## STRUCTURE OF THE GLOBAL OFFERING

---

### THE GLOBAL OFFERING

This prospectus is published in connection with the Hong Kong Public Offering which forms part of the Global Offering. The Global Offering comprises:

- (a) the Hong Kong Public Offering of an initial 25,274,000 Shares (subject to adjustment as mentioned below) in Hong Kong as described in “— The Hong Kong Public Offering” below; and
- (b) the International Offering of an aggregate of initially 227,466,000 Shares (subject to re-allocation and the Over-allotment Option as mentioned below) (a) in the United States to QIBs in reliance on Rule 144A or another exemption under the U.S. Securities Act; and (b) outside the United States in reliance on Regulation S.

Credit Suisse (Hong Kong) Limited is the Sole Global Coordinator. Credit Suisse (Hong Kong) Limited and Piper Jaffray Asia Securities Limited are the Joint Bookrunners and the Joint Lead Managers. Credit Suisse and Piper Jaffray Asia Limited are the Joint Sponsors.

Investors may apply for the Hong Kong Offer Shares under the Hong Kong Public Offering or apply for or indicate an interest, if qualified to do so, for the International Offer Shares under the International Offering, but may not do both.

The Offer Shares will represent approximately 18.0% of the enlarged issued share capital of our Company immediately after the completion of the Global Offering, without taking into account the exercise of the Over-allotment Option. If the Over-allotment Option is exercised in full, the Offer Shares will represent approximately 20.2% of the enlarged issued share capital immediately after the completion of the Global Offering and the exercise of the Over-allotment Option as set out in “— Over-allotment Option” below.

### THE HONG KONG PUBLIC OFFERING

#### Number of Offer Shares initially offered

We are initially offering 25,274,000 Offer Shares for subscription by the public in Hong Kong at the Offer Price, representing approximately 10% of the total number of Offer Shares initially available under the Global Offering.

The Hong Kong Public Offering is open to members of the public in Hong Kong as well as to institutional and professional investors. The total number of Offer Shares initially available under the Hong Kong Public Offering will represent approximately 1.8% of our Company’s enlarged share capital immediately after completion of the Global Offering, assuming that the Over-allotment Option is not exercised. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities which regularly invest in shares and other securities.

Completion of the Hong Kong Public Offering is subject to the conditions as set out in “— Conditions of the Hong Kong Public Offering” below.

#### Allocation

Allocation of Offer Shares to investors under the Hong Kong Public Offering will be based solely on the level of valid applications received under the Hong Kong Public Offering. The basis of allocation may vary, depending on the number of Hong Kong Offer Shares validly applied for by applicants. Such allocation could,

---

## STRUCTURE OF THE GLOBAL OFFERING

---

where appropriate, consist of balloting, which would mean that some applicants may receive a higher allocation than others who have applied for the same number of Hong Kong Offer Shares, and those applicants who are not successful in the ballot may not receive any Hong Kong Offer Shares.

The total number of Offer Shares initially available under the Hong Kong Public Offering is to be divided into two pools for allocation purposes: pool A and pool B. The Hong Kong Offer Shares in pool A will be allocated on an equitable basis to applicants who have applied for the Hong Kong Offer Shares with an aggregate subscription price of HK\$5 million (excluding the brokerage, SFC transaction levy, and Hong Kong Stock Exchange trading fee payable) or less. The Hong Kong Offer Shares in pool B will be allocated on an equitable basis to applicants who have applied for the Hong Kong Offer Shares with an aggregate subscription price of more than HK\$5 million (excluding the brokerage, SFC transaction levy and Hong Kong Stock Exchange trading fee payable). Investors should be aware that applications in pool A and applications in pool B may receive different allocation ratios. If the Hong Kong Offer Shares in one (but not both) of the pools are under-subscribed, the surplus Hong Kong Offer Shares will be transferred to the other pool to satisfy demand in that other pool and be allocated accordingly. For the purpose of this paragraph only, the “price” for Offer Shares means the price payable on application therefor (without regard to the Offer Price as finally determined). Applicants can only receive an allocation of the Hong Kong Offer Shares from either pool A or pool B but not from both pools. Multiple or suspected multiple applications and any application for more than 50% of the 25,274,000 Shares initially comprised in the Hong Kong Public Offering (that is 12,637,000 Hong Kong Offer Shares) are liable to be rejected.

