MANAGEMENT DISCUSSION AND ANALYSIS

Caution regarding forward-looking statements

This Management Discussion and Analysis ("MD&A") contains forward-looking statements which are subject to risks and uncertainties and other factors that may cause the Company's results to differ materially from expectations. Actual results may differ materially from those expressed or implied by such forward-looking statements. When reviewing the Company's forward-looking statements, investors and others should carefully consider the foregoing factors and other uncertainties and potential events. These include risks relating to market fluctuations, investee performance, foreign exchange fluctuations and other risks. These forward-looking statements speak only as of the date hereof. Unless otherwise required by applicable securities laws, the Company disclaims any intention or obligation to update these forward-looking statements. The Company does not have an ongoing obligation to disclose material information as it becomes available.

Business review

For the six months ended 30th June, 2010, the Group recorded a turnover of HK\$9,128,004 as compared to HK\$4,749,799 in the same period last year, representing a 92% increase.

Interest income was HK\$2,160,727 as compared to HK\$249,799 in the same period last year, representing an increase of 765%. Dividends received from investments was HK\$6,967,277 as compared to HK\$4,500,000 in the same period last year, representing an increase of 55%. Net realised gain on disposals of listed investments amounted to HK\$13,230,926 as compared to HK\$7,158,339 in the same period last year, representing an increase of 85%.

With the general downturn of the global stock markets in the second quarter of 2010, the Group recorded a net unrealised loss on listed securities of HK\$10,336,066 for the six months ended 30th June, 2010 as compared to the substantial net unrealised gain of HK\$133,357,913 in the same period last year.

However, the Group managed to dispose some private investments resulting in a net realised gain of HK\$11,500,980 during the period.

The Group's profit before income tax amounted to HK\$21,908,343 as compared to HK\$109,507,775 in the same period last year, representing a 80% decrease. The profit attributable to owners of the Company was HK\$21,740,726 as compared to HK\$93,329,804 in the same period last year, representing a 77% decrease.

Prospects & Future Plan

The six months ended 30th June, 2010 has been a challenging period for the Group. The European financial crisis have had a great impact on the performances of the Group. Despite the slowdown and fluctuations in the stock markets, the Group believes that by prudently disposing stocks that are profitable and investing in selective stocks, it will ride out of this period strongly.

As part of its investment strategy, the Group followed a cautious approach, but at the same time kept a close look at undervalued private companies/businesses/ shares that have high potential returns.

The Group will continue to focus on its core investment pursuits in the fields of resources and real estate investments in Asia and the greater China region as these two business sectors are expected to demonstrate continuous strong growth and capital appreciation.

Financial review

Liquidity and financial resources

The Group had available bank balances and cash of HK\$77,626,460 (31st December, 2009: HK\$98,065,356) which were mainly placed with banks as time deposits. Bank balances and cash held by the Group are mainly denominated in Hong Kong dollars.

The Group had shareholders' funds of HK\$299,865,832 at 30th June, 2010 compared to HK\$277,500,594 at 31st December, 2009, representing a 8% increase.

At present, the Group has unutilised banking facilities of HK\$3,000,000 and requires no borrowings for investment and capital expenditures. The interest rate charged on the banking facilities is 2% per annum over the Prime Lending Rate or 2% per annum over the prevailing overnight Hong Kong Interbank Offered Rate, whichever is higher.

As at 30th June, 2010, the Group had no borrowing.

The Group did not have capital expenditure commitment as at 30th June, 2010.

Capital Structure

There was no significant change in the Group's capital structure for the six months ended 30th June, 2010.

Other than 988,000 share options expired on 30th April, 2010, no share options were granted, exercised, lapsed or cancelled under the share option scheme, adopted by the Company at annual general meeting on 28th June, 2005, during the period.

Significant investments held and their performance

For the six months ended 30th June, 2010, due to the increase in the participation of the secured financial projects, the Group received interest income in the aggregate amount of HK\$2,160,727 as compared to HK\$249,799 in the same period last year, representing a 765% increase. Dividend income generated from the investments was HK\$6,967,277 for the six months ended 30th June, 2010 as compared to HK\$4,500,000 in the same period last year, representing a 55% increase. Turnover was HK\$9,128,004 for the six months ended 30th June, 2010 as compared to HK\$4,749,799 in the same period last year, representing a 92% increase. With the general downturn of the global stock markets in the second guarter of 2010, the Group recorded a net unrealised loss on listed securities of HK\$10,336,066 as compared to the substantial unrealised gain of HK\$133,357,913 in the same period last year. In addition, the Group recorded an unrealised gain of HK\$6,991,713 on derivative financial instruments during the interim period. The Group disposed of certain of its publicly traded securities to obtain a net realised gain of HK\$13,230,926 (2009: HK\$7,158,339). An impairment loss on an unlisted investment of HK\$2,000,000 was made during the interim period. Besides that, the Group also disposed two unlisted investments with a net realised gain of HK\$11,500,980. Total revenue for the six months ended 30th June, 2010 was HK\$28,518,472 (2009: HK\$118,052,764).

