NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

For the six months ended 30 June 2011

1. BASIS OF PREPARATION

The condensed consolidated financial statements have been prepared in accordance with the applicable disclosure requirements of Appendix 16 to the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (“Stock Exchange”) and with Hong Kong Accounting Standard (“HKAS”) 34 “Interim Financial Reporting”.

2. SIGNIFICANT ACCOUNTING POLICIES

The condensed consolidated financial statements have been prepared on the historical cost basis except for investment properties and certain financial instruments, which are measured at fair values.

The accounting policies and methods of computation used in these condensed consolidated financial statements for the six months ended 30 June 2011 are the same as those followed in the preparation of the Group’s annual financial statements for the year ended 31 December 2010.

The comparative figures presented in the condensed consolidated statement of comprehensive income have been restated in order to represent operations of Global Digital Creations Holdings Limited (“GDC”) and its subsidiaries (“GDC Group”) as discontinued operations. Details are set out in note 6 to the condensed consolidated financial statements.

In the current interim period, the Group has applied, for the first time, a number of new and revised Standards and Interpretations (“new or revised HKFRSs”) issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”).

Except as described below, the application of the above new or revised HKFRSs in the current interim period has had no material effect on the amounts reported in these condensed consolidated financial statements and/or disclosures set out in these condensed consolidated financial statements.

NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

(continued)

For the six months ended 30 June 2011

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

HKAS 24 Related Party Disclosures (as revised in 2009)

The Group has applied HKAS 24 Related Party Disclosures (as revised in 2009) in full for the first time in the current period. The application of HKAS 24 (as revised in 2009) has resulted in changes in related party disclosures on the following two aspects:

- (i) The Group is a government-related entity as defined in HKAS 24 (as revised in 2009). HKAS 24 (as revised in 2009) provides a partial exemption from the disclosure requirements for government-related entities whilst the previous version of HKAS 24 did not contain specific exemption for government-related entities. Under HKAS 24 (as revised in 2009), the Group has been exempted from making the disclosures required by paragraph 18 of HKAS 24 (as revised in 2009) in relation to related party transactions and outstanding balances (including commitments) with (a) the government that has significant influence over the Group and (b) other entities that are significantly influenced by the same government. Rather, in respect of these transactions and balances, HKAS 24 (as revised in 2009) requires the Group to disclose (a) the nature and amount of each individually significant transaction, and (b) a qualitative or quantitative indication of the extent of transactions that are collectively, but not individually, significant.
- (ii) In addition, HKAS 24 (as revised in 2009) has revised the definition of a related party.

HKAS 24 (as revised in 2009) requires retrospective application. The application of HKAS 24 (as revised in 2009) has had no effect on the amounts recognised or recorded in the condensed consolidated financial statements for the current and prior periods. However, the related party disclosures set out in note 22 to the condensed consolidated financial statements have been changed to reflect the application of HKAS 24 (as revised in 2009) as the Group is a government-related entity. Details are set out in note 22 to the condensed consolidated financial statements.

NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

(continued)

For the six months ended 30 June 2011

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

The Group has not early applied new and revised standards that have been issued but are not yet effective. The following new or revised standards have been issued after the date of the consolidated financial statements for the year ended 31 December 2010 were authorised for issuance and are not yet effective:

HKFRS 10	Consolidated Financial Statements ²
HKFRS 11	Joint Arrangements ²
HKFRS 12	Disclosures of Interests in Other Entities ²
HKFRS 13	Fair Value Measurement ²
HKAS 1(Amendments)	Presentation of Items in Other Comprehensive Income ¹
HKAS 19 (as revised in 2011)	Employee Benefits ²
HKAS 27 (as revised in 2011)	Separate Financial Statements ²
HKAS 28 (as revised in 2011)	Investments in Associates and Joint Ventures ²

¹ Effective for annual periods beginning on or after 1 July 2012.

² Effective for annual periods beginning on or after 1 January 2013.

HKFRS 10 replaces the parts of HKAS 27 Consolidated and Separate Financial Statements that deal with consolidated financial statements. Under HKFRS 10, there is only one basis for consolidation, that is control. In addition, HKFRS 10 includes a new definition of control that contains three elements: (a) power over an investee, (b) exposure, or rights, to variable returns from its involvement with the investee, and (c) ability to use its power over the investee to affect the amount of the investor's returns. Extensive guidance has been added in HKFRS 10 to deal with complex scenarios. Overall, the application of HKFRS 10 requires a lot of judgement. The directors of the Company (the "Directors") are still in the progress of assessing the financial impact.

The Directors anticipate that the application of the other new and revised standards will have no material impact on the condensed consolidated financial statements.

3. SEGMENT INFORMATION

For management purposes, the Group is currently organised into three operating divisions – property leasing and building management services, finance leasing and assets management. These divisions are the basis that is regularly reviewed by the chief operating decision maker in order to allocate resources to the segment and to assess its performance.

6. DISCONTINUED OPERATIONS

(a) Disposal of subsidiaries

On 16 March 2010, a subsidiary of the Company entered into a share transfer agreement with an independent purchaser and a guarantor, pursuant to which the subsidiary agreed to sell to the purchaser the entire issued share capital of Grand Award Limited for US\$1 and to assign the loan to the purchaser for an aggregate consideration of HK\$247,920,000 (the "Disposal"). Grand Award Group carried out all the Group's film and television programme production. The Disposal was completed on 11 June 2010 on which date the Group passed the control of Grand Award Group to the purchaser. Details of the Disposal are set out in the announcement of the Company dated 16 March 2010.

