In connection with the Share Offer, the Sole Lead Manager as the Stabilizing Manager, or any person acting for it, may over-allot or effect transactions with a view to supporting the market price of the Shares at a level higher than that which might otherwise prevail for a limited period after the Listing Date. However, there is no obligation on the Sole Lead Manager or any person acting for it to conduct any such stabilizing activity. Such transactions, if commenced, may be discontinued at any time. The Sole Lead Manager has been appointed as the Stabilizing Manager for the purposes of the Share Offer in accordance with the Securities and Futures (Price Stabilizing) Rules made under the SFO and, should stabilizing transactions be effected in connection with the Share Offer, this will be at the absolute discretion of the Sole Lead Manager. An announcement will be made to the public within seven days after the end of the stabilizing period as required under the Securities and Futures (Price Stabilizing) Rules made under the SFO.

Potential investors should be aware that stabilizing action cannot be taken to support the price of the Shares for longer than the stabilization period which begins on the day of commencement of trading of the Shares on the Stock Exchange which is expected to be on Friday, 7 May 2010 and ends on the 30th day after the last day for the lodging of applications under the Public Offer. The stabilizing period is expected to end on Sunday, 30 May 2010.

In connection with the Share Offer, the Sole Lead Manager may over-allot up to and not more than an aggregate of 15,000,000 additional Shares (representing 15% of the total number of the new Shares initially available under the Share Offer) to cover over-allocations (if any) in the Placing by exercising the Over-allotment Option within 30 days after the last day for the lodging of applications under the Public Offer, or by making purchases in the secondary market at prices or by a combination of purchase in the secondary market and a partial exercise of the Over-allotment Option. In the event that such Over-allotment Option is exercised, an announcement will be made.

Application has been made by the Company to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Shares in issue and to be issued pursuant to the Public Offer and Placing (including any additional Shares which may be issued pursuant to the exercise of the Over-allotment Option). Dealings in the Shares on the Stock Exchange are expected to commence at 9:30 a.m. on Friday, 7 May 2010. The Shares will be traded in board lots of 1,000 Shares each. Applications for the Public Offer Shares will only be considered on the basis of the terms and conditions set out in the Prospectus and the related Application Forms. **It should be noted that multiple applications or suspected multiple applications or any application for more than 7,067,000 Public Offer Shares will be rejected.** Subject to the granting of the listing of, and permission to deal in, the Shares in issue and to be issued as described in the Prospectus on the Main Board of the Stock Exchange, as well as compliance with the stock admission requirements of HKSCC, the Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the Listing Date, or such other date as may be determined by HKSCC. Settlement of transactions between participants of the Stock Exchange in any trading day is required to take place in CCASS on the second business day thereafter. All activities under CCASS are subject to the General Rules of CCASS and the CCASS Operational Procedures in effect from time to time. All necessary arrangements have been made for the Shares to be admitted into CCASS.

The Share Offer comprises the Public Offer of initially 14,135,000 Offer Shares, representing 10% of the total number of Offer Shares being offered in the Share Offer (subject to reallocation), and the Placing of initially 127,215,000 Offer Shares (subject to reallocation and the Over-allotment Option). For allocation purposes only (subject to adjustment of odd board lot size), the total number of Public Offer Shares available under the Public Offer (after taking into account any reallocation in the number of Offer Shares allocated between the Public Offer and the Placing) is to be divided into two pools: pool A and pool B. The Public Offer Shares in pool A will be allocated on an equitable basis to applicants who have applied for Public Offer Shares with an aggregate subscription price of HK\$5 million or less (excluding the brokerage, the SFC transaction levy and the Stock Exchange trading fee payable). The Public Offer Shares in pool B will be allocated on an equitable basis to applicants who have applied for Shares with an aggregate subscription price of more than HK\$5 million and up to the total value of pool B (excluding the brokerage, the SFC transaction levy and the Stock Exchange trading fee payable).

When there is over-subscription, allocation of the Public Offer Shares to investors under the Public Offer, both in relation to pool A and pool B, will be based solely on the level of valid applications received under the Public Offer. The basis of allocation in each pool may vary, depending on the number of Public Offer Shares validly applied for by each applicant, but, subject to that, will be made strictly on a pro-rata basis. The allocation of Public Offer Shares could, where appropriate, consist of balloting, which would mean that some applicants may receive a higher allocation than others who have applied for the same number of Public Offer Shares and those applicants who are not successful in the ballot may not receive any Public Offer Shares.

Depending on the number of valid applications received under the Public Offer, the allocation of the Offer Shares between the Public Offer and the Placing will be subject to the reallocation as described in the section headed “Structure of the Share Offer” in the Prospectus. If either the Public Offer or the Placing is not fully subscribed, the Sole Lead Manager has the authority to re-allocate all or any of the unsubscribed Public Offer Shares to the Placing (or vice versa, as appropriate) in such proportion and manner as it considers appropriate provided that there is sufficient demand under the Placing to take up such re-allocated Public Offer Shares. Details of the reallocation, if any, will be disclosed in the results of allocations announcement, which is expected to be made on Thursday, 6 May 2010.

