The board of directors (the “Board”) of the Company wishes to inform the shareholders of the Company (the “Shareholders”) and potential investors that it is expected that the results of the Company and its subsidiaries (the “Group”) for the six months ended 30th June, 2008 may experience a significant decline compared with that for the corresponding period in 2007. Based on the information currently available, such decline is mainly due to the rise in production costs as a result of the escalating raw material prices and labour costs.
