This announcement is for information purposes only and does not constitute an invitation or offer to acquire, purchase or subscribe for securities. Potential investors should read the Prospectus dated Monday, 7 June 2010 issued by the Company for detailed information about the Global Offering described below before deciding whether or not to invest in the H Shares thereby being offered.

In connection with the Global Offering, Citigroup Global Markets Asia Limited, as stabilizing manager, and/or its affiliates or any person acting for it, on behalf of the Underwriters, may over-allocate or effect transactions with a view to stabilizing or maintaining the market price of the H Shares at a level higher than that which might otherwise prevail for a limited period commencing from the day on which the H Shares commence trading on the Hong Kong Stock Exchange up to 30 days from the last day for the lodging of applications under the Hong Kong Public Offering, being Saturday, 10 July 2010. However, there is no obligation on the stabilizing manager, and/or its affiliates or any person acting for it to conduct any such stabilizing action. Such stabilization may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws and regulatory requirements, including the Securities and Futures (Price Stabilizing) Rules made under the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong). Such stabilization, if commenced, will be done at the absolute discretion of the stabilizing manager, and/or its affiliates or any person acting for it and may be discontinued at any time, and must be brought to an end after a limited period. The number of H Shares being offered in the Global Offering may be increased by up to and not more than an aggregate

of 59,294,000 H Shares (representing approximately 15% of the initial Offer Shares under the Global Offering) through the exercise of the Over-allotment Option granted to the International Underwriters by the Company exercisable by the Joint Bookrunners on behalf of the International Underwriters to, among other things, cover over-allocations (if any) in the International Offering, which option is exercisable at any time from the date of the International Underwriting Agreement until 30 days after the last day for lodging applications under the Hong Kong Public Offering. In the event that such Over-allotment Option is exercised, a press announcement will be made.

Potential investors should be aware that stabilizing action cannot be taken to support the price of the H Shares for longer than the stabilization period which begins on the commencement of trading of the H Shares on the Hong Kong Stock Exchange which is expected to be on Tuesday, 22 June 2010 and ends on the 30th day after the last day for the lodging of applications under the Hong Kong Public Offering, being Saturday, 10 July 2010. The stabilization period is expected to expire on Saturday, 10 July 2010 and that after this date, when no further stabilizing action may be taken, demand for the Shares, and therefore its market price, could fall.

The Company is initially offering 355,764,400 H Shares (subject to adjustment and before exercise of Over-allotment Option) under the International Offering and 39,529,600 Hong Kong Public Offer Shares under the Hong Kong Public Offering, representing 90% and 10% respectively of the total number of H Shares initially being offered in the Global Offering. The Hong Kong Public Offer Shares are being offered for subscription by way of a public offer in Hong Kong at the Offer Price. The allocation of the H Shares between the Hong Kong Public Offering and the International Offering is subject to adjustment as stated in the paragraph headed “The Hong Kong Public Offering” under the section headed “Structure of the Global Offering” in the Prospectus.

Application has been made to the Listing Committee for the granting of the listing of, and permission to deal in, the H Shares to be issued or sold pursuant to the Global Offering (including any additional H Shares which may be issued by the Company pursuant to the exercise of the Over-allotment Option). Dealings in the H Shares on the Hong Kong Stock Exchange are expected to commence on Tuesday, 22 June 2010. The H Shares will be traded in board lots of 200 H Shares each. Subject to the granting of the listing of, and permission to deal in, the H Shares on the Hong Kong Stock Exchange as well as compliance with the stock admission requirements of HKSCC, the H Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the H Shares on the Hong Kong Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time.

