
FORWARD-LOOKING STATEMENTS

This prospectus contains forward-looking statements that are, by their nature, subject to significant risks and uncertainties. The forward-looking statements are contained principally in the sections entitled “Summary”, “Risk Factors”, “Future Plans and Use of Proceeds”, “Industry Overview”, “Our Business” and “Financial Information”. These statements relate to events that involve known and unknown risks, uncertainties and other factors, including those listed under “Risk Factors”, which may cause our actual results, performance or achievements to be materially different from performance or achievements expressed or implied by the forward-looking statements. These forward-looking statements include, without limitation, statements relating to:

- our business and operating strategies and our future business development;
- the expected growth and market opportunities as to the battery industry in China and in the international market;
- our ability to meet the changing needs of our clients;
- our ability to enter into new geographic markets and expand our operations;
- our expectations with respect to our ability to acquire and maintain regulatory qualifications required to operate our business;
- changes in competitive conditions and our ability to compete under these conditions;
- our ability to successfully expand our sales and service network;
- changes in the political, economic, legal and social conditions in the PRC;
- changes in the environmental protection policy in the PRC;
- fluctuations in general economic and business conditions in China; and
- changes in currency exchange rates.

The words “anticipate”, “believe”, “could”, “estimate”, “expect”, “intend”, “may”, “plan”, “seek”, “will”, “would” and the negative of these terms and other similar expressions, as they relate to us, are intended to identify a number of these forward-looking statements. These forward-looking statements reflect our current views with respect to future events and are not a guarantee of future performance. Actual results may differ materially from information contained in the forward-looking statements as a result of a number of uncertainties and factors, including but not limited to:

- any changes in the laws, rules and regulations of the central and local governments in the PRC and the rules, regulations and policies of the relevant government authorities relating to all aspects of our business;
- general economic, market and business conditions in China;
- macroeconomic policies of the PRC government;
- changes or volatility in interest rates, foreign exchange rates, equity prices or other rates or prices;
- the effects of competition in the battery industry;
- various business opportunities that we may pursue; and
- the risk factors discussed in this prospectus as well as other factors beyond our control.

FORWARD-LOOKING STATEMENTS

Subject to the requirements of applicable laws, rules and regulations, we do not have any obligation to update or otherwise revise the forward-looking statements in this prospectus, whether as a result of new information, future events or otherwise. As a result of these and other risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this prospectus might not occur in the way we expect, or at all. Accordingly, you should not place undue reliance on any forward-looking information. All forward-looking statements contained in this prospectus are qualified by reference to the cautionary statements set forth in this section as well as the risks and uncertainties discussed in section entitled “Risk Factors”.