### **Reallocation**

The allocation of the Offer Shares between (i) the Hong Kong Public Offering and (ii) the International Offering is subject to adjustment. If the number of Offer Shares validly applied for under the Hong Kong Public Offering represents (i) 15 times or more but less than 50 times, (ii) 50 times or more but less than 100 times, and (iii) 100 times or more of the number of Offer Shares initially available under the Hong Kong Public Offering, then Offer Shares will be reallocated to the Hong Kong Public Offering from the International Offering. As a result of such reallocation, the total number of the Hong Kong Offer Shares available under the Hong Kong Public Offering will be increased to 75,822,000 Shares (in the case of (i)), 101,096,000 Shares (in the case of (ii)) and 126,370,000 Shares (in the case of (iii)) representing approximately 30%, 40% and 50% of the total number of the Offer Shares initially available under the Global Offering, respectively (before any exercise of the Over-allotment Option). In each case, the additional Offer Shares reallocated to the Hong Kong Public Offering will be allocated between pool A and pool B and the number of Offer Shares allocated to the International Offering will be correspondingly reduced in such manner as the Joint Bookrunners deem appropriate. In addition, the Joint Bookrunners may allocate Offer Shares from the International Offering to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering.

If the Hong Kong Public Offering is not fully subscribed, the Joint Bookrunners have the authority to reallocate all or any unsubscribed Hong Kong Offer Shares to the International Offering, in such proportions as the Joint Bookrunners deem appropriate.

The Offer Shares to be offered in the Hong Kong Public Offer and the International Offering may, in certain circumstances, be reallocated as between these offerings at the discretion of the Joint Bookrunners.

### **Applications**

Each applicant under the Hong Kong Public Offering will also be required to give an undertaking and confirmation in the Application Form submitted by him that he and any person(s) for whose benefit he is making the application have not applied for or taken up, or indicated an interest for, and will not apply for or take up, or indicate an interest for, any Offer Shares under the International Offering, and such applicant’s application is

---

## STRUCTURE OF THE GLOBAL OFFERING

---

liable to be rejected if the said undertaking and/or confirmation is breached and/or untrue (as the case may be) or if he has been or will be placed or allocated Shares under the International Offering.

The listing of the Shares on the Hong Kong Stock Exchange is sponsored by the Joint Sponsors. Applicants under the Hong Kong Public Offering are required to pay, on application, the maximum price of HK\$6.10 per Share in addition to any brokerage, SFC transaction levy and Hong Kong Stock Exchange trading fee payable on each Offer Share. If the Offer Price, as finally determined in the manner as set out in “— Pricing of the Global Offering” below, is less than the maximum price of HK\$6.10 per Share, appropriate refund payments (including the brokerage, SFC transaction levy and Hong Kong Stock Exchange trading fee attributable to the surplus application monies) will be made to successful applicants, without interest. Further details are set out in “How to Apply for Hong Kong Offer Shares” in this prospectus.

References in this prospectus to applications, Application Forms, application monies or the procedure for application relate solely to the Hong Kong Public Offering.

### Conditions of the Hong Kong Public Offering

Acceptance of all applications for the Hong Kong Offer Shares pursuant to the Hong Kong Public Offering will be conditional on:

- (a) the Listing Committee granting listing of, and permission to deal in, the existing issued Shares and the Offer Shares being offered pursuant to the Global Offering (including any Shares which may be made available pursuant to the exercise of the Over-allotment Option) (subject only to allotment);
- (b) the Offer Price having been fixed on or around the Price Determination Date;
- (c) the execution and delivery of the International Purchase Agreement on or around Price Determination Date; and
- (d) the obligations of the Underwriters under each of the respective Underwriting Agreements becoming and remaining unconditional and not having been terminated in accordance with the terms of the respective agreements,

in each case on or before the dates and times specified in the respective Underwriting Agreements (unless and to the extent such conditions are validly waived on or before such dates and times) and in any event not later than the date that is 30 days after the date of this prospectus.

**If, for any reason, the Offer Price is not agreed by Tuesday, September 21, 2010 between our Company and the Joint Bookrunners, the Global Offering will not proceed.**

The consummation of each of the Hong Kong Public Offering and the International Offering is conditional upon, among other things, the other offerings becoming unconditional and not having been terminated in accordance with its terms.

