
FORWARD-LOOKING STATEMENTS

We have included in this prospectus forward-looking statements that state our intentions, beliefs, expectations or predictions for the future, in particular, under the sections headed “Business”, “Future plans and use of proceeds” and “Financial information”.

In some cases, we use words such as “anticipate”, “believe”, “consider”, “estimate”, “expect”, “may”, “plans”, “prospects”, “will” and similar expressions to identify forward-looking statements. All statements other than statements of historical facts included in this prospectus, including statements regarding our strategy, projected costs and plans and objects of management for future operations, are forward-looking statements. Although we believe that the expectations reflected in those forward-looking statements are reasonable, we give no assurance that those expectations will prove to be correct, and you are cautioned not to place undue reliance on such statements. Important factors that could cause actual results to differ materially from our expectations are disclosed in this section and elsewhere in this prospectus. All forward-looking statements contained in this prospectus are qualified by this cautionary statement.
