Potential investors should read the prospectus dated 12 November 2009 (the "Prospectus") issued by Sany Heavy Equipment International Holdings Company Limited (the "Company") for detailed information about the Hong Kong Public Offering and the International Offering described below before deciding whether or not to invest in the Offer Shares thereby being offered.

Unless otherwise defined in this announcement, terms in this announcement shall have the same meanings as those defined in the Prospectus.

The Shares mentioned herein have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "Securities Act").

The Offer Shares may not be offered or sold in the United States except pursuant to registration or an exemption from the registration requirements of the Securities Act. No public offering of the securities will be made in the United States.

Hong Kong Exchanges and Clearing Limited, The Stock Exchange of Hong Kong Limited (the "Stock Exchange") and Hong Kong Securities Clearing Company Limited ("HKSCC") take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

Prospective investors of the Offer Shares should note that the Joint Bookrunners (on behalf of the other Hong Kong Underwriters) are entitled, in their absolute discretion, to terminate their obligations under the Hong Kong Underwriting Agreement by notice in writing to the Company, upon the occurrence of any of the events set out in the sections headed "Underwriting — Hong Kong Public Offering — Grounds for Termination" in the Prospectus, at any time prior to 8:00 a.m. (Hong Kong time) on the date on which dealings in the Shares first commence on the Stock Exchange (which is currently expected to be on Wednesday, 25 November 2009).

In connection with the Global Offering, The Hongkong and Shanghai Banking Corporation Limited (the "Stabilising Manager") and/or its affiliates or any persons acting for it, on behalf of the International Underwriters, may over-allocate or effect transactions with a view to stabilising or maintaining the market price of the Shares at a level higher than that which might otherwise prevail in the open market for a limited period commencing from the Listing Date. There is no obligation on the Stabilising Manager or any person acting for it to do this. Such stabilisation action, if commenced, will be conducted at the absolute discretion of the Stabilising Manager or any person acting for it and may be discontinued at any time, and is required to be brought to an end within 30 days of the last day for the lodging of Application Forms under the Hong Kong Public Offering. Such transactions may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws and regulatory requirements. The details of the intended stabilisation and how it will be regulated under the Securities and Futures (Price Stabilising) Rules of the SFO are contained in the Prospectus.

Potential investors should be aware that stabilising action cannot be taken to support the price of the Shares for longer than the stabilisation period which begins on the commencement of trading of the Shares on the Stock Exchange which is expected to be on Wednesday, 25 November 2009 and ends on the date which is the 30th day after the last day for the lodging of applications under the Hong Kong Public Offering. The stabilisation period is expected to expire on Thursday, 17 December 2009 after which announcement will be made pursuant to section 9 and schedule 3 of Securities and Futures (Price Stabilising) Rules and that after this date, when no further stabilising action may be taken, demand for the Shares, and therefore its market price, could fall.

In connection with the Global Offering, the Stabilising Manager may over-allocate up to and not more than an aggregate of 75,000,000 additional Shares (representing approximately 15% of the Offer Shares initially available under the Global Offering) at any time from the Listing Date up to (and including) the date which is the 30th day after the last day for lodging of Application Forms under the Hong Kong Public Offering and cover such over-allocations by exercising the Over-allotment Option on behalf of the International Underwriters (at the discretion of the Stabilising Manager), or by making purchases in the secondary market at prices or by a combination of purchase in the secondary market and a partial exercise of the Over-allotment Option. In the event that such Over-allotment Option is exercised, an announcement will be made.

A Standard Chartered group company

Application has been made by the Company to the Listing Committee of the Stock Exchange for the granting of the listing of, and permission to deal in, the Shares in issue and to be issued pursuant to the Global Offering (including any additional Shares which may be issued by the Company pursuant to the exercise of the Over-allotment Option) and any Shares which may be issued pursuant to options

which may be granted under the Share Option Scheme as described in Appendix VI of the Prospectus. Dealings in the Shares on the Main Board of the Stock Exchange are expected to commence at 9:30 a.m. on Wednesday, 25 November 2009. The Shares will be traded in board lots of 1,000 Shares each. Subject to the granting of the listing of, and permission to deal in, the Shares on the Main Board of the Stock Exchange as well as compliance with the stock admission requirements of HKSCC, the Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the Listing Date or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second business day (as defined in the Listing Rules) after any trading day. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. Applications of the Hong Kong Offer Shares will only be considered on the basis of the terms and conditions set out in the Prospectus and Application Forms. All necessary arrangements have been made for the Shares to be admitted into CCASS.

