*In connection with the Global Offering, China Everbright Securities (the “**Stabilizing Manager**”), or any person acting for it, on behalf of the Underwriters, may over-allocate or effect any other transactions with a view to stabilizing or maintaining the market price of the Shares at a level higher than that which might otherwise prevail in the open market for a limited period after the Listing Date. The stabilizing activity which may be taken by the Stabilizing Manager may include primary and ancillary stabilizing activities such as purchasing or agreeing to purchase any of the Shares, exercising the Over-allotment Option, stock borrowing, establishing a short position in the Shares, liquidating long position in the Shares or offering or attempting to do any such activities. Any market purchase will be effected in compliance with all applicable laws and regulatory requirements, including the Securities and Futures (Price Stabilizing) Rules made under the SFO. The number of Shares being offered in the Global Offering may be increased by up to an aggregate of 30,000,000 Shares, representing 15.0% of the initial number of the Offer Shares, through the exercise of the Over-allotment Option expected to be granted by the Company to the Sole Global Coordinator, exercisable by the Sole Global Coordinator (for itself and on behalf of the International Underwriters), to cover over-allocations in the International Placing (if any). The Over-allotment Option is exercisable at any time from the Listing Date up to the date which is the 30th day after the date on which the Application Lists are closed and is expected to expire on Sunday, 18 April 2010. In the event that such Over-allotment Option is exercised, a press announcement will be made. The Shares will be traded in board lots of 2,000 each. The stock code of the Shares is 01998.

GENERAL INFORMATION

The Global Offering consists of the Hong Kong Public Offer of 20,000,000 Offer Shares, subject to reallocation, and the International Placing of 180,000,000 Offer Shares, subject to reallocation and the Over-allotment Option, together with any Shares to be issued as a result of any exercise of the Over-allotment Option. The allocation of the Offer Shares between the Hong Kong Public Offer and the International Placing is subject to adjustments as stated in the section headed “Structure of the Global Offering — IV. The Hong Kong Public Offer — Reallocation and Clawback” in the Prospectus.

Applications for the Hong Kong Offer Shares will only be considered on the basis of the terms and conditions set out in the Prospectus and the Application Forms. The Offer Price is expected to be fixed by agreement between the Sole Global Coordinator (for itself and on behalf of the Underwriters) and the Company on the Price Determination Date. The Price Determination Date is expected to be on or before Saturday, 20 March 2010 and, in any event, not later than Sunday, 21 March 2010. The Offer Price will be not more than HK\$2.49 and is currently expected to be not less than HK\$1.81. Applicants for Hong Kong Offer Shares are required to pay, on application, the maximum offer price of HK\$2.49 for each Hong Kong Offer Share together with a brokerage fee of 1%, SFC transaction levy of 0.004% and Stock Exchange trading fee of 0.005%, subject to refund if the Offer Price should be lower than HK\$2.49.

In connection with the Global Offering, China Everbright Securities (the “**Stabilizing Manager**”), or any person acting for it, on behalf of the Underwriters, may over-allocate or effect any other transactions with a view to stabilizing or maintaining the market price of the Shares at a level higher than that which might otherwise prevail in the open market for a limited period after the Listing Date. The stabilizing activity which may be taken by the Stabilizing Manager may include primary and ancillary stabilizing activities such as purchasing or agreeing to purchase any of the Shares, exercising the Over-allotment Option, stock borrowing, establishing a short position in the Shares, liquidating long position in the Shares or offering or attempting to do any such activities. Such transactions will be effected in compliance with all applicable laws and regulatory requirements, including those of Hong Kong. However, there is no obligation on the Stabilizing Manager or its affiliates or any person acting for it to conduct any such stabilizing action, which if commenced, may be discontinued at any time. Any such stabilizing action is required to be brought to an end after a limited period. The number of Shares being offered in the Global Offering may be increased by up to an aggregate of 30,000,000 Shares, representing 15.0% of the initial number of the Offer Shares, through the exercise of the Over-allotment Option expected to be granted by the Company to the Sole Global Coordinator, exercisable by the Sole Global Coordinator (for itself and on behalf of the International Underwriters), to cover over-allocations in the International Placing (if any). The Over-allotment Option is exercisable at any time from the Listing Date up to the day which is the 30th day after the date on which the Application Lists under the Hong Kong Public Offer are closed. In the event that such Over-allotment Option is exercised, an announcement will be made.