For the six months ended 30th June, 2010, the profit before income tax was HK\$21,908,343 as compared to HK\$109,507,775 in the same period last year, representing a 80% decrease. The profit attributable to owners of the Company was HK\$21,740,726 as compared to HK\$93,329,804 in the same period last year, representing a 77% decrease.

As at 30th June, 2010, the Group's unlisted investments, which comprised available-for-sale financial assets and loans and receivables, was HK\$103,183,223 as compared to HK\$117,168,628 as at 31st December, 2009, representing a 12% decrease. Such decrease was the net result of: (1) increase in the fair value of the Group's available-for-sale financial assets by HK\$4,530,373; (2) investment of HK\$11,000,000 in an investee company by way of equity of HK\$5,000,000 and convertible bond of HK\$6,000,000; (3) disposals of two investments in the amount of HK\$24,000,001; (4) conversion of convertible bonds, of which the debt element in available-for-sale financial assets was HK\$14,863,057, into listed securities; (5) advance to the investee companies of HK\$788,000; and (6) repayment of loans of HK\$989,706 received from two investee companies.

As at 30th June, 2010, accounts receivable and prepayments was HK\$64,275,020 as compared to HK\$17,810,465 as at 31st December, 2009, representing a 261% increase. Such increase was primarily due to: (1) the Group recording receivables in the amount of HK\$23,736,410 as a result of the disposals of certain listed and unlisted securities; (2) participation in the amount of HK\$38,500,000 in three financing projects with accrued interest of HK\$1,161,644; (3) the repayment of accounts receivable and interest receivable of the last year in the amount of HK\$16,979,262; and (4) increase in other prepayment of HK\$45,763.

Employees and remuneration policies

As at 30th June, 2010, the Group employed a total of 9 full-time employees, including the directors of the Group. Employees' remuneration are fixed and determined with reference to the market remuneration.

Segment information

Management consider the Group has only one segment i.e. investment holding. Accordingly, the Group's turnover, other revenue, other gains and losses, profit for the period, and total assets are attributable to the segment of investment holding.

Seasonality/cyclicality of interim operation

Management is not aware of any significant seasonal and cyclical factors which affect the Group's operations and interim results.

Exposures to fluctuations in exchange rates and related hedges

The Group has no significant exposures to fluctuations in foreign exchange rates and, therefore, did not employ any financial instruments to hedge such exposures.

Contingent liabilities

As at 30th June, 2010, the Group has no significant contingent liabilities.

Risk Factors

This MD&A contains forward-looking statements that involve risks and uncertainties (see Caution Regarding Forward-Looking Statements at the beginning of the MD&A). There are also various risks associated with the Company's activities, which could affect its business. Certain of those risks are described below but they are not the only ones facing the Company. Additional risks not currently known to us or that we currently deem immaterial may also impair the Company's business. Economic conditions and market factors such as volatility in the Chinese, Hong Kong and international markets, foreign exchange rates, interest rates, market prices, trading volumes and liquidity can have a significant impact on the Company's business, financial condition, and profitability. Additionally, the Company's business can experience considerable variations in revenue and net income from quarter to quarter, and year to year, due to the risk factors discussed above. These factors are beyond the Company's control and, as a result, revenue and net income will fluctuate, as they have historically.

PURCHASE, SALE OR REDEMPTION OF SHARES

The Company did not redeem any of its shares during the period ended 30th June, 2010. Neither the Company nor any of its subsidiaries has purchased or sold any of the Company's shares during the period.

NOTES TO THE UNAUDITED INTERIM FINANCIAL STATEMENTS

1. Basis of preparation

The unaudited condensed consolidated interim financial statements ("interim financial statements") are prepared in accordance with International Accounting Standard 34 "Interim Financial Reporting" issued by the International Accounting Standards Board.

The interim financial statements should be read in conjunction with the annual financial statements for the year ended 31st December, 2009. The accounting polices and methods of computation used in the preparation of these interim financial statements are consistent with those used in the annual financial statements for the year ended 31st December, 2009.

