Application has been made by the Company to the Listing Committee of the Stock Exchange for the granting of the listing of, and permission to deal in, the Shares in issue and to be issued pursuant to (i) the Global Offering (including any additional Shares which may be issued by the Company pursuant to the exercise of the Over-allotment Option); and (ii) the exercise of the options which may be granted under the Pre-IPO Equity Incentive Plan and the Share Option Scheme. Dealings in the Shares on the Stock Exchange are expected to commence at 9:30 a.m. on Thursday, October 7, 2010. The Shares will be traded in board lots of 1,000 Shares each. Subject to the granting of the listing of, and permission to deal in, the Shares in issue and to be issued as described in the Prospectus on the Main Board of the Stock Exchange, as well as compliance with the stock admission requirements of HKSCC, the Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the Listing Date, or such other date as may be determined by HKSCC. All activities under CCASS are subject to the General Rules of CCASS and the CCASS Operational Procedures in effect from time to time. Settlement of transactions between participants of the Stock Exchange is required to take place in CCASS on the second Business Day after any trading day. All necessary arrangements have been made for the Shares to be admitted into CCASS. Applications of the Hong Kong Offer Shares will only be considered on the basis of the terms and conditions set out in the Prospectus and the Application Forms.

The Global Offering comprises the Hong Kong Public Offer of initially 38,500,000 Shares, representing 10% of the total number of Shares initially being offered in the Global Offering (subject to re-allocation), and the International Placing of initially 346,500,000 Shares (subject to re-allocation and the Over-allotment Option). The allocation of the Shares between the Hong Kong Public Offer and the International Placing is subject to adjustment as stated in the paragraph headed “Structure of the Global Offering — The Hong Kong Public Offer” in the Prospectus.

Pursuant to the International Underwriting Agreement, the Company will grant the Over-allotment Option to the International Underwriters, exercisable by the Joint Global Coordinators on behalf of the International Underwriters. Pursuant to the Over-allotment Option, the Joint Global Coordinators will have the right, exercisable at any time from the date of the International Placing Agreement until 30 days after the last day for lodging applications under the Hong Kong Public Offer, to require the Company to allocate and issue up to an aggregate of 57,750,000 additional Shares, representing 15% of the total number of the Offer Shares initially available under the Global Offering, to, among other things, cover over-allocation, if any, in the International Placing. If the Over-allotment Option is exercised in full, the additional Shares issued pursuant to the Over-allotment Option will represent approximately 3.64% of the enlarged issued share capital of the Company following the completion

of the Global Offering and the exercise of the Over-allotment Option. In the event that the Over-allotment Option is exercised, a press announcement will be made on our website at **www.trony.com** and the website of the Stock Exchange at **www.hkexnews.hk**.

In connection with the Global Offering, J.P. Morgan Securities (Asia Pacific) Limited, its affiliates or any person acting for them as the Stabilizing Manager, on behalf of the Underwriters, may over-allocate or effect short sales or any other stabilizing transactions with a view to stabilizing or maintaining the market price of the Shares at a level higher than that which might otherwise prevail in the open market. Such transactions may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws and regulatory requirements including the Securities and Futures (Price Stabilizing) Rules of the SFO. Such stabilization action, if commenced, will be conducted at the absolute discretion of the Stabilizing Manager, its affiliates or any person acting for them, and may be discontinued at any time, and must be brought to an end within 30 days of the last day for the lodging of applications under the Hong Kong Public Offer. The number of Shares that may be over-allocated will not be greater than the number of Shares which may be sold upon exercise of the Over-allotment Option, being 57,750,000 Shares, which is 15% of the Offer Shares initially available under the Global Offering. Details of such stabilization and how it will be regulated under the SFO are contained in the Prospectus.

The Offer Price is expected to be determined by agreement between the Joint Global Coordinators, on behalf of the Underwriters, and the Company on or before the Price Determination Date, when market demand for the Offer Shares will be determined. The Price Determination Date is expected to be on or around Thursday, September 30, 2010. The Offer Price will not be more than HK\$4.50 per Offer Share and is currently expected to be not less than HK\$3.10 per Offer Share unless otherwise announced. Investors applying for Hong Kong Offer Shares under the Hong Kong Public Offer must pay, on application, the maximum Offer Price of HK\$4.50 for each Hong Kong Offer Share together with brokerage of 1%, SFC transaction levy of 0.003%, and Stock Exchange trading fee of 0.005%. The Joint Global Coordinators, on behalf of the Underwriters, may, with the consent of the Company, reduce the number of Offer Shares and/or indicative Offer Price range below that stated in the Prospectus (which is HK\$3.10 to HK\$4.50 per Hong Kong Offer Share) at any time on or prior to the morning of the last day for lodging applications under the Hong Kong Public Offer. In such a case, notices of the reduction in the number of Offer Shares and/or the indicative Offer Price range will be published in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) or on the Company's website at **www.trony.com** and the website of the Stock Exchange at **www.hkexnews.hk** not later than the morning of the last day for lodging applications

