2. RESULTS OF THE A SHARE RIGHTS ISSUE

According to the announcement on the A Share Rights Issue published on the websites of Shanghai Stock Exchange and Hong Kong Stock Exchange (as an overseas regulatory announcement) on 2 November 2010, a total of 630,000,000 A Shares of the Bank were available for subscription under the A Share Rights Issue. The A Share Rights Issue was conducted by way of online pricing and issue via the trading system of the Shanghai Stock Exchange, with China International Capital Corporation Limited and Haitong Securities Company Limited as the joint sponsors, China International Capital Corporation Limited, Haitong Securities Company Limited and China Galaxy Securities Company Limited as the joint lead underwriters, and CITIC Securities Co., Ltd. and China Jiayin Investment Securities Co., Ltd. as the co-lead underwriters of the A Share Rights Issue. All of the A Shareholders whose names appeared on the register of members of the Bank on the A Share Record Date were entitled to subscribe for 0.7 A Rights Shares for every 10 existing A Shares held at the Subscription Price of RMB3.77 per A Rights Share. Fractional entitlements which were less than 1 share were rounded up to the nearest whole number.

The final results of the A Share Rights Issue are as follows:

- (a) After the close of trading on the A Share Record Date (i.e. 4 November 2010), a total of 9,000,000,000 Shares were held by A Shareholders. As at the last day for subscription and payment under the A Share Rights Issue (i.e. 11 November 2010), a total of 593,657,606 A Shares were validly subscribed for, representing 94.23% of the total A Shares available for subscription under the A Share Rights Issue (i.e. 630,000,000 A Shares) and amounting to RMB2,238,089,174.62. This percentage exceeded the “70% threshold for subscription by existing shareholders of the proposed rights shares” required under the Management Methods on Securities Issuance of Listed Companies issued by the CSRC, failing such threshold, would have resulted in the A Share Rights Issue unsuccessful. Accordingly, the A Share Rights Issue has been successfully conducted.
 - (b) The publication of this subscription results announcement shall be deemed as the service of a notice of allotment to all A Shareholders with successful subscriptions for the A Rights Shares.
3. 15 November 2010 shall be the ex-rights basis date for the completion of the A Share Rights Issue, that is, the ex-rights date for existing A Shares. The listing date for the A Rights Shares issued under the A Share Rights Issue will be announced separately.