If the above conditions are not fulfilled or waived prior to the times and dates specified, the Global Offering will lapse and the Hong Kong Stock Exchange will be notified immediately. Notice of the lapse of the Hong Kong Public Offering will be published by our Company in South China Morning Post (in English) and Hong Kong Economic Times (in Chinese) on the next day following such lapse. In such eventuality, all application monies will be returned, without interest, on the terms set out in “How to Apply for Hong Kong Offer Shares” in this prospectus. In the meantime, all application monies will be held in separate bank account(s) with

---

the receiving bank or other licensed bank(s) in Hong Kong licensed under the Banking Ordinance (Chapter 155 of the Laws of Hong Kong) (as amended).

Share certificates for the Shares are expected to be issued on Wednesday, September 22, 2010 but will only become valid certificates of title at 8:00 a.m. on Friday, September 24, 2010 provided that (i) the Global Offering has become unconditional in all respects and (ii) the right of termination as set out in “Underwriting — Grounds for termination” in this prospectus has not been exercised.

### THE INTERNATIONAL OFFERING

#### Number of Offer Shares offered

Subject to reallocation as described above, the number of the Offer Shares to be initially offered for sale under the International Offering will be 227,466,000 Shares, representing approximately 90% of the Offer Shares initially available under the Global Offering and approximately 16.2% of our enlarged issued share capital immediately after completion of the Global Offering, assuming the Over-allotment Option is not exercised. The International Offering will be offered by us (a) in the United States to QIBs in reliance on Rule 144A under the U.S. Securities Act or another exemption from the registration requirements of the U.S. Securities Act, and (b) outside of the United States in reliance on Regulation S under the U.S. Securities Act, including to professional and institutional investors in Hong Kong.

#### Allocation

The International Offering will include selective marketing of the International Offer Shares to institutional and professional investors and other investors anticipated to have a sizeable demand for the International Offer Shares.

Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities which regularly invest in shares and other securities. Allocation of the International Offer Shares pursuant to the International Offering will be effected in accordance with the “book-building” process as set out in “— Pricing of the Global Offering” below and based on a number of factors, including the level and timing of demand, the total size of the relevant investor’s invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely to buy further Offer Shares, and/or hold or sell its Offer Shares, after the listing of the Offer Shares on the Hong Kong Stock Exchange. Such allocation is intended to result in a distribution of the Offer Shares on a basis which would lead to the establishment of a solid professional and institutional shareholder base to the benefit of our Company and our Shareholders as a whole.

The Joint Bookrunners may require any investor who has been offered International Offer Shares under the International Offering, and who has made an application under the Hong Kong Public Offering to provide sufficient information to the Joint Bookrunners so as to allow it to identify the relevant applications under the Hong Kong Public Offering and to ensure that it is excluded from any application of the Hong Kong Offer Shares under the Hong Kong Public Offering.

### OVER-ALLOTMENT OPTION AND STABILIZATION

#### The Over-allotment Option

In connection with the Global Offering, we intend to grant the Over-allotment Option to the International Purchasers, exercisable by the Sole Global Coordinator at its sole and absolute discretion on behalf of the International Purchasers. Under the Over-allotment Option, which will be exercisable at any time for up to 30

days after the last day for lodging applications under the Hong Kong Public Offering, we may be required to issue at the Offer Price and otherwise on the same terms and conditions as the Shares that are subject to the Global Offering up to an additional 37,911,000 Shares in aggregate, representing approximately 15% of the total number of Shares initially available under the Global Offering. If the Over-allotment Option is exercised in full, the additional Shares made available under the Over-allotment Option will represent approximately 2.6% of our enlarged share capital immediately following the completion of the Global Offering and the exercise of the Over-allotment Option. In the event that the Over-allotment Option is exercised, an announcement will be published in South China Morning Post (in English) and Hong Kong Economic Times (in Chinese).

### **Stock Borrowing Agreement**

In order to facilitate the settlement of over-allocations in connection with the Global Offering, the Stabilization Manager may choose to borrow, whether on its own or through its affiliates, up to 37,911,000 Shares from We’Tron Capital pursuant to the Stock Borrowing Agreement, or acquire Shares from other sources, including exercising the Over-allotment Option.

