### 1. Basis of Preparation

The condensed consolidated financial statements of the Group have been prepared in accordance with the applicable disclosure requirements set out in Appendix 16 to the Rules (the "Listing Rules") Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Stock Exchange") and with Hong Kong Accounting Standard 34 "Interim Financial Reporting" issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA").

### 2. Significant Accounting Policies

The condensed consolidated financial statements have been prepared using the historical cost basis as modified by the revaluation of held for trading investments.

A number of new or revised standards, amendments and interpretations are effective for the financial year beginning on 1 January 2009. Except as described below, the same accounting policies, presentation and methods of computation have been followed in these condensed consolidated financial statements as were applied in the preparation of the Group's annual audited consolidated financial statements for the year ended 31 December 2008.

*HKAS 1 (Revised) Presentation of Financial Statements  
(effective for annual periods beginning on or after 1 January 2009)*

HKAS 1 (Revised) has introduced a number of terminology changes (including revised titles for the condensed consolidated financial statements) and has resulted in a number of changes in presentation and disclosure. However, HKAS 1 (Revised) has had no impact on the reported results or financial position of the Group.

The following new or revised standards, amendments and interpretations in issue at the date of authorisation of these condensed consolidated financial statements have not been applied in the preparation of the Group's condensed consolidated financial statements for the Period since they were not yet effective for the annual period beginning on 1 January 2009:

- <sup>5</sup> Effective for transfers on or after 1 July 2009

The application of HKFRS 3 (Revised) may affect the Group’s accounting for business combination for which the acquisition date is on or after the beginning of the first annual reporting period beginning on or after 1 July 2009. HKAS 27 (Revised) will affect the accounting treatment for changes in the Company’s ownership interest in a subsidiary. No provision for taxation has been made in respect of the Company's subsidiaries operating in other jurisdictions as they did not have assessable profits for both periods.

## 7. Dividend

The Directors do not recommend the payment of an interim dividend for the Period (2008: Nil).

## 8. Loss Per Share

The calculation of the basic loss per share of the Company (the "Share") attributable to equity shareholders of the Company for the Period is based on the loss for the Period of HK\$2,253,000 (2008: HK\$2,025,000) and the weighted average number of 2,781,587,434 (2008: 2,174,555,701) Shares in issue.

## 9. Trade Payables, Accrued Charges and Other Payables

## 12. Convertible Notes

On 15 January 2008, the Company and Mr. Kan Che Kin, Billy Albert ("Mr. Kan"), an executive Director and the substantial shareholder of the Company, entered into a subscription agreement (the "Subscription Agreement") pursuant to which the Company had conditionally agreed to issue and Mr. Kan had conditionally agreed to subscribe for the zero-coupon and non-redeemable convertible notes (the "Convertible Notes") of the Company in an aggregate principal amount of HK\$358 million. The initial conversion price is HK\$0.0386 per Share. Assuming that the conversion rights attached to the Convertible Notes are exercised in full at the conversion price of HK\$0.0386 per Share, an aggregate of 9,274,611,398 Shares will be issued.

**12. Convertible Notes** (continued)

Completion of the Subscription Agreement took place on 13 February 2008 and the Convertible Notes were issued by the Company to Mr. Kan pursuant to the Subscription Agreement on the same day. The subscription price of the Convertible Notes of HK\$358 million was satisfied in part of approximately HK\$318 million by setting off the full amount of (i) the bank overdraft and borrowings of approximately HK\$256 million and the debt of approximately HK\$59 million due to a supplier which had been assigned to Mr. Kan; and (ii) the loan of approximately HK\$3 million advanced by Mr. Kan, against such amount of the subscription price of the Convertible Notes on a dollar for dollar basis. The remaining balance of the subscription price of approximately HK\$40 million was settled in cash, which was used as general working capital of the Group. The maturity date of the conversion rights attached to the Convertible Notes is 13 February 2013, being the date falling on the fifth anniversary from the date of issue of the Convertible Notes. In the event the compulsory conversion of the outstanding principal amount of the Convertible Notes on the maturity date would render the then issued Shares held in the public hands being less than the minimum public float as required under the Listing Rules from time to time, the Convertible Notes will be renewed automatically for successive term of one year commencing the day next after the expiry of the then current term of the Convertible Notes.

On 4 June 2009 and 22 June 2009, Mr. Kan exercised the conversion rights attached to the Convertible Notes in relation to the conversion of the principal amount of HK\$17,000,000 and HK\$60,000,000 of the Convertible Notes respectively and 440,414,507 Shares and 1,554,404,145 Shares were allotted and issued to Mr. Kan respectively. Save as disclosed, there was no other conversion thereafter during the Period and the outstanding principal amount of the Convertible Notes as at 30 June 2009 was HK\$241,000,000.

