

STRUCTURE OF THE GLOBAL OFFERING

THE GLOBAL OFFERING

This prospectus is published in connection with the Hong Kong Public Offering as part of the Global Offering. Morgan Stanley Asia Limited is the Global Coordinator and Morgan Stanley Asia Limited, J.P. Morgan Securities Ltd. (and in the case of the Hong Kong Public Offering, J.P. Morgan Securities (Asia Pacific) Limited) and CMB International Capital Limited are the Joint Bookrunners for the Global Offering. The Global Offering consists of (subject to adjustment and the Over-allotment Option):

- (a) the Hong Kong Public Offering of initially 37,932,000 Shares (subject to re-allocation as mentioned below) in Hong Kong as described below in the section headed “—The Hong Kong Public Offering”; and
- (b) the International Offering of initially 341,388,000 Shares, consisting of 290,808,000 new Shares and 50,580,000 Sale Shares (subject to re-allocation and the Over-allotment Option as mentioned below) in the United States with QIBs in reliance on Rule 144A or another exemption under the U.S. Securities Act, and outside the United States in reliance on Regulation S.

Investors may apply for our Shares under the Hong Kong Public Offering or indicate an interest, if qualified to do so, for our Shares under the International Offering, but may not do both. The Hong Kong Public Offering is open to members of the public in Hong Kong. The International Offering will involve selective marketing of our Shares to QIBs in the United States in reliance on Rule 144A or another exemption under the U.S. Securities Act, as well as to institutional and professional investors and other investors expected to have a sizeable demand for our Shares in Hong Kong and other jurisdictions outside the United States in reliance on Regulation S. The International Underwriters are soliciting from prospective investors indications of interest in acquiring our Shares in the International Offering. Prospective investors will be required to specify the number of our Shares under the International Offering they would be prepared to acquire either at different prices or at a particular price.

The number of Shares to be offered under the Hong Kong Public Offering and the International Offering respectively may be subject to re-allocation as described in the section headed “Structure of the Global Offering—Pricing and Allocation” in this prospectus.

PRICING AND ALLOCATION

The Offer Price is expected to be fixed by agreement between the Joint Bookrunners (on behalf of the Underwriters), the Selling Shareholder and us on the Price Determination Date, when market demand for the Offer Shares will be determined. The Price Determination Date is expected to be on or around December 7, 2011 and in any event, no later than December 8, 2011.

The Offer Price will be not more than HK\$10.80 per Share and is expected not to be less than HK\$8.50 per Share, unless otherwise announced not later than the morning of the last day for lodging applications under the Hong Kong Public Offering, as explained below. Prospective investors should be aware that the Offer Price to be determined on the Price Determination Date may be, but is not expected to be, lower than the indicative offer price range stated in this prospectus.

STRUCTURE OF THE GLOBAL OFFERING

If, based on the level of interest expressed by prospective institutional, professional and other investors during the book-building process, the Joint Bookrunners (on behalf of the Underwriters and with our consent) consider it appropriate, the number of Offer Shares being offered under the Global Offering and/or the indicative offer price range may be reduced below that stated in this prospectus at any time prior to the morning of the last day for lodging applications under the Hong Kong Public Offering. In such a case, we will, as soon as practicable following the decision to make such reduction, and in any event not later than the morning of December 7, 2011, being the last day for lodging applications under the Hong Kong Public Offering, cause to be published in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese), on the Stock Exchange's website at www.hkexnews.hk and on the Company's website at www.klbaoxin.com notice of the reduction in the number of Offer Shares being offered under the Global Offering and/or the indicative offer price range. Such notice will also include confirmation or revision, as appropriate, of the working capital statement and the offering statistics as currently set out in the section headed "Summary" in this prospectus and any other financial information which may change as a result of such reduction. Before submitting applications for Hong Kong Offer Shares, applicants should have regard to the possibility that any announcement of a reduction in the number of Offer Shares being offered under the Global Offering and/or the indicative offer price range may not be made until the day which is the last day for lodging applications under the Hong Kong Public Offering. Applicants under the Hong Kong Public Offering should note that in no circumstances can applications be withdrawn once submitted, solely because the number of Offer Shares being offered under the Global Offering and/or the indicative offer price range is so reduced.

The Shares to be offered in the Hong Kong Public Offering and the International Offering may, in certain circumstances, be reallocated as between these offerings at the discretion of the Joint Bookrunners.

Allocation of our Shares pursuant to the International Offering will be determined by the Joint Bookrunners and will be based on a number of factors including the level and timing of demand, total size of the relevant investor's invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely to buy further, and/or hold or sell Shares after the Listing. Such allocation may be made to professional, institutional and retail or corporate investors and is intended to result in a distribution of our Shares on a basis which would lead to the establishment of a solid shareholder base to the benefit of our Company and our Shareholders as a whole.

