive an allocation of Shares from either pool A or pool B but not from both pools.**

If applicants apply for Hong Kong Offer Shares using a **YELLOW** Application Form or by giving **electronic application instructions** to HKSCC and their applications are wholly or partially successful, their share certificate(s) will be issued in the name of HKSCC Nominees Limited and deposited into CCASS for credit to their CCASS Investor Participant stock accounts or the stock accounts of their designated CCASS Participants as instructed by them in their **YELLOW** Application Forms or **electronic application instructions** given to HKSCC at the close of business on 6 March, 2008, or under contingent situation, on any other date as shall be determined by HKSCC or HKSCC Nominees Limited. If applicant are applying through a designated CCASS Participant (other than a CCASS Investor Participant), they can check the number of Hong Kong Offer Shares allocated to them and (if applicants have instructed a CCASS Clearing/Custodian Participant to give **electronic application instruction** on their behalf) the amount of refund money payable to them with that CCASS Participant.