The terms of the Stock Borrowing Agreement will be in compliance with the requirements set out in Rule 10.07(3) of the Listing Rules and will therefore not be subject to the restrictions of Rule 10.07(1)(a) of the Listing Rules. The principal terms of the Stock Borrowing Agreement are set out as follows:

- (1) such stock borrowing arrangement with We’Tron Capital will only be effected by the Stabilization Manager for settlement of over-allocations in the International Offering;
- (2) the maximum number of Shares borrowed from We’Tron Capital will be limited to the maximum number of Shares which may be issued upon the full exercise of the Over-allotment Option;
- (3) the same number of Shares so borrowed from We’Tron Capital must be returned to We’Tron Capital or its nominees (as the case may be) on or before the third business day following the earlier of (i) the last day on which the Over-allotment Option may be exercised; and (ii) the day on which the Over-allotment Option is exercised in full;
- (4) the arrangement under the Stock Borrowing Agreement will be effected in compliance with all the applicable laws, rules and regulatory requirements; and
- (5) no payment will be made to We’Tron Capital by the Stabilization Manager under the Stock Borrowing Agreement.

### **Stabilizing action**

In connection with the Global Offering, the Stabilization Manager, or any person acting for it, on behalf of the International Purchasers, may over-allocate or effect transactions with a view to supporting the market price of the Shares at a level higher than that which might otherwise prevail for a limited period after the Listing Date. Such transactions, if commenced, may be discontinued at any time but any stabilizing activity is required to be brought to an end no later than the 30th day after the last day for lodging Application Forms under the Hong Kong Public Offering. The Stabilization Manager has been or will be appointed as stabilization manager for the purposes of the Global Offering in accordance with the Securities and Futures (Price Stabilizing) Rules made under the SFO and, should stabilizing transactions be effected in connection with the Global Offering, this will be at the absolute discretion of the Stabilization Manager.

Following any over-allocation of Shares in connection with the Global Offering, the Stabilization Manager or any person acting for it may cover such over-allocation by (among other methods) making purchases

---

## STRUCTURE OF THE GLOBAL OFFERING

---

in the secondary market, exercising the Over-allotment Option in full or in part, or by any combination of purchases and the exercise of the Over-allotment Option. Any such purchases will be made in compliance with all applicable laws and regulatory requirements including the Securities and Futures (Price Stabilizing) Rules made under the SFO. The number of Shares which can be over-allocated will not exceed the number of Shares which are the subject of the Over-allotment Option, being 37,911,000 Shares representing approximately 15% of the Shares initially available under the Global Offering.

Stabilization action permitted in Hong Kong pursuant to the Securities and Futures (Price Stabilizing) Rules, as amended, includes (i) over-allocating for the purpose of preventing or minimizing any reduction in the market price of the Shares, (ii) selling or agreeing to sell the Shares so as to establish a short position in them for the purpose of preventing or minimizing any reduction in the market price of the Shares, (iii) purchasing or subscribing for, or agreeing to purchase or subscribe for, the Shares pursuant to the Over-allotment Option in order to close out any position established under (i) or (ii) above, (iv) purchasing, or agreeing to purchase, any of the Shares for the sole purpose of preventing or minimizing any reduction in the market price of the Shares, (v) selling or agreeing to sell any Shares in order to liquidate any position established as a result of those purchases and (vi) offering or attempting to do anything as described in (ii), (iii), (iv) or (v).

Specifically, prospective applicants for and investors in Shares should note that:

- The Stabilization Manager may, in connection with the stabilizing action, maintain a long position in the Shares;
- There is no certainty regarding the extent to which and the time period for which the Stabilization Manager will maintain such a position;
- Liquidation of any such long position by the Stabilization Manager may have an adverse impact on the market price of the Shares;
- No stabilizing action will be taken to support the price of the Shares for longer than the stabilizing period which will begin on the Listing Date and is expected to expire at the end of Friday, October 15, 2010, being the last business day before the day which is expected to be the 30th day after the last day for lodging Application Forms under the Hong Kong Public Offering. After this date, when no further action may be taken to support the price of the Shares, demand for the Shares, and therefore the price of the Shares, could fall;
- The price of any security (including the Shares) cannot be assured to stay at or above its offer price by the taking of any stabilizing action; and
- Stabilizing bids may be made or transactions effected in the course of the stabilizing action at any price at or below the Offer Price, which means that stabilizing bids may be made or transactions effected at a price below the price paid by applicants for, or investors in, the Shares.