Allocation of Shares to investors under the Hong Kong Public Offering will be based solely on the level of valid applications received under the Hong Kong Public Offering. The basis of allocation may vary, depending on the number of Hong Kong Offer Shares validly applied for by applicants, although the allocation of Hong Kong Offer Shares could, where appropriate, consist of balloting, which would mean that some applicants may receive a higher allocation than others who have applied for the same number of Hong Kong Offer Shares, and those applicants who are not successful in the ballot may not receive any Hong Kong Offer Shares.

The applicable Offer Price, level of applications in the Hong Kong Public Offering, the level of indications of interest in the International Offering, and the basis of allocations of the Hong Kong Offer Shares are expected to be announced on December 13, 2011 through a variety of channels as described in the section headed "How to Apply for the Hong Kong Offer Shares—Results of Allocations" in this prospectus.

STRUCTURE OF THE GLOBAL OFFERING

CONDITIONS OF THE HONG KONG PUBLIC OFFERING

Acceptance of any application for the Hong Kong Offer Shares pursuant to the Hong Kong Public Offering will be conditional on, inter alia:

- the Listing Committee of the Hong Kong Stock Exchange granting listing of, and permission to deal in, the Shares in issue and to be issued as mentioned herein, including the Offer Shares and any Shares which may be issued pursuant to the Capitalization Issue and upon the exercise of the Over-allotment Option;
- the Offer Price being duly determined;
- the execution and delivery of the International Underwriting Agreement on or about the Price Determination Date; and
- the obligations of the Underwriters under each of the Hong Kong Underwriting Agreement and the International Underwriting Agreement having become unconditional and not having been terminated in accordance with the terms of the respective agreements,

in each case on or before the dates and times specified in the Underwriting Agreements (unless and to the extent such conditions are validly waived on or before such dates and times) and in any event not later than the date that is 30 days after the date of this prospectus.

If for any reason, the Offer Price is not agreed by December 8, 2011 between the Joint Bookrunners (on behalf of the Underwriters), the Selling Shareholder and us, the Global Offering will not proceed and will lapse.

If the above conditions are not fulfilled or waived prior to the times and dates specified, the Global Offering will lapse and the Hong Kong Stock Exchange will be notified immediately. We will cause notice of the lapse of the Hong Kong Public Offering to be published by us in the South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) on the next day following such lapse. In such eventuality, all application monies will be returned, without interest, on the terms set out in the section headed “How to Apply for the Hong Kong Offer Shares” in this prospectus. In the meantime, the application monies will be held in separate bank account(s) with the receiving banks or other bank(s) in Hong Kong licensed under the Banking Ordinance, Chapter 155 of the Laws of Hong Kong, as amended.

The consummation of each of the Hong Kong Public Offering and the International Offering is conditional upon, among other things, the other becoming unconditional and not having been terminated in accordance with its terms.

Share certificates for the Offer Shares are expected to be issued on December 13, 2011 but will only become valid certificates of title at 8:00 a.m. on the date of commencement of the dealings in our Shares, which is expected to be on December 14, 2011, if (i) the Global Offering has become unconditional in all respects and (ii) the right of termination as described in “Underwriting—Underwriting Arrangements and Expenses—Hong Kong Public Offering—Grounds for Termination” in this prospectus has not been exercised.

STRUCTURE OF THE GLOBAL OFFERING

THE HONG KONG PUBLIC OFFERING

Number of Shares Initially Offered

We are initially offering 37,932,000 new Shares at the Offer Price, representing 10% of the 379,320,000 Shares initially available under the Global Offering, for subscription by the public in Hong Kong. Subject to the re-allocation of Offer Shares between the International Offering and the Hong Kong Public Offering, the number of Shares initially offered under the Hong Kong Public Offering will represent approximately 1.5% of our total issued share capital immediately after completion of the Global Offering, assuming that the Over-allotment Option is not exercised. In Hong Kong, individual retail investors are expected to apply for Hong Kong Offer Shares through the Hong Kong Public Offering and individual retail investors, including individual investors in Hong Kong applying through banks and other institutions, seeking Offer Shares in the International Offering, will not be allotted Offer Shares in the International Offering.

The Joint Bookrunners (on behalf of the Underwriters) may require any investor who has been offered Shares under the International Offering, and who has made an application under the Hong Kong Public Offering to provide sufficient information to the Joint Bookrunners so as to allow them to identify the relevant applications under the Hong Kong Public Offering and to ensure that it is excluded from any application for Shares under the Hong Kong Public Offering.

