## CORPORATE INVESTORS

---

Under a share purchase, share subscription and bond subscription agreement, dated February 26, 2010, Baytree and Future Choice, as part of a consortium of investors, among other things, agreed to subscribe for Shares at the time of the Listing. Accordingly, we have entered into corporate placing agreements with Baytree and Future choice as our corporate investors (the “Corporate Investors” and each a “Corporate Investor”) who in aggregate have agreed to subscribe for approximately US\$16.5 million (or approximately HK\$128.1 million) worth of our Offer Shares at the Offer Price (collectively, the “Corporate Placing”). Assuming an Offer Price of HK\$2.85 (being the low end of the Offer Price range set out in this prospectus), the total number of Shares subscribed by the Corporate Investors will be approximately 44,941,368, which is approximately 2.9% of the Shares outstanding, upon completion of the Global Offering and 19.0% of the Offer Shares (assuming the Over-allotment Option is not exercised), respectively.

Baytree has agreed to subscribe for such number of Offer Shares (rounded down to the nearest board lot) as may be purchased with an amount of approximately US\$11.5 million at the Offer Price. Assuming the low end Offer Price of HK\$2.85, Baytree will subscribe for 31,322,772 Shares, which would represent approximately (i) 2.0% of the Shares issued and outstanding upon completion of the Global Offering, and (ii) 13.2% of the total number of Offer Shares, assuming the Over-allotment Option is not exercised.

Future Choice has agreed to subscribe for such number of Offer Shares (rounded down to the nearest board lot) as may be purchased with an amount of approximately US\$5.0 million at the Offer Price. Assuming a low end Offer Price of HK\$2.85, Future Choice will subscribe for 13,618,596 Shares, which would represent approximately (i) 0.9% of the Shares issued and outstanding upon completion of the Global Offering, and (ii) 5.8% of the total number of Offer Shares, assuming the Over-allotment Option is not exercised.

The Corporate Placing forms part of the International Placing. None of the Corporate Investors will subscribe for any Offer Shares under the International Offering other than pursuant to the respective corporate placing agreements. The Offer Shares to be subscribed for by the Corporate Investors will rank *pari passu* in all respects with the fully paid Shares in issue and will be counted towards the public float of our Company. None of the Corporate Investors has a representative on our Board. The Offer Shares to be subscribed for by the Corporate Investors will not be affected by any reallocation of the Offer Shares between the International Placing and the Hong Kong Public Offering in the event of over-subscription under the Hong Kong Public Offering as described in “Structure of the Global Offering—The Public Offering.” The Offer Shares to be subscribed for by the Corporate Investors are subject to a lock-up period of six months from the Listing Date. For more information on the lock-up arrangements of the Corporate Investors, see “Our Investors—Lock-up Arrangements.”