2. Turnover, other revenue and other gains and losses

The Group principally invests in securities listed on recognised stock exchanges and unlisted securities, including equity securities and convertible bonds issued by corporate entities. Turnover, other revenue and other gains and losses recognised during the period are as follows:

2. Turnover, other revenue and other gains and losses (continued)

Management considers the Group has only one business segment i.e. investment holding. Accordingly, the Group's turnover, other revenue, other gains and losses, profit for the period, and total assets are attributable to the segment of investment holding.

3. Profit before income tax

Profit before income tax has been arrived at after charging the following:

5. Dividend

The Board do not recommend payment of any interim dividend for the six months ended 30th June, 2010 (2009: HK10 cents per share, totaling HK\$3,905,861).

6. Earnings per share

The calculation of basic and diluted earnings per share is as follows:

Six	months	ended	30th	June,
-----	--------	-------	------	-------

	2010 (Unaudited) <i>HK\$</i>	2009 (Unaudited) <i>HK</i> \$
Profit attributable to owners of the Company	21,740,726	93,329,804

	HK cents	HK cents
Basic earnings per share	55.66	239.29
Diluted earnings per share	55.66	239.29

Basic earnings per share is calculated by dividing the profit attributable to owners of the Company by the weighted average number of the ordinary shares in issue during the period.

Diluted earnings per share for the period is the same as the basic earnings per share as the effect of the assumed conversion of the outstanding share options is anti-dilutive.

The nominal amount of the ordinary shares amounting to HK\$39,058,615 is HK\$1 more than the amount calculated based on the 39,058,614 ordinary shares of HK\$1 each in issue as the fractional shares arising from the Company's share consolidation on 14th December, 2006 had not been issued to its then shareholders.

11. Share Option Scheme

The Company has adopted a share option scheme (the "Share Option Scheme") at its annual general meeting held on 28th June, 2005. All directors (including executive directors, non-executive directors and independent non-executive directors) and employees of the Company and its subsidiaries and consultants, advisors, agents, customers, service providers, contractors, business partners of any member of the Group or any member of it has a shareholding interest, in the sole discretion of the Board, has contributed to the Group or any member of it are eligible to participate in the Share Option Scheme.

Each option gives the holder the right to subscribe for one ordinary share in the Company. Upon acceptance of the options, the grantee shall pay HK\$1 to the Company by way of consideration for the grant.

An option may be exercised at any time during a period as the Board may determine which shall not be more than ten years from the date of grant of the option subject to the provisions of early termination thereof. Unless otherwise determined by the Board at its sole discretion, the Share Option Scheme does not require a minimum period for which an option must be held nor a performance target which must be achieved before an option can be exercised.

11. Share Option Scheme (continued)

The Share Option Scheme will remain in force for a period of ten years from 28th June, 2005. The total number of shares of the Company which may be issued upon exercise of all options to be granted under the Share Option Scheme shall not in aggregate exceed 3,900,261 shares of the Company, being approximately 10% of the issued shares of the Company at the date of refreshment of the 10% mandate limit of the Share Option Scheme at the annual general meeting held on 27th May, 2009.

Details of the share options granted under the Share Option Scheme during the six months ended 30th June, 2010 are as follows:

On 8th April, 2010, the Company entered into a new investment management agreement with HAML, a company which is wholly-owned by a director of the Company, Dr. Chow Pok Yu Augustine. Under the new investment agreement, HAML has agreed to assist the Board with the day-to-day management of the Group for additional three years until 31st May, 2013. In accordance with the new investment management agreement, HAML is entitled to a monthly management fee calculated at 1.5% per annum on the net asset value of the Group of the preceding month and an incentive fee calculated at 10% of the audited net profit of a financial year (before accrual of the incentive fee) subject to an aggregate cap of HK\$9,057,158 for the period from 1st June, 2010 to 31st December, 2010. The caps of the management fees and the incentive fee under the original investment management agreement with HAML, which expired on 31st May 2010, were HK\$4,042,670 and HK\$2,729,170 for the five months ended 31st May, 2010, respectively. Dr. Chow Pok Yu Augustine, being a beneficial shareholder of HAML, was interested in these agreements during the period.

13. Lease commitments

At 30th June, 2010, the Group had future aggregate minimum lease payments under non-cancellable operating leases in respect of land and buildings as follows:

Within one year

The Group leases an office under operating leases. The leases typically run from an initial period of one to three years, with an option to renew the lease after that date at which time all terms are renegotiated.

14. Approval of the unaudited interim financial statements

The unaudited interim financial statements were approved and authorised for issue by the Board on 13th August, 2010.