The Company is initially offering 500,000,000 Shares (subject to the Over-allotment Option) under the Global Offering, which consists of 50,000,000 Hong Kong Offer Shares (subject to adjustment) and 450,000,000 International Offer Shares (subject to adjustment and the Over-allotment Option), representing 10% and 90% of the total number of Shares initially available under the Global Offering, respectively. The allocation of the Shares between the Hong Kong Public Offering and the International Offering is subject to adjustment as stated in the paragraph headed “The Hong Kong Public Offering” under the section headed “Structure of the Global Offering” in the Prospectus.

The total number of the Shares available under the Hong Kong Public Offering (after taking into account of any reallocation referred to below) is to be divided into two pools for allocation purposes: 25,000,000 Shares in pool A and 25,000,000 Shares in pool B. The Shares in pool A will be allocated on an equitable basis to successful applicants who have validly applied for the Shares with an aggregate subscription price of HK\$5 million (excluding the brokerage, the SFC transaction levy and the Hong Kong Stock Exchange trading fee payable) or less. The Shares in pool B will be allocated on an equitable basis to successful applicants who have validly applied for the Shares with an aggregate subscription price of more than HK\$5 million and up to the total value of pool B (excluding the brokerage, the SFC transaction levy and the Hong Kong Stock Exchange trading fee payable). Applicants should be aware that applications in pool A and applications in pool B may receive different allocation ratios. If the Shares in one (but not both) of the pools are undersubscribed, the surplus Hong Kong Offer Shares will be transferred to the other pool to satisfy demand in that other pool and be allocated accordingly. For the purpose of this paragraph only, the “subscription price” for the Shares means the price payable on application therefore (without regard to the Offer Price as finally determined). Applicants can only receive an allocation of the Shares from either pool A or pool B but not from both pools.

In connection with the Global Offering, The Hongkong and Shanghai Banking Corporation Limited, as the Stabilising Manager, or any person acting for it, on behalf of the Underwriters, may over-allocate or effect transactions with a view to stabilising or maintaining the market price of the Shares at a level higher than that which might otherwise prevail in the open market for a limited period commencing from the Listing Date. There is no obligation on the Stabilising Manager or any person acting for it to do this. Such stabilization action, if commenced, will be conducted at the absolute discretion of the Stabilising Manager or any person acting for it and may be discontinued at any time, and is required to be brought to an end within 30 days of the last day for the lodging of Application Forms under the Hong Kong Public Offering. Such transactions may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws and regulatory requirements. The details of the intended stabilisation and how it will be regulated under the Securities and Futures (Price Stabilizing) Rules of the SFO are contained in the Prospectus. Potential investors should be aware that stabilising action cannot be taken to support the price of the Shares for longer than the stabilization period which begins on the commencement of trading of the Shares on the Stock Exchange which is expected to be on Wednesday, 25 November 2009 and ends on the date which is the 30th day after the last day for the lodging of Application Forms under the Hong Kong Public Offering. The stabilisation period is expected to expire on Thursday, 17 December 2009 and that after this date, when no further stabilising action may be taken, demand for the Shares, and therefore its market price, could fall. In connection with the Global Offering, the Stabilising Manager may over-allocate up to and not more than an aggregate of 75,000,000 additional Shares (representing 15% of the Offer Shares initially available under the Global Offering) at any time from the Listing Date up to (and including) the date which is the 30th day after the last day for lodging of Application Forms under the Hong Kong Public Offering and cover such over-allocations by exercising the Over-allotment Option of up to and not more than an aggregate of 75,000,000 additional Shares on behalf of the International Underwriters (at the discretion of the Stabilizing Manager in consultation with the Joint Global Coordinators), or by making purchases in the secondary market at prices or by a combination of purchase in the secondary market. In the event that such Over-allotment Option is exercised, an announcement will be made.