**13. Related Party Transactions**

- (a) Apart from the information as disclosed elsewhere in the condensed consolidated financial statements, the Group did not have other material transactions with its related parties during both periods.
- (b) *Compensation of key management personnel*

## **TO THE BOARD OF DIRECTORS OF ARTEL SOLUTIONS GROUP HOLDINGS LIMITED**

*(Incorporated in the Cayman Islands with limited liability)*

### **Introduction**

We have reviewed the interim financial information set out on pages 1 to 12, which comprises the condensed consolidated statement of financial position of Artel Solutions Group Holdings Limited as of 30 June 2009 and the related condensed consolidated statement of comprehensive loss, statement of changes in equity and statement of cash flows for the six-month period then ended, and certain explanatory notes. The Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited require the preparation of a report on interim financial information to be in compliance with the relevant provisions thereof and Hong Kong Accounting Standard (“HKAS”) 34 “Interim Financial Reporting” issued by the Hong Kong Institute of Certified Public Accountants (the “HKICPA”). The directors are responsible for the preparation and presentation of this interim financial information in accordance with HKAS 34. Our responsibility is to express a conclusion on this interim financial information based on our review, and to report our conclusion solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

### **Scope of review**

We conducted our review in accordance with Hong Kong Standard on Review Engagements 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity” issued by the HKICPA. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Hong Kong Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the interim financial information is not prepared, in all material respects, in accordance with HKAS 34.

## MANAGEMENT DISCUSSION AND ANALYSIS

### Business and financial review

During the Period, most customers of the Group had ceased business with the Group as they have been affected by the global financial crisis and the Group's tightened credit term. Furthermore, the computer related business has slowed down worldwide, therefore, the Group's turnover from trading of computer components and information technology products was only approximately HK\$260,000 (2008: approximately HK\$7,392,000), representing a decrease of approximately 96% compared with that of 2008.

The Group's negative turnover for the six months ended 30 June 2009 amounted to approximately HK\$766,000 and the Group recorded a gross loss of approximately HK\$1 million for the six months ended 30 June 2009. The gross loss mainly resulted from the net loss on investment in trading securities of approximately HK\$1,026,000 during the Period. In summary, the Group recorded a loss of approximately HK\$2,253,000 for the six months ended 30 June 2009.

On 2 January 2009, Key Fit, a wholly owned subsidiary of the Company, entered into the Agreement with BK Capital Limited for the acquisition of the Property at a consideration of HK\$7,000,000.

Subsequent to the end of the Period, on 30 July 2009, Key Fit disposed its interest of and in the Agreement and the Property at a consideration of HK\$7,900,000, resulting in a gain on the Disposal of HK\$900,000.

### Prospects

During the Period, the Group continued to look for new business opportunities that provide better returns for the shareholders of the Company. In addition to the existing principal activities of distribution of computer components and information technology products and trading of securities, the Group intended to invest in a coal company, which was established in the People's Republic of China (the "PRC").

On 12 June 2009, the Company has signed a framework agreement in relation to acquisition of 28.01% equity interest (the "Sale Interests") in 山西蘭花煤炭實業集團有限公司 (Shanxilanhua Coal Industrial Group Co. Ltd.) (the "Target") from two existing owners of the Target ("Target Vendors"). On 14 September 2009, another framework agreement (the "Framework Agreement II") in relation to acquisition of the Sale Interests was entered into between the Target and the Company. Pursuant to the Framework Agreement II, the Target shall procure the Target Vendors to negotiate with the Company the definitive terms regarding the transfer of the Sale Interests. The Company intends to take advantage of its fund raising capacity in the capital market of Hong Kong to invest in projects sourced by the Target for mutual interests and mutual developments, and will support the Target in projects in respect of, among others, tourism, pharmaceutical, nano materials and coal mining.

## MANAGEMENT DISCUSSION AND ANALYSIS (continued)

### Prospects (continued)

The Target has a diverse business portfolio covering coal mining, manufacturing and sale of chemical fertilizers, refined chemicals, pharmaceutical products and machinery, property development and tourism business. It has a controlling interest in 山西蘭花科技創業股份有限公司 (Shanxilanhua Sci-Tech Venture Co. Ltd.) (stock code: 600123), the shares of which are listed on the Shanghai Stock Exchange and it ranked among the top 10 Blue Chip Coal Mining Enterprises in the PRC.

As at the date of this report, no formal agreement in relation to the acquisition of the Sale Interests has been entered into. The acquisition of the Sale Interests will be financed by Mr. Kan, the controlling shareholder of the Company, and other fund raising activities. On 5 July 2009, the Company entered into a facility letter with Mr. Kan in respect of an unsecured demand loan facility of up to HK\$65 million.

The Board believes that the acquisition of the Sale Interests, if completed smoothly, will allow the Group to gain foothold in the lucrative energy sector in the PRC which has been growing at rocketing speed and broaden its income base. Riding on the proven track record and formidable assets base of the Target, the Group is confident that the investment will bring excellent returns to shareholders of the Company in the future.

### Liquidity and financial resources

The Group had total cash and bank balances of approximately HK\$33 million as at 30 June 2009 (31 December 2008: approximately HK\$31 million). Balance of other short-term borrowings were approximately HK\$2 million as at 30 June 2009 (31 December 2008: approximately HK\$2 million). The gearing ratio of the Group as at 30 June 2009 calculated as a ratio of total other loans to total assets was approximately 5.1% (31 December 2008: approximately 4.8%). Net assets were approximately HK\$27 million (31 December 2008: approximately HK\$29 million) as at 30 June 2009.

The Group recorded total current assets value of approximately HK\$40 million as at 30 June 2009 (31 December 2008: approximately HK\$42 million) and total current liabilities value of approximately HK\$13 million (31 December 2008: approximately HK\$13 million).