The total number of the H Shares available under the Hong Kong Public Offering (after taking into account of any reallocation referred to below) is to be divided into two pools for allocation purposes: 19,764,800 H Shares in pool A and 19,764,800 H Shares in pool B. The H Shares in pool A will be allocated on an equitable basis to applicants who have applied for the H Shares with an aggregate subscription price of HK\$5 million (excluding the brokerage, the SFC transaction levy and the Hong Kong Stock Exchange trading fee payable) or less. The H Shares in pool B will be allocated on an equitable basis to applicants who have applied for the H Shares with an aggregate subscription price of more than HK\$5 million and up to the total value of pool B (excluding the brokerage, the SFC transaction levy and the Hong Kong Stock Exchange trading fee payable). Investors should be aware that applications in pool A and applications in pool B may receive different allocation ratios. If the H Shares in one (but not both) of the pools are undersubscribed, the surplus H Shares will be transferred to the other pool to satisfy demand in the pool and be allocated accordingly. For the purpose of this paragraph only, the “subscription price” for the H Shares means the price payable on application therefor (without regard to the Offer Price as finally determined). Applicants can only receive an allocation of the H Shares from either pool A or pool B but not from both pools.

It should be noted that multiple or suspected multiple applications and any application for more than 50% of the 39,529,600 H Shares initially included in the Hong Kong Public Offering (that is, 19,764,800 H Shares) will be rejected. Each applicant under the Hong Kong Public Offering will also be required to give an undertaking and confirmation in the application submitted by him that he and any person(s) for whose benefit he is making the application have not indicated an interest for or taken up and will not indicate an interest for or take up any H Shares under the International Offering, and such applicant’s application will be rejected if the said undertaking and/or confirmation is breached and/or untrue (as the case may be).

The Offer Price is expected to be fixed by agreement between the Joint Bookrunners (on behalf of the Underwriters) and the Company on the Price Determination Date. The Price Determination Date is expected to be on or before Saturday, 12 June 2010. The Offer Price will not be more than HK\$23.00 per H Share and is expected to be not less than HK\$19.80 per H Share. The Offer Price is expected to fall within the Offer Price range as stated in the Prospectus unless otherwise announced, as further explained below, not later than the morning of the latest day for lodging applications under the Hong Kong Public Offering. Applicants for Hong Kong Public Offer Shares must pay on application, the maximum Offer Price of HK\$23.00 for each Hong Kong Public Offer Share together with brokerage of 1%, SFC transaction levy of 0.004% and Hong Kong Stock Exchange trading fee of 0.005%. The

Joint Bookrunners, on behalf of the Underwriters, may, where considered appropriate, based on the level of interest expressed by prospective professional, institutional, corporate, other investors during the book-building process, and with the Company's consent, reduce the number of Offer Shares being offered under the Global Offering and/or the indicative Offer Price range below that stated in the Prospectus at any time prior to the morning of the latest day for lodging applications under the Hong Kong Public Offering. In such a case, the Company will, as soon as practicable following the decision to make such reduction, and in any event not later than the morning of the day which is the latest day for the lodging of applications under the Hong Kong Public Offering, cause there to be published in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) and on the website of the Company (www.goldwind.cn) and the website of the Hong Kong Stock Exchange (www.hkexnews.hk) notices of the reduction in the number of Offer Shares and/or the indicative Offer Price range. Upon issue of such a notice, the number of Offer Shares and/or the revised Offer Price range will be final and conclusive and the Offer Price, if agreed upon with the Company will be fixed within such revised Offer Price range. Such notice will also include confirmation or revision, as appropriate, of the offering statistics as currently set out in the section headed "Summary" in the Prospectus, and any other financial information which may change as a result of such reduction. If applications for Hong Kong Public Offer Shares have been submitted, then even if the number of Offer Shares and/or the Offer Price range is so reduced such applications cannot be subsequently withdrawn. In the absence of any notice being published in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) and on the website of the Company (www.goldwind.cn) and on the website of the Hong Kong Stock Exchange at www.hkexnews.hk of a reduction in the number of Offer Shares and/or the indicative Offer Price range stated in this Prospectus on or before the morning of the latest day for lodging applications under the Hong Kong Public Offering, the number of Hong Kong Public Offer Shares and/or the Offer Price, if agreed upon with the Company, will under no circumstances be fewer than the number of Offer Shares or be set outside the Offer Price range as stated in the Prospectus. If the Company and the Joint Bookrunners (on behalf of the Underwriters), are unable to reach agreement on the Offer Price on or before Sunday, 20 June 2010, the Global Offering will not become unconditional and will lapse.

