## LETTER FROM THE BOARD

---

The purpose of this circular is to provide Shareholders with information relating to the following resolutions to be proposed at the Annual General Meeting together with a notice convening the Annual General Meeting:

- (a) general mandate to issue Shares;
- (b) general mandate to repurchase Shares;
- (c) extension of the general mandate to issue Shares;
- (d) re-election of the Directors; and
- (e) refreshment of the Scheme Limit under the Share Option Scheme.

### **2. THE NEW ISSUE MANDATE AND THE REPURCHASE MANDATE**

At the Annual General Meeting, it will be proposed, by way of an ordinary resolution, that the Directors be given a general and unconditional mandate to exercise all powers of the Company to issue new Shares up to 20% of the issued share capital of the Company as at the date of the passing of the ordinary resolution (the “New Issue Mandate”). Any issue of new Shares under the New Issue Mandate is subject to approval from the Stock Exchange for the listing of and permission to deal in such new Shares in issue. As at the Latest Practicable Date, the Company had an aggregate of 5,551,625,600 Shares in issue. Assuming no repurchase or issue of Shares will be made by the Company up to the date of the Annual General Meeting, the Directors would be allowed to issue and deal with under the New Issue Mandate a maximum of 1,110,325,120 Shares (representing 20% of 5,551,625,600 Shares in issue as at the date of the passing of the resolution granting the New Issue Mandate).

At the Annual General Meeting, an ordinary resolution will be proposed to give the Directors a general and unconditional mandate to exercise all powers of the Company to repurchase Shares up to a maximum of 10% of the aggregate nominal value of the Shares in issue as at the date of the passing of the ordinary resolution (the “Repurchase Mandate”).

In addition, it will also be proposed, by way of a separate ordinary resolution, that the New Issue Mandate be extended so that the Directors will be given a general mandate (the “Extension Mandate”) to issue further Shares of an aggregate nominal value equal to the aggregate nominal value of the share capital of the Company repurchased under the Repurchase Mandate.

The New Issue Mandate, the Repurchase Mandate and the Extension Mandate, if approved, will continue in force until the conclusion of the next annual general meeting of the Company or the expiry date for the holding of the next annual general meeting or until revoked or varied by ordinary resolution of Shareholders in general meeting prior to the next annual general meeting.

An explanatory statement as required under the Listing Rules to provide the requisite information regarding the Repurchase Mandate is set out in Appendix I to this circular. This contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolutions.

Pursuant to Bye-law 111(A) and 111(B) of the Bye-laws, Ms. Cao Chuan, Mr. Hu Xiaoming and Mr. Zou Zi Ping shall retire from office by rotation at the Annual General Meeting. Brief biographical details of the retiring Directors who are proposed to be re-elected at the Annual General Meeting are set out in Appendix II to this circular.

### 4. REFRESHMENT OF SCHEME LIMIT TO GRANT OPTIONS UNDER THE SHARE OPTION SCHEME

The Share Option Scheme was adopted by the Company on 23 November, 2001. The documented purpose of the Share Option Scheme is to recognise the contribution of the executives and employees to the Group by granting share options to them as incentives or rewards. As at the Latest Practicable Date, apart from the Share Option Scheme, there is no other scheme of arrangement for eligible participants to subscribe for Shares in the Company. Under the rules of the Share Option Scheme:

- (i) the maximum number of Shares which may be issued upon the exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other schemes of the Company cannot exceed 30% of the Shares in issue from time to time. No options may be granted under the Share Option Scheme or any other share option schemes of the Company if such grant would result in the above limit being exceeded;
- (ii) Subject to Shareholders' approval, the maximum number of Shares in respect of which options may be granted under the Share Option Scheme shall not exceed 10% of the Shares in issue at the date of the relevant approval; and
- (iii) The Scheme Limit may be refreshed by Shareholders in general meeting, on condition that the total number of Shares which may be issued upon exercise of all options to be granted under the Share Option Scheme and any other share option schemes of the Company under the Scheme Limit as refreshed shall not exceed 10% of the total number of Shares in issue as at the date of approval of the "refreshed" Scheme Limit, excluding any options previously granted (including those outstanding options lapsed or cancelled) in accordance with the terms of the Share Option Scheme and any other share option schemes of the Company.