The Offer Price will be not more than HK\$10.80 and is expected to be not less than HK\$8.50. Applicants under the Hong Kong Public Offering are required to pay, on application, the maximum offer price of HK\$10.80 per Share plus 1% brokerage fee, 0.003% SFC transaction levy, and 0.005% Hong Kong Stock Exchange trading fee. If the Offer Price, as finally determined on the Price Determination Date, is lower than HK\$10.80, being the maximum price, we will refund the respective difference (including the brokerage fee, the SFC transaction levy and the Hong Kong Stock Exchange trading fee attributable to the surplus application monies) to successful applicants, without interest. Further details are set out in the section headed “How to Apply for the Hong Kong Offer Shares” in this prospectus.

Allocation

For allocation purposes only, the Hong Kong Offer Shares (after taking into account any adjustment in the number of Offer Shares allocated between the Hong Kong Public Offering and the International Offering) will be divided equally into two pools: Pool A and Pool B, both of which are available on an equitable basis to successful applicants. All valid applications that have been received for Hong Kong Offer Shares with a total subscription amount (excluding brokerage, SFC transaction levy and the Hong Kong Stock Exchange trading fee) of HK\$5 million or below will fall into Pool A and all valid applications that have been received for Hong Kong Offer Shares with a total subscription amount (excluding brokerage, SFC transaction levy and Hong Kong Stock Exchange trading fee) of over HK\$5 million and up to the total value of Pool B, will fall into Pool B.

Applicants should be aware that applications in Pool A and Pool B are likely to receive different allocation ratios. If Hong Kong Offer Shares in one pool (but not both pools) are undersubscribed, the surplus Hong Kong Offer Shares will be transferred to the other pool to satisfy demand in that other pool and be allocated accordingly. Applicants can only receive an allocation of Hong Kong Offer Shares from either Pool A or Pool B but not from both pools and may only apply for Hong Kong Offer Shares in either Pool A or Pool B. When there is over-subscription, allocation of the Hong Kong Offer Shares

STRUCTURE OF THE GLOBAL OFFERING

to investors under the Hong Kong Public Offering, both in relation to Pool A and Pool B, will be based on the level of valid applications received under the Hong Kong Public Offering. The basis of allocation in each pool may vary, depending on the number of Hong Kong Offer Shares validly applied for by each applicant. The allocation of Hong Kong Offer Shares could, where appropriate, consist of balloting, which would mean that some applicants may receive a higher allocation than others who have applied for the same number of Hong Kong Offer Shares and those applicants who are not successful in the ballot may not receive any Hong Kong Offer Shares. Multiple or suspected multiple applications within Pool A or Pool B, and between the two pools and any application for more than 50% of the 37,932,000 Shares initially comprised in the Hong Kong Public Offering (that is 18,966,000 Hong Kong Offer Shares) are liable to be rejected. Each applicant under the Hong Kong Public Offering will also be required to give an undertaking and confirmation in the application submitted by him that he and any person(s) for whose benefit he is making the application have not indicated an interest for or taken up and will not indicate an interest for or take up any Offer Shares under the International Offering, and such applicant's application will be rejected if the said undertaking and/or confirmation is breached and/or untrue (as the case may be).

Reallocation

The allocation of Shares between the Hong Kong Public Offering and the International Offering is subject to adjustment. If the number of Hong Kong Offer Shares validly applied for in the Hong Kong Public Offering represents (i) 15 times or more but less than 50 times, (ii) 50 times or more but less than 100 times, and (iii) 100 times or more, of the number of Hong Kong Offer Shares initially available under the Hong Kong Public Offering, the total number of Hong Kong Offer Shares available under the Hong Kong Public Offering will be increased to a minimum of 113,796,000, 151,728,000 and 189,660,000 Hong Kong Offer Shares, respectively, representing 30% in the case of (i), 40% in the case of (ii) and 50% in the case of (iii), respectively, of the total number of Offer Shares initially available under the Global Offering (before any exercise of the Over-allotment Option), and such reallocation being referred to in this prospectus as "Mandatory Reallocation". In such cases, the number of Offer Shares allocated in the International Offering will be correspondingly reduced, in such manner as the Joint Bookrunners deem appropriate, and such additional Offer Shares will be reallocated to Pool A and Pool B in the Hong Kong Public Offering.

If the Hong Kong Public Offering is not fully subscribed, the Joint Bookrunners have the authority to reallocate all or any unsubscribed Hong Kong Offer Shares to the International Offering, in such proportions as the Joint Bookrunners deem appropriate. In addition to any Mandatory Reallocation which may be required, the Joint Bookrunners may, at their discretion, reallocate Shares initially allocated for the International Offering to the Hong Kong Public Offering to satisfy valid applications in Pool A and Pool B under the Hong Kong Public Offering, regardless of whether the Mandatory Reallocation is triggered.

