Although reasonable care has been exercised in preparing the said information, prospective investors who read the information should bear in mind that these figures are inherently subject to adjustments and may not give a complete picture of the Group's financial results and positions of the financial periods concerns.

The following unaudited pro forma adjusted combined net tangible assets of the Group have been prepared to show the effect on the combined net tangible assets of the Group as at 31 August 2009 as if the Global Offering had occurred on 31 August 2009.

The unaudited pro forma adjusted combined net tangible assets of the Group have been prepared for illustrative purposes only and, because of their nature, they may not give a true picture of the financial position of the Group.

The following unaudited pro forma adjusted combined net tangible assets of the Group have been prepared based on the audited combined net assets of the Group as at 31 August 2009 as extracted from "Appendix I – Accountants' Report", and is adjusted as described below.

Audited combined net tangible assets attributable to equity holders of the Company as at 31 August 2009 ⁽¹⁾	Estimated net proceeds from the Global Offering ⁽²⁾	Unaudited pro forma adjusted combined net tangible assets ⁽³⁾	Unaudited pro forma adjusted combined net tangible assets per Share ⁽⁴⁾

Based on an Offer Price of HK\$4.13 per Share	244,208	682,682	1.16
			0.97

- (1) The audited combined net tangible assets attributable to equity holders of the Company as at 31 August 2009 is extracted from the Accountants' Report set out in Appendix I to this prospectus, which is based on the audited combined net assets of the Group attributable to the equity holders as at 31 August 2009 of RMB244,533,000 with an adjustment for intangible assets as at 31 August 2009 of RMB325,000.
- (2) The estimated net proceeds from the Global Offering are based on the Offer Price of HK\$2.69 and HK\$4.13 per Share, respectively, after the deduction of the estimated underwriting fees and other related fees and expenses, and do not take into account of any Shares that may be issued pursuant to the Over-allotment Option. If the Over-allotment Option is exercised, the unaudited pro forma adjusted combined net tangible assets attributable to equity holders and unaudited pro forma adjusted combined net tangible assets per Share will increase. The estimated net proceeds from the Global Offering are translated at the exchange rate of RMB0.882 to HK\$1.
- (3) Details of valuation of the Group's properties as at 31 December 2009 are set out in Appendix IV to this prospectus. With reference to such valuation, there is a revaluation surplus of about RMB31,248,000 compared to the carrying values of the Group's properties as at 31 December 2009. The Group will not incorporate the revaluation surplus in the combined financial statements for the year ended 31 December 2009 or the above unaudited pro forma adjusted combined net tangible assets because it is the Group's accounting policy to state the property interests, classified under the captions "Property, plant and equipment" and "Prepaid land lease payments" in the Accountants' Report set out in Appendix I to this prospectus, at cost less accumulated depreciation/amortization and impairment rather than at revalued amounts. Had these property interests been stated at such valuation, an additional depreciation/amortization of about RMB1,562,000 per annum would have been incurred.
- (4) The unaudited pro forma adjusted combined net tangible assets per Share are determined after the adjustments as described in note 2 above and on the basis that 800,000,000 Shares are issued and outstanding as set out in the "Share Capital" section of this prospectus, and that the Over-allotment Option has not been exercised. The unaudited pro forma adjusted net tangible assets per Share are translated at the exchange rate of RMB0.882 to HK\$1.