under the Hong Kong Public Offer. Upon issue of such a notice, the number of Offer Shares and/or the revised Offer Price range will be final and conclusive and the Offer Price, if agreed upon with the Company, will be fixed within such revised Offer Price range. Such notice will also include confirmation or revision, as appropriate, of the working capital statement, the Global Offering statistics as currently set out in the section headed “Summary” in the Prospectus, and any other financial information which may change materially as a result of such reduction. Share certificate(s) will only become valid certificates of title at 8:00 a.m. on Thursday, October 7, 2010 provided that the Hong Kong Public Offer has become unconditional in all respects and the right of termination described in the section headed “Underwriting — Underwriting Arrangements and Expenses — Hong Kong Public Offer — Hong Kong Underwriting Agreement — Grounds for Termination” of the Prospectus has not been exercised. **If the Joint Global Coordinators (on behalf of the Underwriters) and the Company are unable to reach agreement on the Offer Price by Tuesday, October 5, 2010, the Global Offering will not proceed and will lapse immediately.**

The Global Offering is conditional on the conditions as stated in the section headed “Structure of the Global Offering — Conditions of the Hong Kong Public Offer” of the Prospectus. If the conditions are not fulfilled or waived prior to the times and dates specified in the Prospectus, the Global Offering will thereby lapse and all application monies, together with the brokerage, the SFC transaction levy and the Stock Exchange trading fee received from applicants under the Global Offering, will be returned to the applicants, and in the event that the Offer Price as finally determined is less than the Offer Price of HK\$4.50 per Share initially paid on application, the appropriate portion of the application monies will be refunded, in each case without interest, on the terms set out in the section headed “How to Apply for the Hong Kong Offer Shares — 14. Refund of application monies” of the Prospectus. We will publish notices of the lapse of the Hong Kong Public Offer in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese), and on the website of the Stock Exchange at [www.hkexnews.hk](http://www.hkexnews.hk) and the Company’s website at [www.trony.com](http://www.trony.com) on the next day following such lapse.

Copies of the Prospectus, together with the **WHITE** Application Forms, may be obtained during normal business hours from 9:00 a.m. on Friday, September 24, 2010, until 12:00 noon on Wednesday, September 29, 2010 at:

For allocation purposes only, the total number of Offer Shares available under the Hong Kong Public Offer (after taking into account any reallocation of the Offer Shares between the Hong Kong Public Offer and the International Placing) is to be divided into two pools to the nearest board lot: 19,250,000 Hong Kong Offer Shares

in pool A and 19,250,000 Hong Kong Offer Shares in pool B. The Hong Kong Offer Shares in pool A will be allocated on an equitable basis to successful applicants who have applied for Hong Kong Offer Shares with an aggregate subscription amount of HK\$5 million or less (excluding the brokerage, the SFC transaction levy and the Stock Exchange trading fee payable thereon). The Hong Kong Offer Shares in pool B will be allocated on an equitable basis to successful applicants who have applied for Hong Kong Offer Shares with an aggregate subscription amount of more than HK\$5 million (excluding the brokerage, the SFC transaction levy and the Stock Exchange trading fee payable thereon) and up to the value of pool B. Applicants should be aware that applications in pool A and in pool B may receive different allocation ratios. If the Hong Kong Offer Shares in one pool (but not both pools) are undersubscribed, the surplus Hong Kong Offer Shares will be transferred to the other pool to satisfy demand in that pool and be allocated accordingly. For the purpose of this paragraph only, the “subscription amount” for the Shares means the price payable on application thereof (without regard to the Offer Price as finally determined). Applicants can only receive an allocation of the Hong Kong Offer Shares from either pool A or pool B but not from both pools.

Multiple or suspected multiple applications and any application for more than 50% of the 38,500,000 Shares initially included in the Hong Kong Offer Shares, being 19,250,000 Hong Kong Offer Shares initially allocated to each pool will be rejected. Only one application on a **WHITE** or **YELLOW** Application Form or by way of giving **electronic application instructions** to HKSCC via CCASS or the **White Form eIPO** Service Provider via the **White Form eIPO** service ([www.eipo.com.hk](http://www.eipo.com.hk)) may be made for the benefit of any person. Each applicant under the Hong Kong Public Offer will also be required to give an undertaking and confirmation in the Application Form submitted by him that he and any person(s) for whose benefit he is making the application have not applied for or taken up or indicated an interest in or received or been placed or allocated (including conditionally and/or provisionally) and will not apply for or take up or indicate an interest in any International Placing Shares under the International Placing, nor otherwise participate in the International Placing, and such applicant’s application will be rejected if the said undertaking and/or confirmation is breached and/or untrue (as the case may be).

The Company expects to publish the announcement on the Offer Price, the level of applications in the Hong Kong Public Offer, the level of indications of interest in the International Placing and the basis of allocation of the Hong Kong Offer Shares on Wednesday, October 6, 2010 in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese), on the Company’s website at [www.trony.com](http://www.trony.com) and the website of the Stock Exchange at [www.hkexnews.hk](http://www.hkexnews.hk).