Applications for the Hong Kong Public Offer Shares will only be considered on the basis of the terms and conditions of the Prospectus and the related Application Forms.

Applicants who wish to be allotted the Hong Kong Public Offer Shares in their own names should (i) complete and sign the **WHITE** Application Form; or (ii) submit applications online through the designated website of the White Form eIPO Service Provider at

www.eipo.com.hk under the **White Form eIPO** service. Applicants who wish to have the Hong Kong Public Offer Shares allotted and issued in the name of HKSCC Nominees Limited and deposited directly into CCASS for credit to their CCASS Investor Participant stock accounts or the stock accounts of their designated CCASS Participants should (i) complete and sign the **YELLOW** Application Forms, copies of which, together with the Prospectus, may be obtained during normal business hours from 9:00 a.m. on Monday, 7 June 2010 until 12:00 noon on Thursday, 10 June 2010 at the Depository Counter of HKSCC at 2nd Floor, Vicwood Plaza, 199 Des Voeux Road Central, Hong Kong; or (ii) give **electronic application instructions** to HKSCC via CCASS.

In connection with the Global Offering, we intend to grant the Over-allotment Option to the International Underwriters, exercisable by the Joint Bookrunners on behalf of the International Underwriters. Pursuant to the Over-allotment Option, the Joint Bookrunners will have the right, exercisable at any time from the date of the International Underwriting Agreement up to Saturday, 10 July 2010, being the 30th day from the last day for the lodging of applications under the Hong Kong Public Offering to require us to allot and issue up to an aggregate of 59,294,000 additional H Shares, representing 15% of the number of initial Offer Shares, at the Offer Price to, among other things, cover over-allocations in the International Offering, if any. If the Over-allotment Option is exercised in full, the number of H Shares being offered under the Global Offering will represent approximately 15% of our enlarged issued share capital following the completion of the Global Offering and the exercise of the Over-allotment Option. In the event that the Over-allotment Option is exercised, a press announcement will be made.

In relation to applicants on Application Forms or White Form eIPO for 1,000,000 H Shares or more who have not indicated the wish for personal collection and applicants for less than 1,000,000 H Shares, their H Share certificates (where applicable) will be despatched by ordinary post at the applicants' own risk to the addresses on the application on Monday, 21 June 2010.

In connection with the Global Offering, Citigroup Global Markets Asia Limited (the "Stabilizing Manager"), and/or its affiliates or any person acting for it, on behalf of the Underwriters, may over-allocate or effect short sales or any other stabilizing transactions with a view to stabilizing or maintaining the market price of the H Shares at a level higher than that which might otherwise prevail in the open market for a limited period from the Listing Date and ending on the 30th day after the last day for the lodging of applications under the Hong Kong Public Offering. Such transactions may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws and

regulatory requirements. However, there is no obligation on the Stabilizing Manager, its affiliates or its agent to do this. Such stabilization, if commenced, will be done at the absolute discretion of the Stabilizing Manager, and may be discontinued at any time, and must be brought to an end within 30 days of the last day for the lodging of applications under the Hong Kong Public Offering. The number of H Shares that may be over-allocated will not exceed the number of H Shares that may be sold under the Over-allotment Option.

The Hong Kong Public Offering is conditional on the fulfillment of the conditions as stated in the section headed “Structure of the Global Offering – Conditions of the Global Offering” in the Prospectus. If the conditions are not fulfilled or waived prior to the times and dates specified, all application monies received from applicants under the Hong Kong Public Offering will be refunded, without interest, and in the event that the Offer Price as finally determined is less than the Offer Price of HK\$23.00 per H Share initially paid on application, the appropriate portion of the application monies will be refunded, in each case without interest and on the terms set out under paragraphs headed “Refund of Application Monies” and “Applying by Giving Electronic Application Instructions to HKSCC via CCASS” in the section headed “How to Apply for Hong Kong Public Offer Shares” in the Prospectus. Refund payments will also be made in respect of wholly or partially unsuccessful applications.
