The Hong Kong Offer Shares and Reserved Shares are offered solely on the basis of the information contained and representations made in this prospectus and the Application Forms and on the terms and subject to the conditions set out herein and therein. No person is authorised to give any information in connection with the Global Offering or to make any representation not contained in this prospectus, and any information or representation not contained herein must not be relied upon as having been authorised by our Company, the Selling Shareholder, the Joint Sponsors, the Joint Bookrunners, the Joint Global Coordinators, the Joint Lead Managers, the Underwriters, any of their respective directors, agents, employees or advisers or any other party involved in the Global Offering.

Details of the structure of the Global Offering, including its conditions, are set out in the section headed "Structure of the Global Offering", and the procedures for applying for Hong Kong Offer Shares and Reserved Shares are set out in the section of this prospectus headed "How to Apply for Hong Kong Offer Shares and Reserved Shares" and on the relevant Applications Forms.

APPLICATION FOR LISTING ON THE STOCK EXCHANGE

We have applied to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Shares in issue and to be issued as mentioned herein, including the Offer Shares, any Shares which may be sold or issued pursuant to the exercise of the Over-allotment Option and any share options under the Share Option Scheme. Dealings in our Shares on the Stock Exchange are expected to commence on Monday, 11 October 2010. None of our share or loan capital is listed on or dealt in on any other stock exchange and no such listing or permission to list is being or proposed to be sought in the near future.

PROFESSIONAL TAX ADVICE RECOMMENDED

Potential investors in the Global Offering are advised to consult their professional advisers if they are in any doubt as to the taxation implications of subscribing for, purchasing, holding, disposing of or dealing in our Shares. None of us, the Joint Sponsors, the Joint Bookrunners, the Joint Global Coordinators, the Selling Shareholder, the Joint Lead Managers, the Underwriters, any of our or their respective directors or any other person or party involved in the Global Offering accepts responsibility for any tax effects on, or liabilities of holders of Shares resulting from the subscription, purchase, holding or disposal of, or dealing in, Shares.

OVER-ALLOTMENT AND STABILISATION

The Company and the Selling Shareholder are expected to grant the Over-allotment Option to the International Underwriters under the International Underwriting Agreement, exercisable by the Joint Global Coordinators on behalf of the International Underwriters. The Over-allotment Option will be exercisable from the Listing Date until 30 days after the last day for the lodging of applications under the Hong Kong Public Offering and Preferential Offering, which is Wednesday, 3 November 2010. Pursuant to the Over-allotment Option, the Joint Global Coordinators may require the Company to issue and allot up to 40,500,000 additional new Shares and the Selling Shareholder to sell up to 40,500,000 additional Shares, being an aggregate of 81,000,000 Shares, representing in aggregate up to 15% of the initial number of Offer Shares, at the Offer Price, to among other things, cover over-allocations in the International Offering, if any. We will not receive any of the proceeds from the sale of the Sale Shares by the Selling Shareholder from the Offer for Sale or pursuant to the exercise of the portion of the Over-allotment Option granted by the Selling Shareholder. An announcement will be made in the event that the Over-allotment Option is exercised.

In connection with the Global Offering, the Stabilising Manager, or any person acting for it, on behalf of the International Underwriters, may to the extent permitted by applicable laws of Hong Kong, over-allocate and/or effect short sales or any other stabilising transactions with a view to stabilising or maintaining the market price of our Shares at a level higher than that which might otherwise prevail in the open market for a limited period commencing from the Listing Date and ending on the 30th day after the last day for lodging of applications under the Hong Kong Public Offering and Preferential Offering, being Wednesday, 3 November 2010. Short sales involve the sale by the Stabilising Manager, or any person acting for it of a greater number of Shares than the underwriters are required to purchase in the Global Offering. "Covered" short sales are short sales made in an amount not greater than the Over-allotment Option and a "covered" short position is any short position, including any such position created as a result of any covered short sales or other sales, in an amount not greater than the Over-allotment Option.

The Stabilising Manager may close out any covered short position by exercising the Over-allotment Option to purchase additional Shares, purchasing Shares in the open market or through stock borrowing arrangements or a combination of these means.

In determining the source of the Shares to close out the covered short position, the Stabilising Manager will consider, among other things, the price of Shares in the open market as compared to the price at which they may purchase additional Shares pursuant to the Over-allotment Option. The stabilising activity which may be taken by the Stabilising Manager or any person acting for it, may include primary and ancillary stabilising actions such as purchasing or agreeing to purchase any of the Offer Shares, exercising the Over-allotment Option, stock borrowing, establishing a short position in the Shares, liquidating long positions in the Shares or offering or attempting to do any such actions. However, there is no obligation on the Stabilising Manager or any person acting for it, to conduct any such stabilising activity, which, if commenced, will be done at the absolute discretion of the Stabilising Manager or any person acting for it, and may be discontinued at any time. Such stabilisation may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws and regulatory requirements, including the Securities and Futures (Price Stabilising) Rules under the SFO. The number of our Shares that may be over-allocated will not exceed the number of our Shares that may be issued and allotted by the Company and sold by the Selling Shareholder under the Over-allotment Option, namely an aggregate of 81,000,000 Shares, representing up to 15% of the Shares initially available under the Global Offering.

INFORMATION ABOUT THIS PROSPECTUS AND THE GLOBAL OFFERING

Stabilising action permitted in Hong Kong pursuant to the Securities and Futures (Price Stabilising) Rules under the SFO includes: (i) over-allocation for the purpose of preventing or minimising any reduction in the market price of the Shares; (ii) selling or agreeing to sell the Shares so as to establish a short position in them for the purpose of preventing or minimising any reduction in the market price of the Shares; (iii) purchasing or subscribing for, or agreeing to purchase or subscribe for, the Shares pursuant to the Over-allotment Option in order to close out any position established under (i) or (ii) above; (iv) purchasing, or agreeing to purchase, any of the Shares for the sole purpose of preventing or minimising any reduction in the market price of the Shares; (v) selling or agreeing to sell any Shares in order to liquidate any position held as a result of those purchases; and (vi) offering or attempting to do anything described in (ii), (iii), (iv) or (v) above. Stabilising actions conducted by the Stabilising Manager, or any person acting for it, will be entered into in accordance with the laws, rules and regulations in place in Hong Kong on stabilisation.

Specifically, prospective applicants for and investors in the Shares should note that:

- the Stabilising Manager or any person acting for it, may, in connection with the stabilising action, maintain a long position in the Shares;
- there is no certainty regarding the extent to which and the time period for which the Stabilising Manager or any person acting for it, will maintain such a position;
- liquidation of any such long position by the Stabilising Manager or any person acting for it which may also take place during the stabilising period, may have an adverse impact on the market price of the Shares;
- no stabilising action can be taken to support the price of the Shares for longer than the stabilising period, which will begin on the Listing Date following announcement of the Offer Price, and is expected to expire on Wednesday, 3 November 2010, being the 30th day after the last date for lodging applications under the Hong Kong Public Offering and Preferential Offering. After this date, when no further stabilising action may be taken, demand for the Shares, and therefore the price of the Shares, could fall;
- the price of the Shares cannot be assured to stay at or above the Offer Price either during or after the stabilising period by the taking of any stabilising action; and
- stabilising bids may be made or transactions effected in the course of the stabilising action at any price at or below the Offer Price, which means that stabilising bids may be made or transactions effected at a price below the price paid by applicants for, or investors in, the Shares.

We will procure that a public announcement in compliance with the Securities and Futures (Price Stabilising) Rules under the SFO will be made within seven days of the expiration of the stabilising period.

For the purpose of covering any covered short position, including any covered short position created by over-allocations, the Stabilising Manager or any person acting for it may borrow from Ample Bonus up to 81,000,000 Shares, equivalent to the maximum number of Shares to be sold and issued on a full exercise of the Over-allotment Option, under the Stock Borrowing Agreement

- (ii) the maximum number of Shares that may be borrowed from Ample Bonus must not exceed the maximum number of Shares that may be issued upon the full exercise of the Over-allotment Option;
- (iii) the same number of Shares so borrowed must be returned to Ample Bonus or its nominees, as the case may be, on or before the third Business Day following the earlier of (a) the last day for exercising the Over-allotment Option, and (b) the date on which the Over-allotment Option is exercised in full;
- (iv) the borrowing of Shares pursuant to the stock borrowing arrangement will be effected in compliance with all applicable Listing Rules, laws and other regulatory requirements; and
- (v) no payments will be made to Ample Bonus by the Stabilising Manager in relation to the Stock Borrowing Agreement.