The Offer Price is expected to be fixed by agreement between the Joint Global Coordinators (on behalf of the Underwriters) and the Company on the Price Determination Date. The Price Determination Date is expected to be on or about Wednesday, 18 November 2009, and in any event, no later than Tuesday, 24 November 2009. The Offer Price will not be more than \$4.80 per Offer Share and is expected to be not less than HK\$4.10 per Offer Share. The Offer Price is expected to fall within the Offer Price range as stated in the Prospectus unless otherwise announced, as further explained below, at any time prior to the morning of the last day for lodging applications under the Hong Kong Public Offering. Applicants for Hong Kong Offer Shares are required to pay, on application, the maximum Offer Price of HK\$4.80 for each Shares together with brokerage fee of 1%, SFC transaction levy of 0.004% and Stock Exchange trading fee of 0.005%. The Joint Global Coordinators, on behalf of the Underwriters, may, where considered appropriate, based on the level of

interest expressed by prospective professional, institutional and other investors during the book-building process, and with the consent of the Company, reduce the number of Offer Shares being offered under the Global Offering and/or the indicative Offer Price range below that stated in the Prospectus at any time prior to the morning of the last day for lodging applications under the Hong Kong Public Offering. In such a case, the Company will, as soon as practicable following the decision to make such reduction, and in any event not later than the morning of the last day for lodging applications under the Hong Kong Public Offering, cause to be published in the South China Morning Post (in English) and The Hong Kong Economic Times (in Chinese) an announcement for the reduction in the number of Offer Shares being offered under the Global Offering and/or the indicative Offer Price range. Such announcement will also be available at the websites of the Stock Exchange at www.hkexnews.hk and the Company at www.sanyhe.com. Upon issue of such announcement, the number of Offer Shares and/or the revised Offer Price range will be final and conclusive and the Offer Price, if agreed upon with the Company, will be fixed within such revised Offer Price range. Such announcement will also include confirmation or revision, as appropriate, of the offering statistics as currently set out in the section headed “Summary” in the Prospectus and any other financial information which may change as a result of such reduction. If applications for Hong Kong Offer Shares have been submitted, then even if the number of Offer Shares and/or the Offer Price range is so reduced such applications cannot be subsequently withdrawn. In the absence of any announcement being published in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) of a reduction in the number of Offer Shares and/or the indicative Offer Price range stated in the Prospectus on or before the morning of the last day for lodging applications under the Hong Kong Public Offering, the number of Hong Kong Offer Shares and/or the Offer Price, if agreed upon with the Company, will under no circumstances be fewer than the number of Offer Shares or be set outside the Offer Price range as stated in the Prospectus. If the Company and the Joint Global Coordinators (on behalf of the Underwriters) are unable to reach agreement on the Offer Price, the Global Offering will not proceed and will lapse.

Acceptance of the applications for the Hong Kong Offer Shares is conditional upon fulfillment of the conditions as stated in the section headed “Structure of the Global Offering” — “The Global Offering” — “Conditions of the Global Offering” in the Prospectus. If the conditions are not fulfilled or waived prior to the times and dates specified, all application monies received from applicants under the Hong Kong Public Offering will be refunded, without interest, on the terms set out under the section headed “Refund of your money” on the Application Forms and the paragraphs headed “Refund of Application Monies” and “Despatch/Collection of Share Certificates/e-Refund Payment Instructions/Refund Checks” under the section headed “How to Apply for the Hong Kong Shares”.

Only one application on a **WHITE** or **YELLOW** application form or by way of giving electronic application instructions to HKSCC or CCASS or through the **White Form eIPO** service may be made for the benefit of any person. Each applicant under the Hong Kong Public Offering will also be required to give an undertaking and confirmation in the application submitted by him that he and any person(s) for whose benefit he is making the application have not indicated an interest for or taken up and will not indicate an interest for or take up any Shares under the International Offering, and such applicant's application will be rejected if the undertaking and/or confirmation is breached and/or untrue (as the case may be), or it has been or will be placed or allocated Offer Shares under the International Offering.