The Sole Global Coordinator, for itself and on behalf of the Underwriters, may, with the Company’s consent, reduce the indicative Offer Price range below that stated in the Prospectus (which is HK\$1.81 to HK\$2.49) at any time prior to the morning of the last day for lodging applications under the Hong

Kong Public Offer. In such a case, notices of the reduction in the indicative Offer Price range will be published in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) and on the Company's website at <http://www.chinaflyke.com> and the website of the Stock Exchange at <http://www.hkex.com.hk> not later than the morning of the last day for lodging applications under the Hong Kong Public Offer. If applications for Hong Kong Offer Shares have been submitted prior to the day which is the last day for lodging applications under the Hong Kong Public Offer, then even if the indicative Offer Price range is so reduced, such applications cannot be subsequently withdrawn. Further information is set forth in the sections headed "Structure of the Global Offering" and "How to Apply for our Hong Kong Offer Shares" in the Prospectus.

The total number of the Hong Kong Offer Shares will initially be divided equally into two pools for allocation purposes, both of which are available on an equitable basis to successful applicants. All valid applications that have been received for the Hong Kong Offer Shares with an aggregate subscription price (excluding brokerage, the SFC transaction levy payable and the Stock Exchange trading fee) of HK\$5.0 million or less will fall into Pool A and all valid applications that have been received for Hong Kong Offer Shares with an aggregate subscription price (excluding brokerage, the SFC transaction levy payable and the Stock Exchange trading fee) of more than HK\$5.0 million and up to the value of Pool B, will fall into Pool B. Applicants should be aware that applications in Pool A and Pool B are likely to receive different allocation ratios. If Hong Kong Offer Shares in one pool (but not both pools) are undersubscribed, the surplus Hong Kong Offer Shares will be transferred to the other pool to satisfy demand in that other pool and be allocated accordingly.

Applicants can only receive an allocation of Hong Kong Offer Shares from either Pool A or Pool B but not from both pools. Multiple or suspected multiple applications and any application for more than 50% of the initial number of our Hong Kong Offer Shares will be rejected.

Acceptance of all applications for the Offer Shares pursuant to the Hong Kong Public Offer is subject to the conditions stated in the section headed "Structure of the Global Offering — III. Conditions of the Hong Kong Public Offer" in the Prospectus. The consummation of each of the Hong Kong Public Offer and the International Placing is conditional upon, among other things, the other becoming unconditional and not having been terminated in accordance with its terms. If the conditions are not fulfilled or waived prior to the dates and times specified, the Global Offering will lapse and the Stock Exchange will be notified immediately. Notice of the lapse of the Hong Kong Public Offer will be caused to be published by the Company in South China Morning Post (in English) and Hong Kong Economic Times (in Chinese) and on the Company's website at <http://www.chinaflyke.com> and the website of the Stock Exchange at <http://www.hkex.com.hk> on the next day following such lapse. In such situation, all application money will be returned, without interest, on the terms set forth in the section headed "How to Apply for our Hong Kong Offer Shares — IX. Publication of results and dispatch/collection of share certificates and refund cheques" in the Prospectus. In the meantime, the application money will be held in separate bank account(s) with the receiving banker or other bank(s) in Hong Kong licensed under the Banking Ordinance (Chapter 155 of the Laws of Hong Kong) (as amended).

Share certificates will only become valid certificates of title at 8:00 a.m. on Monday, 29 March 2010, provided that the Global Offering has become unconditional in all respects and neither of the Underwriting Agreements has been terminated in accordance with its terms.