---

## LETTER FROM THE BOARD

---

An aggregate of options to subscribe for 438,900,000 new shares in the Company have been granted under the Share Option Scheme since its adoption and 324,800,000 of these options have been exercised. As at the Latest Practicable Date, there were 114,100,000 outstanding Share options with the Company representing approximately 2.06% of the total issued share capital of the Company. None of the options granted under the Share Option Scheme was cancelled or lapsed.

Shareholders' approval will be sought in the forthcoming Annual General Meeting for the refreshment of the Scheme Limit. As at the Latest Practicable Date, the Company had 5,551,625,600 Shares in issue. Assuming no further issue or repurchase of Shares at any time up to the Annual General Meeting, upon refreshment of the Scheme Limit by shareholders at the Annual General Meeting, the Company may grant options entitling holders to subscribe for up to a maximum of 555,162,560 Shares, representing 10% of the total number of Shares in issue as at the date of Annual General Meeting.

The Directors consider that the Company should refresh the Scheme Limit so that the Company will provide more flexibility to provide incentives or rewards to participants for their contribution to the Group and/or enable the Group to recruit and retain high-calibre employees and attract human resource that are valuable to the Group.

Application will be made to the Stock Exchange for listing of, and permission to deal in, any Shares, representing a maximum of 10% of the Shares in issue at the Annual General Meeting which may fall to be issued upon the exercise of any option that may be granted under the Share Option Scheme and any other share option schemes of the Company.

The refreshment of the Scheme Limit is conditional upon:-

- (a) the Shareholders passing an ordinary resolution to approve the refreshment of the Scheme Limit at the Annual General Meeting; and
- (b) the Listing Committee granting the approval of the listing of, and permission to dealing the new shares to be issued, pursuant to the exercise of any option that may be granted under the Share Option Scheme under the refreshed Scheme Limit.

### **5. ANNUAL GENERAL MEETING AND PROXY ARRANGEMENT**

The notice convening the Annual General Meeting is set out on pages 16 to 20 of this circular. At the Annual General Meeting, resolutions will be proposed to approve the granting of the New Issue Mandate, the Repurchase Mandate and the Extension Mandate, the re-election of the retiring Directors, and the refreshment of the Scheme Limit.

A form of proxy for the Annual General Meeting is enclosed herewith for use at the Annual General Meeting. Whether or not you intend to be present at the Annual General Meeting, you are requested to complete the form of proxy in accordance with the instructions printed thereon and return it to the Hong Kong branch share registrar of the Company, Tricor Tengis Limited of 26th Floor, Tesbury Centre, 28 Queen's Road East, Wanchai, Hong Kong as soon as possible and in any event not less than 48 hours before the time fixed for the meeting or any adjournment thereof. ### 6. PROCEDURES BY WHICH A POLL MAY BE DEMANDED

At any general meeting of the Company, resolutions put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) demanded:

- (i) by the chairman of the meeting; or
- (ii) by at least three Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy for the time being entitled to vote at the meeting; or
- (iii) by any Shareholder or Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy and representing not less than one-tenth of the total voting rights of all the Shareholders having the right to vote at the meeting; or
- (iv) by any Shareholder or Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy and holding Shares in the Company conferring a right to vote at the meeting, being Shares on which an aggregate sum has been paid up which equals to not less than one-tenth of the total sum paid up on all the Shares conferring that right; or
- (v) if required by the rules of the stock exchange in the relevant territory, by any director or directors who, individually or collectively, hold proxies in respect of Shares representing five per cent. (5%) or more of the total voting rights at such meeting.

On a show of hands every Shareholder who is present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative), or by proxy shall (save as provided otherwise in this Bye-law) have one vote, and on a poll every Shareholder present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy, shall have one vote for every share of which he is the holder which is fully paid or credited as fully paid (but so that no amount paid or credited as paid on a share in advance of calls or installments shall be treated for the purposes of this Bye-law as paid on the Share). On a poll, a Shareholder entitled to more than one vote need not, if he votes, use all his votes or cast all his votes in the same way.

