NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

For the six months ended 30 September 2010

(1) BASIS OF PREPARATION

The condensed consolidated financial statements have been prepared in accordance with the applicable disclosure requirements of Appendix 16 to the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (“Listing Rules”) and with the Hong Kong Accounting Standard (“HKAS”) 34 “Interim Financial Reporting” issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”).

(2) PRINCIPAL ACCOUNTING POLICIES

The condensed consolidated financial statements have been prepared on the historical cost basis except for certain investment properties and financial instruments, which are measured at fair values, as appropriate.

The accounting policies used in the condensed consolidated financial statements are consistent with those followed in the preparation of the Group’s annual financial statements for the year ended 31 March 2010, except as described below.

In the current interim period, the Group has applied, for the first time, a number of new and revised standards, amendments and interpretations (“new and revised HKFRSs”) issued by the HKICPA.

HKFRS 3 (Revised) “Business Combinations” and HKAS 27 (Revised) “Consolidated and Separate Financial Statements”

The Group applies HKFRS 3 (Revised) Business Combinations prospectively to business combinations for which the acquisition date is on or after 1 April 2010. The requirements in HKAS 27 (Revised) Consolidated and Separate Financial Statements in relation to accounting for changes in ownership interests in a subsidiary after control is obtained and for loss of control of a subsidiary are also applied prospectively by the Group on or after 1 April 2010.

As there was no transaction during the current interim period in which HKFRS 3 (Revised) and HKAS 27 (Revised) are applicable, the application of HKFRS 3 (Revised), HKAS 27 (Revised) and the consequential amendments to other HKFRSs had no effect on the condensed consolidated financial statements of the Group for the current or prior accounting periods.

Results of the Group in future periods may be affected by future transactions for which HKFRS 3 (Revised), HKAS 27 (Revised) and the consequential amendments to the other HKFRSs are applicable.

(2) PRINCIPAL ACCOUNTING POLICIES (continued)

Amendment to HKAS 17 “Leases”

As part of Improvements to HKFRSs issued in 2009, HKAS 17 “Leases” has been amended in relation to the classification of leasehold land. Before the amendments to HKAS 17, lessees were required to classify leasehold land as operating leases and present them as prepaid lease payments in the condensed consolidated statement of financial position. The amendment has removed such a requirement. The amendment requires the classification of leasehold land to be based on the general principles set out in HKAS 17, that is, whether or not substantially all the risks and rewards incidental to ownership of a leased asset have been transferred to the lessee.

In accordance with the transitional provisions set out in the amendment to HKAS 17, the Group reassessed the classification of unexpired leasehold land as at 1 April 2010 based on information that existed at the inception of the leases. Leasehold lands which met finance lease classification have been reclassified from prepaid lease payments to property, plant and equipment retrospectively, resulting in a reclassification from prepaid lease payments with a previous carrying amount of HK\$226,318,000 at 1 April 2009 to property, plant and equipment that are measured at cost model. No profit or loss items are affected as a result of the reclassification.

The effect of changes in accounting policies described above on the financial positions of the Group as at 31 March 2010 is as follows:

	As at 31 March 2010 (Originally stated) HK\$'000	Adjustments HK\$'000	As at 31 March 2010 (Restated) HK\$'000
Property, plant and equipment	131,551	212,192	343,743
Prepaid lease payments	226,827	(212,192)	14,635
	<hr/>	<hr/>	<hr/>
Total effects on net assets	358,378	—	358,378
	<hr/> <hr/>	<hr/> <hr/>	<hr/> <hr/>

(2) **PRINCIPAL ACCOUNTING POLICIES** (continued)

The effect of changes in accounting policies described above on the financial positions of the Group as at 1 April 2009 is as follows:

	As at 1 April 2009 (Originally stated) <i>HK\$'000</i>	Adjustments <i>HK\$'000</i>	As at 1 April 2009 (Restated) <i>HK\$'000</i>
Property, plant and equipment	118,267	226,318	344,585

	<u> </u>	<u> </u>	<u> </u>
Total effects on net assets	<u>374,791</u>	<u>—</u>	<u>374,791</u>

The application of other new and revised HKFRSs had no effect on the condensed consolidated financial statements of the Group for the current or prior accounting periods.

The Group has not early applied new and revised standards, amendments or interpretations that have been issued but are not yet effective. The directors of the Company anticipate that the application of other new and revised standards, amendments or interpretations will have no material impact on the results and the financial position of the Group.

BUSINESS REVIEW

The Group's turnover for the six months ended 30 September 2010 was HK\$639,756,000 as compared with HK\$529,396,000 over the same period last year. Net profit for the six months ended 30 September 2010 was HK\$68,371,000 as compared with HK\$62,749,000 over the same period in 2009.

During the period under review, the profit margin of the Group's watch component trading division decreased slightly due to the appreciation of the Japanese Yen versus the US Dollar and HK Dollar. The Group's watch manufacturing division was able to maintain its margins.

In the same period, the Group disposed of the remaining townhouse of our One St. Thomas project in Toronto, Canada.

PROSPECTS

The Group's watch and watch component trading division expects continuous satisfactory demand for its high function watches and watch movements. However it will be a challenge to maintain the overall profit margin as the effect of the second quantitative easing by the United States government may cause further depreciation in both the US Dollar and the HK Dollar, thus increasing the Group's labour and material costs.

During the period under review, the Group enjoyed satisfactory occupancy rates for its two joint venture hotel projects, The Putman and Le Rivage.

The Group's 50 Connaught Road Central development, a joint venture Grade A office building in Central, is on schedule. It will be completed by the first quarter of 2011.

The Group's own four boutique hotel projects will be completed in the next two years:

- (1) No. 87 – 89 Jervois Street, Hong Kong is scheduled to be completed by the second quarter of 2011;
- (2) 21 Whitfield Road is scheduled to be completed during the third quarter of 2011;
- (3) No. 99, 101 and 103 Bonham Strand and 127 Wing Lok Street is scheduled to be completed during the fourth quarter of 2011;
- (4) 194 – 196 Queen's Road Central is scheduled to be completed by the third quarter of 2012.

The Group's joint venture residential development project at 45 Tai Tam Road is expected to be completed by 2013.

Finally, your attention is drawn that the Group's business and results are subject to risks and uncertainties including but not limited to fluctuations in foreign currencies, interest rates and property markets as well as economic conditions and they may cause the Group's business, financial position, results and prospects to differ from expected or historical results.