A public announcement, as required by the Securities and Futures (Price Stabilizing) Rules made under the SFO, will be made within seven days of the expiration of the stabilizing period.

## PRICING OF THE GLOBAL OFFERING

The International Purchasers will be soliciting from prospective investors indications of interest in acquiring Offer Shares in the International Offering. Prospective professional and institutional investors will be required to specify the number of the International Offer Shares under the International Offering they would be prepared to acquire either at different prices or at a particular price. This process, known as “book-building,” is

---

## STRUCTURE OF THE GLOBAL OFFERING

---

expected to continue up to, and to cease on or around, the last day for lodging applications under the Hong Kong Public Offering.

Pricing for the Offer Shares for the purpose of the various offerings under the Global Offering will be fixed on the Price Determination Date, which is expected to be on or around September 17, 2010, and in any event on or before September 21, 2010, by agreement between the Joint Bookrunners and our Company, and the number of Offer Shares to be allocated under various offerings will be determined shortly thereafter.

The Offer Price will not be more than HK\$6.10 per Share and is expected to be not less than HK\$4.60 per Share unless otherwise announced, as further explained below, not later than the morning of the last day for lodging applications under the Hong Kong Public Offering. **Prospective investors should be aware that the Offer Price to be determined on the Price Determination Date may be, but is not expected to be, lower than the indicative offer price range stated in this prospectus.**

The Joint Bookrunners may, where considered appropriate, based on the level of interest expressed by prospective professional and institutional investors during the book-building process, and with the consent of our Company, reduce the number of Offer Shares offered in the Global Offering and/or the indicative offer price range below that stated in this prospectus at any time on or prior to the morning of the last day for lodging applications under the Hong Kong Public Offering. In such a case, we will, as soon as practicable following the decision to make such reduction, and in any event not later than the morning of the day which is the last day for lodging applications under the Hong Kong Public Offering, cause there to be published in South China Morning Post (in English) and Hong Kong Economic Times (in Chinese) a notice of the reduction. Upon issue of such a notice, the number of Offer Shares offered in the Global Offering and/or the revised offer price range will be final and conclusive and the offer price, if agreed upon by the Joint Bookrunners and our Company, will be fixed within such revised offer price range. Before submitting applications for Hong Kong Offer Shares, applicants should have regard to the possibility that any announcement of a reduction in the number of Offer Shares being offered under the Global Offering and/or the indicative offer price range may not be made until the day which is the last day for lodging applications under the Hong Kong Public Offering. Such notice will also include confirmation or revision, as appropriate, of the working capital statement and the profit estimate for the six months ended June 30, 2010 and the Global Offering statistics as currently set out in this prospectus, and any other financial information which may change as a result of such reduction. Before submitting applications for Hong Kong Offer Shares, applicants under the Hong Kong Public Offering should note that in no circumstances can applications be withdrawn once submitted, even if the number of Offer Shares being offered under the Global Offering and/or the offer price range is so reduced. In the absence of any such notice so published, the Offer Price, if agreed upon with our Company and the Joint Bookrunners, will under no circumstances be set outside the offer price range as stated in this prospectus.

The net proceeds of the Global Offering accruing to our Company (after deduction of underwriting fees and estimated expenses payable by our Company in relation to the Global Offering, assuming the Over-allotment Option is not exercised) are estimated to be approximately HK\$1,065.5, assuming an Offer Price per Share of HK\$4.60, or approximately HK\$1,428.3, assuming an Offer Price per Share of HK\$6.10 (or if the Over-allotment Option is exercised in full, approximately HK\$1,232.4, assuming an Offer Price per Share of HK\$4.60, or approximately HK\$1,649.6, assuming an Offer Price per Share of HK\$6.10).

The final Offer Price, the indications of interest in the Global Offering, the results of applications and the basis of allotment of the Hong Kong Offer Shares available under the Hong Kong Public Offering, are expected to be announced on Wednesday, September 22, 2010 in South China Morning Post (in English) and Hong Kong Economic Times (in Chinese).
