No public offering of securities of the Company will be made in the United States.

This announcement is for information purposes only and does not constitute an invitation or offer to acquire, purchase or subscribe for securities. Potential investors should read the prospectus dated 2 May 2008, (the “Prospectus”) issued by Artini China Co. Ltd. (雅天妮中國有限公司) (the “Company”) for detailed information about the placing and public offer described below before deciding whether or not to invest in the Offer Shares thereby being offered in the Global Offering.

In connection with the Global Offering, Cazenove Asia Limited (“Cazenove”) (for itself and on behalf of the Underwriters) may effect transactions which stabilise or maintain the market price of the Shares at levels above those which might otherwise prevail in the open market for a limited period after the Listing Date. There is no obligation on Cazenove (for itself and on behalf of the Underwriters) to do this. Such stabilisation action, if commenced, may be discontinued at any time, and is required to be brought to an end after a limited period. Such transactions may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws and regulatory requirements. The details of the intended stabilisation and how it will be regulated under the Securities and Futures (Price Stabilising) Rules of the SFO are contained in the Prospectus.

Potential investors should be aware that stabilising action cannot be taken to support the price of the Shares for longer than the stabilising period which begins on the commencement of trading of the Shares on the Stock Exchange and ends on the 30th day after the last day for the lodging of Application Forms under the Public Offer, that the stabilising period is expected to expire on 6 June 2008, and that after this date, when no further stabilising action may be taken, demand for the Shares, and therefore their price, could fall.

In connection with the Global Offering, Cazenove, as Lead Manager may over-allocate up to and not more than an aggregate of 42,000,000 additional Shares (representing 15% of the total number of the Offer Shares initially available under the Global Offering) to cover over-allocations, if any, in the International Placing by exercising the Over-allotment Option at any time within 30 days from the last day for lodging of Application Forms under the Public Offer, or by making purchases in the secondary market at prices that do not exceed the Offer Price or through stock borrowing arrangements or combination of these means.

Unless otherwise defined herein, terms used in this announcement shall have the same meanings as those defined in the Prospectus.

CAZENOVE
Cazenove Asia Limited

Application has been made by the Company to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in on the Main Board of the Stock Exchange, the Shares in issue and to be issued as mentioned in the Prospectus and the related Application Forms, including any Shares which may be issued pursuant to the exercise of the subscription rights attaching to the options to be granted under the Pre-IPO Option Scheme, the Share Option Scheme and the Over-allotment Option. Dealings in the Shares on the Main Board of the Stock Exchange are expected to commence on 16 May 2008. Subject to the granting of the listing of, and permission to deal in, the Shares on the Main Board of the Stock Exchange as well as compliance with the stock admission requirements of HKSCC, the Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the Listing Date or such other date as determined by HKSCC. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time.

The Global Offering comprises the International Placing and the Public Offer. A total of 280,000,000 Offer Shares will be initially made available under the Global Offering, of which 252,000,000 Placing Shares, representing 90% of the Offer Shares, will conditionally be placed with selected professional, institutional and other investors under the International Placing. The remaining 28,000,000 Public Offer Shares (including 2,800,000 Public Offer Shares initially available for subscription by eligible full-time employees of the Group on a preferential basis using **PINK** application forms), representing 10% of the Offer Shares, will be offered to the public in Hong Kong under the Public Offer. Both the International Placing and the Public Offer are subject to re-allocation. **The Global Offering is conditional on the conditions as stated in the paragraph headed “Conditions of the Global Offering” under the section headed “Structure of the Global Offering” of the Prospectus. If the conditions are not fulfilled or waived prior to the times and dates specified in the Prospectus, the Global Offering will thereby lapse and all application monies, together with the brokerage, the SFC transaction levy and the Stock Exchange trading fee received from applicants under the Public Offer, will be returned to the applicants, without interest, on the terms set out under the paragraph headed “Refund of your application money” on the related Application Forms.** In such eventuality, notice of the lapse of the Public Offer will be caused to be published by the Company in the *South China Morning Post* (in English) and the *Hong Kong Economic Times* (in Chinese).

The Offer Price will not be more than HK\$3.43 per Public Offer Share and expected to be not less than HK\$2.22 per Public Offer Share. The Offer Price is expected to be determined by agreement between the Company and the Global Coordinator (on behalf of the Underwriters) on or before Thursday, 8 May 2008 or such later date or time as may be agreed by the Company and the Global Coordinator (on behalf of the Underwriters) but, in any event, no later than 5:00 p.m., Sunday, 11 May 2008. The Global Coordinator (on behalf of the Underwriters), may with the consent of the Company, reduce the indicative Offer Price range stated in the Prospectus (which is not more than HK\$3.43 per Public Offer Share and expected to be not less than HK\$2.22 per Public Offer Share) at any time on or prior to the morning of the last day for lodging applications under the Public Offer. In such a case, notices of the reduction in the number of Public Offer Shares and/or the indicative Offer Price range will be published in the *South China Morning Post* (in English) and the *Hong Kong Economic Times* (in Chinese) as soon as practicable following the decision to make such reduction, and in any event, not later than the morning of the day which is the last day for lodging applications under the Public Offer. If applications pursuant to the Public Offer have been submitted prior to the day which is the last day for lodging applications under the Public Offer, then even if the Offer Price range is so reduced, such applications cannot be subsequently withdrawn. If, for any reason, the Offer Price is not agreed between the Company and the Global Coordinator (on behalf of the Underwriters), the Global Offering (including the Public Offer) will not proceed and will lapse.