Applicants should be aware that applications in pool A and in pool B may receive different allocation ratios. If the Public Offer Shares in one (but not both) of the pools are undersubscribed, the surplus Public Offer Shares will be transferred to the other pool to satisfy demand in that pool and be allocated accordingly. Applicants can only receive an allocation of the Public Offer Shares from either pool A or pool B but not from both pools. Multiple or suspected multiple applications or any application for more than 7,067,000 Public Offer Shares initially included in the Public Offer will be rejected. Only one application on a **WHITE** or **YELLOW** Application Form or by way of giving **electronic application instructions** to HKSCC or the **HK eIPO White Form** Service Provider via the **HK eIPO White Form** service may be made for the benefit of any person. Each applicant under the Public Offer will also be required to give an undertaking and confirmation in the application submitted by him that he and any person(s) for whose benefit he is making the application have not indicated an interest for or taken up and will not indicate an interest for or take up any Offer Shares under the Placing, and such application will be rejected if the said undertaking and/or confirmation is breached and/or untrue (as the case may be) or he has been or will be placed or allocated Placing Shares under the Placing.

Applicants who apply on **WHITE** Application Forms for 1,000,000 or more Public Offer Shares and have indicated in their applications that they wish to collect share certificates (where applicable) and refund cheques (where applicable) in person from the Hong Kong Share Registrar, Tricor Investor Services Limited at 26th Floor, Tesbury Centre, 28 Queen's Road East, Wanchai, Hong Kong, may collect share certificates (where applicable) and refund cheques (where applicable) in person from 9:00 a.m. to 1:00 p.m. on Thursday, 6 May 2010, or such other date as notified by the Company on the Company's website at www.lansen.com.cn and the website of the Stock Exchange at www.hkexnews.hk as the date of despatch/collection of share certificates/e-Auto Refund payment instructions/refund cheques. Identification and (where applicable) authorization documents acceptable to Tricor Investor Services Limited must be produced at the time of collection. If you are an individual who opts for collection in person, you must not authorise any other person to make collection on your behalf. If you are a corporate applicant which opts for collection in person, the authorised representative bearing a letter of authorisation from your corporation stamped with your corporation's chop must be presented for collection. Both individuals and authorised representatives (if applicable) must produce, at the time of collection, evidence of identity acceptable to the Hong Kong Share Registrar. Uncollected refund cheque(s) (where applicable) and/or share certificate(s) (where applicable) will be despatched after the time specified for the collection on the date of despatch by ordinary post to the addresses as specified by the applicants at their own risk.

Applicants who apply on **YELLOW** Application Forms for 1,000,000 or more Public Offer Shares and have indicated in their Application Forms that they wish to collect refund cheques in person may collect their refund cheques (if any) but may not elect to collect their share certificates, which will be deposited into CCASS for credit to their designated CCASS Participant's stock account or CCASS Investor Participant stock accounts, as appropriate. The procedure for collection of refund cheques for applicants who apply on **YELLOW** Application Forms for Shares is the same as that for **WHITE** Application Form applicants. Instead of using **YELLOW** Application Forms, applicants may electronically instruct HKSCC to cause HKSCC Nominees to apply for the Public Offer Shares on their behalf via CCASS. Any Public Offer Shares allocated to such applicants will be registered in the name of HKSCC Nominees and deposited directly into CCASS for credit to their CCASS Investor Participant stock account or their designated CCASS Participant's stock account as instructed by the applicants.

Applicants who apply through the **HK eIPO White Form** service for 1,000,000 or more Public Offer Shares and wish to collect share certificates (where applicable) in person from the Hong Kong Share Registrar, may collect Share certificates in person from Tricor Investor Services Limited at 26th Floor, Tesbury Centre, 28 Queen's Road East, Wanchai, Hong Kong, from 9:00 a.m. to 1:00 p.m. on Thursday, 6 May 2010. Identification and (where applicable) authorization documents acceptable to Tricor Investor Services Limited must be produced at the time of collection.

For applicants who apply through the **HK eIPO White Form** service by paying the application monies through a single bank account and the applicant's application is wholly or partially unsuccessful and/or the final Offer Price is different from the Offer Price initially paid on the applicant's application, e-Auto Refund payment instructions will be despatched to the application payment bank account on or around Thursday, 6 May 2010. For applicants who apply through the **HK eIPO White Form** service by paying the application monies through multiple bank accounts and the applicant's application is wholly or partially unsuccessful and/or the final Offer Price is different from the Offer Price initially paid on the applicant's

application, refund cheque(s) will be sent to the address specified in the applicant's application instructions to the designated **HK eIPO White Form** Service Provider on or around Thursday, 6 May 2010, by ordinary post and at the applicant's own risk.