### 7. RECOMMENDATION

The Board believes that the resolutions for the New Issue Mandate, the Repurchase Mandate, the Extension Mandate, the re-election of the retiring Directors and the refreshment of the Scheme Limit are all in the best interest of the Company and the Shareholders as a whole. Accordingly, the Board recommends that the Shareholders vote in favour of all the resolutions to be proposed at the Annual General Meeting.

Yours faithfully,  
By order of the Board  
**Ng Leung Ho**  
*Chairman*

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information for Shareholders to consider the Repurchase Mandate.

#### **1. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 5,551,625,600 Shares.

Subject to the passing of the ordinary resolution for the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased by the Company prior to the Annual General Meeting, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 555,162,560 Shares (representing 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of the passing of the resolution granting the Repurchase Mandate).

#### **2. REASONS FOR REPURCHASE**

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders.

#### **3. FUNDING OF REPURCHASES**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Company's memorandum of association and Bye-laws and the applicable laws of Bermuda. Any repurchase of Shares must be funded out of the capital paid up on the repurchased shares or the funds of the Company which would otherwise be available for dividend or distribution, or out of the proceeds of a fresh issue of Shares. Any premium payable on the repurchase must be provided for out of the funds of the Company otherwise available for dividend or distribution or out of the Company's share premium account before the shares are repurchased.

There might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the latest published audited financial statements contained in the annual report for the year ended 31 March, 2008, in the event that the power to repurchase Shares pursuant to the Repurchase Mandate is to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels of the Company that in the opinion of the Directors are from time to time appropriate for the Company.

#### **4. UNDERTAKING**

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates, has any present intention to sell any Shares to the Company under the Repurchase Mandate if such is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate and in accordance with the Listing Rules and the applicable laws of Bermuda.

No connected person (as defined in the Listing Rules) has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

## **5. TAKEOVERS CODE**

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Mr. Ng Leung Ho held 960,000,000 Shares, representing approximately 17.29 per cent. of the total issued share capital of the Company through Golden Prince Group Limited, of which he beneficially owns the entire issued share capital. Mr. Ng Leung Ho was also personally interested in 14,000,000 Shares comprising 8,000,000 Shares and 6,000,000 underlying Shares in respect of share options granted by the Company to him for subscription of new Shares, representing approximately 0.25 per cent. of the total issued share capital of the Company. For the purpose of the Takeovers Code, Mr. Ng Leung Ho is taken to have an interest in a total of 974,000,000 Shares, representing 17.54 per cent. of the issued share capital of the Company.

On the basis that the issued share capital of the Company remains unchanged up to the date of the Annual General Meeting, in the event that the Repurchase Mandate is exercised in full, the attributable shareholding of Mr. Ng Leung Ho would be increased to approximately 19.49 per cent. of the total issued share capital of the Company. Accordingly, on the basis that Repurchase Mandate is exercised in full, the attributable shareholding of Mr. Ng Leung Ho shall remain at a level not exceeding 30 per cent. of the total issued share capital of the Company and he will not be obliged to make a mandatory offer under Rule 26 of the Takeovers Code.

However, the Directors have no intention to exercise the Repurchase Mandate to such an extent that would result in a mandatory offer being required under the Takeovers Code. The Directors also have no intention to exercise the Repurchase Mandate to such an extent that will result in the number of Shares in the hands of the public falling below the prescribed minimum percentage of 25 per cent.

Save as disclosed above, the Directors are not aware of any other condition that will trigger a mandatory offer under Rule 26 of the Takeovers Code as a result of the exercise of the Repurchase Mandate.

**6. SECURITIES REPURCHASES MADE BY THE COMPANY IN PREVIOUS SIX MONTHS**

During the period of six months preceding the Latest Practicable Date, the Company repurchased on the Stock Exchange a total of 47,870,000 Shares at an aggregate price of HK\$43,109,900. Details of the repurchases are as follows:
