holding or disposal of, and dealing in our Shares (or exercising rights attached to them). None of us, the Sole Global Coordinator, the Sole Sponsor, the Underwriters, any of their respective directors or any other person or party involved in the Global Offering accepts responsibility for any tax effects on, or liabilities of, any person resulting from the subscription, purchase, holding or disposal of, dealing in, or the exercise of any rights in relation to, our Shares.

REGISTER OF MEMBERS AND STAMP DUTY

Our Company's principal register of members will be maintained by our principal registrar, Appleby Trust (Cayman) Ltd., in the Cayman Islands and our Company's Hong Kong register of members will be maintained by our Hong Kong Share Registrar, Computershare Hong Kong Investor Services Limited, in Hong Kong.

All Offer Shares will be registered on the register of members of our Company in Hong Kong. Dealings in our Shares registered on our Hong Kong register of members will be subject to Hong Kong stamp duty.

OVER-ALLOTMENT AND STABILIZATION

Stabilization is a practice used by underwriters in some markets to facilitate the distribution of securities. To stabilize, the Underwriters may bid for, or purchase, the newly issued securities in the secondary market, during a specified period of time, to retard and, if possible, prevent a decline in the initial public market price of the securities below the Offer Price. Such transactions may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws and regulatory requirements including those of Hong Kong. In Hong Kong, the price at which stabilization is effected is not permitted to exceed the Offer Price.

In connection with the Global Offering, the Stabilizing Manager, or its affiliates or any person acting for it, on behalf of the Underwriters, may over-allocate or effect transactions with a view to stabilizing or supporting the market price of our Shares at a level higher than that which might otherwise prevail for a limited period after the Listing Date. However, there is no obligation on the Stabilizing Manager, its affiliates or any person acting for it to do this. Such stabilization, if commenced, will be conducted at the absolute discretion of the Stabilizing Manager, its affiliates or any person acting for it and may be discontinued at any time, and is required to be brought to an end after a limited period.

Stabilization action permitted in Hong Kong pursuant to the Securities and Futures (Price Stabilizing) Rules, as amended, includes: (i) over-allocating for the purpose of preventing or minimizing any reduction in the market price of our Shares; (ii) selling or agreeing to sell our Shares so as to establish a short position in them for the purpose of preventing or minimizing any reduction in the market price of our Shares; (iii) purchasing or subscribing for, or agreeing to purchase or subscribe for, our Shares pursuant to the Over-allotment Option in order to close out any position established under (i) or (ii) above; (iv) purchasing, or agreeing to purchase, any of our Shares for the sole purpose of preventing or minimizing any reduction in the market price of our Shares; (v) selling or agreeing to sell any Shares in order to liquidate any position established as a result of those purchases; and (vi) offering or attempting to do anything as described in (ii), (iii), (iv) or (v) above.

The Stabilizing Manager, its affiliates or any person acting for it, may, in connection with the stabilizing action, maintain a long position in our Shares, and there is no certainty as to the extent to which and the time period for which it will maintain such a position. Investors should be warned of the possible impact of any liquidation of the long position by the Stabilizing Manager or any person

acting for it and selling in the open market, which may have an adverse impact on the market price of our Shares.

No stabilizing action can be taken to support the price of our Shares for longer than the stabilization period which will begin on the Listing Date, and is expected to expire on Wednesday, 1 December 2010, being the 30th day after the last date for lodging applications under the Hong Kong Public Offer. After this date, when no further stabilizing action may be taken, demand for our Shares, and therefore the price of our Shares, could fall.

Any stabilizing action taken by the Stabilizing Manager, its affiliates or any person acting for it, may not necessarily result in the market price of our Shares staying at or above the Offer Price either during or after the stabilization period. Stabilizing bids or transactions effected in the course of the stabilizing action may be made at any price at or below the Offer Price and can, therefore, be done at a price below the price paid by applicants for, or investors in, acquiring the Offer Shares.

Following any over-allocation of Shares in connection with the Global Offering, the Stabilizing Manager or its affiliates or any person acting for it may over-allocate up to and not more than an aggregate of 29,925,000 additional Shares, which is 15% of the Shares initially available under the Global Offering, and cover such over-allocations by (among other methods) exercising the Over-allotment Option in full or in part or by using Shares purchased by the Stabilizing Manager, its affiliates or any person acting for it in the secondary market at prices that do not exceed the Offer Price or through stock borrowing arrangement (as detailed in the section headed “Structure of the Global Offering — Stock Borrowing Agreement” in this Prospectus) or a combination of these means.
