Executive Directors

Mr. SUN Hongbin, aged 46, is Chairman, Chief Executive Officer and an executive Director of our Company. Mr. Sun is primarily responsible for leading the strategic planning and business development of our Group. Together with other members of the senior management, Mr. Sun also oversees all key aspects of the operations of our Group, including financial management, land acquisitions as well as project development.

Education Background and Work Experience

Mr. Sun obtained a master's degree in engineering from Tsinghua University in 1985. In 2000, Mr. Sun completed an advanced management program at Harvard Business School. Mr. Sun has accumulated numerous years of management experience in real estate-related businesses in China. From 1987 to 1990, Mr. Sun worked for Beijing Legend Computer Group Co. (北京聯想計算機集團公司) ("Legend"), or currently known as Legend Holdings Limited, the controlling shareholder of the Lenovo Group Limited, whose shares are listed on the Main Board of the Stock Exchange. In 1995, he founded Sunco (China) Real Estate Network Group Co., Ltd. (順馳(中國)不動產網絡集團有限公司) ("Sunco Network"), which is a large chain company providing agency services for the sale and purchase of real estate properties in China's secondary market. Sunco Network attracted investments from SB Asia Investment Fund II, L.P., SAIF Venture Capital Investment Growth Fund, Carlyle Asia Venture Partners II, L.P. and CAVP II Co-Investment, L.P. as shareholders in 2005, and Mr. Sun currently holds a 55.5% interest in Sunco Network. In 1995, Mr. Sun established Tianjin Sunco Investment Company Limited (天津順馳投資有限公司), which was engaged in commodity housing development in China, and subsequently established Sunco China Holdings Limited ("Sunco China") and its subsidiaries (collectively, the "Sunco Group"), holding real estate development projects in various cities across the country. Mr. Sun was a non-executive director of Sunco China prior to

DIRECTORS, SENIOR MANAGEMENT AND EMPLOYEES

August 2004. In August 2004, Mr. Sun relinquished his directorship of Sunco China and acted only as its controlling shareholder. The Sunco Group was restructured in 2006 into Sunco Property Holdings Company Limited ("Sunco A") and Sunco Real Estate Investment Limited ("Sunco B"), both held by Sunco China and another company controlled by Mr. Sun, in connection with the disposal of a substantial part of the Sunco Group's assets, while Mr. Sun resumed his directorship of Sunco China in May 2006. Mr. Sun currently retains only a 5.26% interest in Sunco A, through Sunco China and another company controlled by him, and does not own any interest in Sunco B. Mr. Sun currently does not hold any directorship of Sunco A or Sunco B.

Previous Charge Against and Retrial of Mr. Sun

In August 1992, Mr. Sun, as a former employee of Legend, was convicted by the Haidian District Court of Beijing Municipality of misappropriation of funds in the amount of RMB130,000. The conviction was later overturned in 2003 as described below. According to the court ruling in August 1992, the conviction was based upon the transfers of corporate funds of Legend to a third party by Mr. Sun without due authorization. Such transfers of funds took place during the period from May 1989 to October 1989 when Mr. Sun was a manager at the corporate department of Legend, whose responsibilities included setting up and managing branch companies in various locations across the PRC. The third party was found to have subsequently used the funds for his own personal use and made profits for his ownself. Mr. Sun was sentenced to a five-year term of imprisonment and had served his sentence beginning in August 1992. He was later granted remission of sentence and was released in March 1994.

In October 2003, the conviction was overturned upon Mr. Sun's appeal that the court of first instance had erred on both the application of law and findings of facts. The retrial court held that the conviction was erroneous and found that Mr. Sun's action did not constitute misappropriation of funds due to the absence of any intent from Mr. Sun to derive any personal gain from, or to benefit the third party with, the transfers of funds. Further, the third party had not obtained Mr. Sun's permission or authorization before using the funds for his own personal use and benefit. The retrial court also found that Mr. Sun's intention for such transfers of funds was indeed to streamline Legend's branch company operations and that Mr. Sun had requested permission from his supervisor at the time before such transfers of funds. Nonetheless, the retrial court affirmed that Mr. Sun's acts were in breach of Legend's internal financial management system. We have been advised by our PRC Legal Advisors that pursuant to the relevant requirements under PRC law, the relevant individual has the right to lodge an appeal with the relevant court by submitting a writ of summons stating the facts and reasons and/or the relevant evidence for the appeal and there is no time limit for lodging an appeal if there appears to be an error in the application of the law or in the determination of facts in the original judgment which may possibly result in the order of an acquittal of the appellant. Accordingly, our PRC Legal Advisors are of the view that the lodging of an appeal by Mr. Sun in 2003 and the acceptance for retrial by the court were not in contravention of PRC law.

Development and Management of the Sunco Group

Mr. Sun founded the Sunco Group and was a non-executive director of Sunco China prior to August 2004. He was primarily involved in devising the strategic planning and setting, or adjusting, the overall policy and goals for development of the Sunco Group's business. In 2003, Mr. Sun directed the Sunco Group to embark on a rapid expansion strategy in light of developments in the PRC property market and in preparation for the Sunco Group's proposed

DIRECTORS, SENIOR MANAGEMENT AND EMPLOYEES

listing on the Stock Exchange in 2004. As a result, the Sunco Group had rapidly increased its landbank and the pace of construction of its projects, both of which required a large amount of capital.