(b) Deemed disposal of subsidiaries

On 10 December 2010, upon allotment and issue of the relevant GDC shares pursuant to its share option scheme, the Company's equity interest in GDC has been diluted and fallen below 50% and was considered as a deemed disposal of GDC. Accordingly, GDC Group ceased to be a subsidiary of the Company and became an associate of the Company on that day ("Deemed Disposal").

SCOPE OF REVIEW

We conducted our review in accordance with Hong Kong Standard on Review Engagements 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity” issued by the Hong Kong Institute of Certified Public Accountants. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Hong Kong Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

CONCLUSION

Based on our review, nothing has come to our attention that causes us to believe that the interim financial information is not prepared, in all material respects, in accordance with HKAS 34.

In the first half of 2011, the Group achieved encouraging results. The Group recorded profit attributable to owners of the Company of approximately HK\$44,954,000 for the six months ended 30 June 2011, represented an increase of approximately 280% when compared with the profit of approximately HK\$11,790,000 for the corresponding period in the year 2010. The increase was mainly attributable to the profits contribution from the disposal of certain investment properties and the increase in the fair value of the investment properties by the property leasing and building management services division, profits from the disposal of partial interests in an associate and the share of profit of an associate.

Revenue from the continuing operations of the Group for the six months ended 30 June 2011 was approximately HK\$29,716,000, compared with that of approximately HK\$33,747,000 for the corresponding period in the year of 2010, represented a decrease of approximately 12% from the same period in 2010. The decrease was mainly attributable to decrease in the finance lease income.

The Group made a gross profit of approximately HK\$10,681,000 from its continuing operations for the six months ended 30 June 2011, representing a gross profit margin of approximately 36%, which was at a similar level to the gross profit margin of approximately 35% for the corresponding period in the year 2010.

Basic earnings per share for the six months ended 30 June 2011 was HK3.9 cents (Six months ended 30 June 2010: HK1.02 cents).

BUSINESS REVIEW AND OUTLOOK

Property Investment and Management

During the period under review, revenue from the property leasing and building management services segment increased by 13% to approximately HK\$3,505,000 (Six months ended 30 June 2010: HK\$3,103,000), while the segment result recorded a profit of approximately HK\$42,797,000 (Six months ended 30 June 2010: profit of HK\$12,455,000). The increase in revenue from the property leasing and building management services segment was mainly attributed to certain maintenance and refurbishment carried out on the investment properties which enhanced the rental value of such properties and promoted occupancy rate. The significant growth in the results of this segment was benefited from the Hong Kong property market boom. During the period under review, the Group recorded an increase in fair value of investment properties of approximately HK\$35,200,000 (Six months ended 30 June 2010: fair value increased of HK\$8,750,000). In addition, gain on disposal of certain investment properties amounting to approximately HK\$4,455,000 was recorded during the period under review.

MANAGEMENT DISCUSSION AND ANALYSIS (continued)

BUSINESS REVIEW AND OUTLOOK (continued)

Property Investment and Management (continued)

Capturing market opportunities, the Group disposed certain investment properties during the period under review (including residential, commercial and industrial units) so as to adjust the combination and quality of the investment properties portfolio. The Group will continue to monitor market changes and seek investment opportunities. During the period under review, the Group received stable cash flow from rental income and expected that the investment properties would continue to contribute stable cash return in the foreseeable future.

Finance Leasing

During the period under review, revenue from the finance leasing segment decreased by approximately 15% to approximately HK\$26,063,000 (Six months ended 30 June 2010: HK\$30,644,000), while the segment result recorded a loss of approximately HK\$3,753,000 (Six months ended 30 June 2010: profit of HK\$1,250,000). The decrease in revenue from the finance leasing segment was mainly attributed to a decrease in interest-bearing finance lease receivable balances and the early completion of finance lease projects. The segmental loss was mainly attributed to a provision for doubtful debts made towards receivables for a particular finance lease.

The Group adhered to prudent risk management policy, with the finance leasing segment continuously carrying out rigorous and regular review of credit risk assessment over all the existing and new finance leasing clients. During the period under review, a provision for doubtful debts amounting to approximately HK\$6,345,000 was made towards receivables for a particular finance lease. Excluding this particular lease, 99.7% of the clients (calculated based on the finance lease receivables as at the period end date) from the finance leasing segment arranged payments timely and according to the agreed repayment schedules. The Group will continue to adopt a careful and prudent credit risk management strategy and endeavour to exercise its best efforts in the recovery of impaired receivables.

In response to the tightening of credit policies in the PRC and the changing international economic environment, the finance leasing segment insisted on adopting a prudent business development strategy. The Group proactively responded to intensifying market competition by refining industrial classification and exploring different financing methods to lower its finance costs and enhance finance leasing project yield. The Group will look for continuous and steady business expansion based on effective risk control.

Assets Management

During the period under review, the assets management segment recorded a revenue of approximately HK\$148,000, while the segment results recorded a loss of approximately HK\$615,000 (Six months ended 30 June 2010: loss of HK\$153,000). The enlarged loss from the assets management segment was mainly attributed to an increase in resources devoted for the expansion of the assets management business during the period under review in expectation of profit contributions within this year.

MANAGEMENT DISCUSSION AND ANALYSIS (continued)**BUSINESS REVIEW AND OUTLOOK** (continued)**Assets Management** (continued)

With an in-depth understanding of PRC economies, industries and cultures together with a well-established global investment relationship connections, the assets management segment focuses on grasping current investment opportunities and tracking market development so as to achieve stable risk-adjusted returns.