In relation to applicants who apply for less than 1,000,000 Public Offer Shares, or applicants who have applied for 1,000,000 or more Public Offer Shares but have not elected to collect their (where relevant) refund cheque(s) and/or (where relevant) share certificate(s) in person, their refund cheque(s) (where relevant) and/or share certificate(s) (where relevant) will be sent by ordinary post at the applicants' own risk to the addresses specified in the **WHITE** or **YELLOW** Application Forms or in the applications under **HK eIPO White Form** service.

Applications for the Public Offer Shares will only be considered on the basis of the terms and conditions of the Prospectus and the related Application Forms. Applicants who would like to be allotted the Public Offer Shares in their own names should complete and sign the **WHITE** Application Forms or submit applications online through the designated website of the **HK eIPO White Form** Service Provider at www.hkeipo.hk under the **HK eIPO White Form** service. Applicants who would like to have the allotted Public Offer Shares issued in the name of HKSCC Nominees and deposited directly into CCASS for credit to their CCASS investor participant stock accounts or the stock accounts of their designated CCASS Participants maintained in CCASS should (i) complete and sign the **YELLOW** Application Form, copies of which, together with copies of the Prospectus, may be obtained during normal business hours from 9:00 a.m. on Tuesday, 27 April 2010 until 12:00 noon on Friday, 30 April 2010 at the Depository Counter of HKSCC at 2nd Floor, Vicwood Plaza, 199 Des Voeux Road Central, Hong Kong or by their stockbroker, who may have such Application Forms and Prospectus available; or (ii) give **electronic application instructions** to HKSCC via CCASS.

Pursuant to the Public Offer Underwriting Agreement, the Company will grant the Sole Lead Manager the right, exercisable at any time from the date of the Underwriting Agreement until 30 days from the last day for lodging applications under the Public Offer, to require the Company to allot and issue up to an aggregate of 15,000,000 additional Shares, representing 15% of the total number of new Shares initially available under the Share Offer at the Offer Price, to cover over-allocations, if any, in the Placing. In the event that the Over-allotment Option is exercised, an announcement will be made.

In connection with the Share Offer, the Sole Lead Manager, or any person acting for it, on behalf of the Public Offer Underwriters, may over-allot or effect transactions with a view to stabilizing or maintaining the market price of the Shares at a level higher than that which might otherwise prevail in the open market for a limited period commencing on the Listing Date. Such transactions may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws and regulatory requirements including those of Hong Kong. However, there is no obligation on the Sole Lead Manager or any person acting for it to any such stabilising activity. Such stabilization, if commenced, will be conducted at the absolute discretion of the Stabilizing Manager or any person acting for it and may be discontinued at any time, and must be brought to an end within 30 days of the last day for the lodging of applications under the Public Offer. The number of Shares that may be over-allocated will not be greater than the number of Shares which may be sold upon exercise of the Over-allotment Option, being 15,000,000 Shares, which is 15% of the total number of new Shares initially available under the Share Offer. Details of such stabilization and how it will be regulated under the SFO are contained in the Prospectus.

The Offer Price is expected to be determined by agreement between the Sole Lead Manager, on behalf of the Underwriters, and the Company on or before the Price Determination Date, when market demand for the Offer Shares will be determined. The Price Determination Date is expected to be on or around Friday, 30 April 2010 and in any event, no later than Monday, 3 May 2010 (Hong Kong time). Investors applying for Public Offer Shares under the Public Offer must pay, on application, the maximum Offer Price of HK\$3.91 for each Public Offer Share together with a brokerage fee of 1%, SFC transaction levy of 0.004%, and Stock Exchange trading fee of 0.005%. The Sole Lead Manager, on behalf of the Underwriters, may, with the consent of the Company, reduce the number of Offer Shares and/or indicative Offer Price range stated in the Prospectus (which is HK\$2.95 to HK\$3.91 per Public Offer Share) at any time on or prior to the morning of the last day for lodging applications under the Public Offer. In such a case, notices of the reduction in the number of Offer Shares and/or the indicative Offer Price range will be published on the Company's website at www.lansen.com.cn and the website of the Stock Exchange at www.hkexnews.hk not later than the morning of the day which is the last day for lodging applications under the Public Offer. Share certificates will only become valid certificates of title at 8:00 a.m. on Friday, 7 May 2010 provided that the Public Offer has become unconditional in all respects and the right of termination described in the section headed "Underwriting — Underwriting Arrangements and Expenses — Grounds for termination" of the Prospectus has not been exercised. **If the Sole Lead Manager (on behalf of the Underwriters) and the Company are unable to reach agreement on the Offer Price, the Share Offer will not proceed and will lapse immediately.**

The Share Offer is conditional on the conditions as stated in the section headed "Structure of the Share Offer — Conditions" of the Prospectus. If the conditions are not fulfilled or waived prior to the times and dates specified in the Prospectus, the Share Offer will thereby lapse and all application monies, together with the brokerage, the SFC transaction levy and the Stock Exchange trading fee received from applicants under the Share Offer will be returned to the applicants, without interest, on the terms set out in the section headed "How to apply for the Public Offer Shares — Despatch and collection of share certificate(s) and/or refund cheque(s) and/or e-Auto Refund payment instructions and deposit of share certificates into CCASS."