However, due to austerity measures implemented in PRC in late 2004 leading to the market downturn, among other factors, the Sunco Group's business was adversely affected. Aggravated by the aborted listing plan in late 2004, the Sunco Group's cash flow position deteriorated significantly. This resulted in the Sunco Group's need to raise additional capital to meet its substantial amount of debt obligations and other liabilities in late 2006. While Mr. Sun, as a non-executive director of Sunco China, had not actively participated in the day-to-day management of the Sunco Group prior to 2004 and the day-to-day management of the large number of property development projects was delegated to, and vested with, the senior management of the individual project companies, Mr. Sun's decision in favor of the Sunco Group's rapid expansion strategy did contribute to the high leverage and tight liquidity of the Sunco Group as a result of the adverse cash flow and debt positions. In August 2004, Mr. Sun relinquished his directorship of Sunco China and remained only as its controlling shareholder. During the period from 2006 to 2007, a substantial part of the Sunco Group's assets was disposed of. In mid 2007, a 94.74% interest in Sunco A was sold to a subsidiary of Road King Infrastructure Limited ("Road King"), whose shares are listed on the Stock Exchange (Stock Code: 1098), and other independent third parties. The entire interest in Sunco B was acquired by an independent third party at around the same time, which gave rise to the litigation involving Mr. Sun as described below.

Litigation Involving Mr. Sun Relating to the Disposal of Sunco Group's Assets

In or around October 2007, Road King, through its non-wholly owned subsidiary at the time, Sunco A, as first plaintiff ("First Plaintiff"), and another party ("Second Plaintiff") initiated civil proceedings (High Court Action 2145/2007) (the "RK Litigation") against two companies beneficially owned by Mr. Sun, namely, Sunco China Holdings Limited as first defendant ("First Defendant") and Sunco Management Holdings Limited as second defendant ("Second Defendant") and Mr. Sun as third defendant.

The RK Litigation related to an option agreement dated January 23, 2007 ("Option Agreement") made among First Plaintiff as investor, First Defendant and Second Defendant as the original shareholders of Sunco B and Mr. Sun as guarantor, pursuant to which First Defendant and Second Defendant granted to First Plaintiff the right (the "Option") to request the transfer of all issued shares of Sunco B to First Plaintiff (or a third party nominated by First Plaintiff) at an agreed exercise price (the "Disposal"). At the time, Sunco B was the holding company of, among others, six subsidiaries carrying on property development projects in major cities of the PRC ("Sunco B Subsidiaries," together with Sunco B, collectively the "Sunco B Group"). The Option was subsequently exercised by Sunco A in favor of Second Plaintiff (as actual transferee). At around the same time, all issued shares in Sunco B were acquired by Second Plaintiff.

The plaintiffs' claims against the defendants in the RK Litigation were for loss and damages suffered as a result of the alleged breach by First Defendant and Second Defendant of certain representations and warranties given by them in the Option Agreement relating to Second Plaintiff's acquisition of the Sunco B Group through the exercise of the Option. The claims arose from liabilities alleged not to have been disclosed by First Defendant and Second Defendant to the plaintiffs in the Option Agreement.

DIRECTORS, SENIOR MANAGEMENT AND EMPLOYEES

The amount sought in the claims was approximately RMB614 million (or alternatively, damages to be assessed), plus interests and costs, with details as follows:

- Undisclosed litigation leading to a further liability for RMB3,424,299;
- Undisclosed outstanding construction costs amounting to RMB186,291,211;
- Unsettled construction claims for liability amounting to RMB61,881,671;
- Undisclosed penalty for the alleged violation of the Tianjin Urban Planning Regulations amounting to RMB356,849,650;
- Undisclosed tax liability for lack of invoices amount to RMB2,569,580; and
- Undisclosed potential liability amounting to RMB3,000,000.

In January 2008, First Defendant and Second Defendant (as plaintiffs) filed a writ of summons to counterclaim against First Plaintiff and Second Plaintiff (as defendants) (“Sun’s Declaration Proceedings”), seeking, among other things, the following declarations on the basis of certain unlawful and fraudulent acts alleged to have been perpetrated by, or on behalf of, First Plaintiff resulting in the transfer of the Sunco B Subsidiaries to Sunco A’s subsidiary by unlawful or fraudulent means:

- Sunco A is not entitled to exercise the Option, has not validly or lawfully exercised the Option or has not completed the purchase of the entire issued share capital of Sunco B; and
- Sunco B remains the true owner and holder of the share capital of the Sunco B Subsidiaries.

Pursuant to the Order made by Honorable Mr. Justice Sakhrani dated April 14, 2008, the RK Litigation and Sun’s Declaration Proceedings were consolidated. The RK Litigation is still proceeding and is currently at the stage of preparation of witness statements.

None of the claims in the RK Litigation against the defendants involves any allegation of criminality (such as fraud), misconduct in the management on Mr. Sun’s part, or any allegation on breach of fiduciary duty or professional misconduct. In addition, none of the companies in our Group is a party to the litigation, and the subject of dispute in the RK Litigation does not involve any asset or company forming part of our Group. On August 31, 2009, Mr. Sun signed a deed of undertaking, pursuant to which he undertook to the Company and the Joint Sponsors (among others) that he would not dispose of his Shares after the Listing for the purpose of satisfying the claims (if so held liable) and would ensure that his asset portfolio contains sufficient assets other than his Shares to satisfy any such claims.

Mr. Sun’s Interest in the Group’s Projects Not Included in the Disposal

Given that Mr. Sun’s interest in the property development projects held by Yingxin Xinheng, the predecessor of our Group, was not included in the Disposal and his involvement in such other property development businesses that were conducted through Yingxin Xinheng was made known to Road King at the time of the Disposal, no non-competition undertaking was given by Mr. Sun to Road King in connection with the Disposal.
