SHARE OPTION SCHEME

The Company has conditionally adopted the Share Option Scheme on 15 January 2010. Under the Share Option Scheme, the eligible participants of the scheme, including directors, full-time employees of and advisers and consultants to the Company or its subsidiaries may be granted options which entitle them to subscribe for Shares, when aggregated with options granted under any other scheme, representing initially not more than 10% of the Shares in issue immediately upon commencement of dealings of Shares on the Listing Date. Options which have lapsed in accordance with the Share Option Scheme shall not be counted in calculating the 10% limit. This limit may be renewed from time to time as described in appendix VI to this prospectus. The Share Option Scheme also contains limits as to the number of Shares which (i) may be issued upon the exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other scheme; (ii) may be subject to options granted to individual participants; and (iii) may be subject to options granted to the Directors, chief executive or substantial shareholders of the Company or any of their respective associates. Further details of the terms of the Share Option Scheme, including those matters referred to above are set out in the paragraph headed "Share Option Scheme" in appendix VI to this prospectus.

ISSUING MANDATE

The Directors have been granted a general unconditional mandate to allot, issue and deal with Shares with an aggregate nominal value of not more than the sum of:

- (a) 20% of the aggregate nominal value of the share capital of the Company in issue, excluding the Shares which may be issued pursuant to the Over-allotment Option, immediately following completion of the Global Offering; and
- (b) the aggregate nominal value of share capital of the Company repurchased by the Company, if any, under the general mandate to repurchase Shares referred to below. The allotment and issue of Shares under a rights issue, scrip dividend scheme or similar arrangement, or of options which may be granted under the Share Option Scheme do not generally require the approval of the Shareholders of the Company in general meeting and the aggregate nominal value of the Shares which the Directors are authorized allot and issue under this mandate will not be reduced by the allotment and issue of such Shares.

This mandate will expire at the earliest of:

- the conclusion of the Company's next annual general meeting; or
- the expiration of the period within which the Company is required by law or the Articles of Association to hold its next annual general meeting; or
- when varied, revoked or renewed by an ordinary resolution of the Shareholders in general meeting.