Applicants for the Public Offer should pay, on application, the Offer Price of HK\$3.43 per Share plus 1% brokerage, 0.005% Stock Exchange trading fee and 0.004% SFC transaction levy.

Multiple or suspected multiple applications on **WHITE** and/or **YELLOW** application forms or by way of giving **electronic application instructions** to HKSCC or by means of giving an application to the eIPO Service Provider through the **White Form eIPO** Service, applications made by an applicant for more than 100% of the Public Offer Shares being initially offered for public subscription under pool A or pool B (the details of which are set out in the Prospectus and the terms and conditions of the related application forms) and, applications where cheques or banker's cashier orders are dishonoured upon their first presentation will be rejected. Only one application on a **WHITE** or **YELLOW** application form or by way of giving **electronic application instructions** to HKSCC or by means of giving an application to the eIPO Service Provider through the designated website at *www.eipo.com.hk* for the **White Form eIPO** service, may be made for the benefit of any person. Eligible full-time employees of the Group who apply on a **PINK** application form may also apply for the Public Offer Shares on a **WHITE** or **YELLOW** application form or by way of giving **electronic application instructions** to HKSCC or to the eIPO Service Provider under the **White Form eIPO** service. Any application under **PINK** application forms for more than 100% of the Public Offer Shares being initially offered for subscription under **PINK** application form (being 2,800,000 Public Offer Shares) will be rejected. Applicants for the Public Offer Shares under the Public Offer are required to undertake and confirm that they or the relevant beneficial owner(s) have not applied for or taken up any Shares under the International Placing.

For allocation purposes only, the number of the Public Offer Shares (after deducting 2,800,000 Public Offer Shares available for subscription using **PINK** application forms) will be divided equally into two pools: pool A and pool B. The Public Offer Shares available in pool A will initially consist of 12,600,000 Shares and will be allocated on an equitable basis to applicants who have applied for the Public Offer Shares in the value of HK\$5 million (excluding the brokerage, the Stock Exchange trading fee and the SFC transaction levy thereon) or less. The Public Offer Shares initially available in pool B will consist of 12,600,000 Shares and will be allocated on an equitable basis to applicants who have applied for Public Offer Shares in the value of more than HK\$5 million (excluding the brokerage, the Stock Exchange trading fee and the SFC transaction levy thereon) and up to the total initial value of pool B. Investors should be aware that the allocation ratios for applications in the two pools, as well as the allocation ratios for applications in the same pool, are likely to be different. Where one of the pools is undersubscribed, the surplus Public Offer Shares will be transferred to satisfy demand in the other pool and be allocated accordingly. Applicants can only receive an allocation of Public Offer Shares from any one pool but not from both pools and can only make applications to either pool A or pool B. The maximum number of Public Offer Shares that may be applied for under each application is 12,600,000 Shares. Allocation of the Public Offer Shares to investors under the Public Offer will be based solely on the level of valid applications received under the Public Offer. When there is over-subscription under the Public Offer, allocation of the Public Offer Shares may involve balloting, which would mean that some applicants may be allotted more Public Offer Shares than others who have applied for the same number of the Public Offer Shares, and those applicants who are not successful in the ballot may not receive any Public Offer Shares. The Company and the Global Coordinator have full discretion to reject or accept any application, or to accept only part of any application.

Applications for the Public Offer Shares will only be considered on the basis of the terms and conditions of the Prospectus and the related application forms. Applicants who would like to be allotted the Public Offer Shares in their own names should complete and sign the **WHITE** application forms or submit applications online through the designated website of the eIPO Service Provider at www.eipo.com.hk under the **White Form eIPO** service. Applicants who would like to have the allotted Public Offer Shares issued in the name of HKSCC Nominees Limited and deposited directly into CCASS for credit to their investor participant stock accounts or the stock accounts of their designated CCASS participants maintained in CCASS should (i) complete and sign the **YELLOW** application form, copies of which, together with copies of the Prospectus, may be obtained during normal business hours from 9:00 a.m. on Friday, 2 May 2008 until 12:00 noon on Wednesday, 7 May 2008 at the Depository Counter of HKSCC at 2nd Floor, Vicwood Plaza, 199 Des Voeux Road Central, Hong Kong or your stockbroker, who may have such application forms and Prospectus available or (ii) give **electronic application instructions** to HKSCC via CCASS.