References in this prospectus to applications, Application Forms, application monies or to the procedure for application relate solely to the Hong Kong Public Offering.

Applications

Each applicant under the Hong Kong Public Offering will also be required to give an undertaking and confirmation in the application submitted by him that he and any person(s) for whose benefit he is making the application has not applied for or taken up, or indicated an interest for, and will not apply

STRUCTURE OF THE GLOBAL OFFERING

for or take up, or indicate an interest for, any Offer Shares under the International Offering, and such applicant's application will be rejected if the said undertaking and/or confirmation is breached and/or untrue (as the case may be) or it has been or will be placed or allocated Offer Shares under the International Offering. Applicants under the Hong Kong Public Offering are required to pay, on application, the maximum price of HK\$10.80 per Offer Share in addition to the brokerage, SFC transaction levy and the Hong Kong Stock Exchange trading fee payable on each Offer Share. If the Offer Price, as finally determined in the manner described in "Pricing and Allocation" above, is less than the maximum price of HK\$10.80 per Offer Share, appropriate refund payments (including the brokerage, SFC transaction levy and the Hong Kong Stock Exchange trading fee attributable to the surplus application monies) will be made to successful applicants, without interest. Further details are set out below in "How to Apply for the Hong Kong Offer Shares".

THE INTERNATIONAL OFFERING

Number of Offer Shares Offered

The International Offering will consist of an initial offering of 341,388,000 Offer Shares comprising 290,808,000 new Shares and 50,580,000 Sale Shares, representing 90% of the Offer Shares under the Global Offering. The International Offering is subject to the Hong Kong Public Offering being unconditional. Subject to the reallocation of the Offer Shares between the International Offering and the Hong Kong Public Offering, the number of Shares initially offered under the International Offering will represent 13.5% of our total issued share capital immediately after completion of the Global Offering, assuming that the Over-allotment Option is not exercised.

Allocations

Pursuant to the International Offering, the International Underwriters will conditionally place new Shares and the Sale Shares with QIBs in the United States in reliance on Rule 144A or another exemption under the U.S. Securities Act, as well as with institutional and professional investors and other investors in Hong Kong and other jurisdictions outside the United States in reliance on Regulation S.

Over-allotment Option

We and the Selling Shareholder expect to grant the Over-allotment Option to the International Underwriters, exercisable by the Global Coordinator on behalf of the International Underwriters, after consultation with the Joint Bookrunners from the Listing Date until and including the 30th day after the last day for lodging Application Forms under the Hong Kong Public Offering, to require us and/or the Selling Shareholder to issue and/or sell up to an aggregate of 56,898,000 Shares, representing in aggregate 15% of the Offer Shares initially available under the Global Offering at the Offer Price to cover over-allocations, if any, in the International Offering. Out of the 56,898,000 Shares, 28,449,000 Shares are expected to be issued by us, with the remaining 28,449,000 Shares to be sold by the Selling Shareholder. These Shares will be offered at the Offer Price. An announcement will be made in the event that the Over-allotment Option is exercised.

STRUCTURE OF THE GLOBAL OFFERING

STABILIZATION

Stabilization is a practice used by underwriters in some markets to facilitate the distribution of securities. To stabilize, the Underwriters may bid for, or purchase, the new securities in the secondary market, during a specified period of time, to retard and, if possible, prevent any decline in the market price of the securities below the offer price. In Hong Kong and certain other jurisdictions, activity aimed at reducing the market price is prohibited and the price at which stabilization is effected is not permitted to exceed the offer price.

In connection with the Global Offering, the Stabilizing Manager, its affiliates or any person acting for it, on behalf of the Underwriters, may over allocate or effect short sales or any other stabilizing transactions with a view to stabilizing or maintaining the market price of our Shares at a level higher than that which might otherwise prevail in the open market. Short sales involve the sale by the Stabilizing Manager of a greater number of Shares than the underwriters are required to purchase in the Global Offering. “Covered” short sales are short sales made in an amount not greater than the Over-allotment Option and “covered” short position is any short position, including any such position created as a result of any covered short sales or other sales, in an amount not greater than the Over-allotment Option.

The Stabilizing Manager may close out any covered short position by exercising the Over-allotment Option to purchase additional Shares, purchasing Shares in the open market or through stock borrowing arrangements or a combination of these means.

In determining the source of the Shares to close out the covered short position, the Stabilizing Manager will consider, among other things, the price of Shares in the open market as compared to the price at which they may purchase additional Shares pursuant to the Over-allotment Option. Stabilizing transactions consist of certain bids or purchases made for the purpose of preventing or retarding a decline in the market price of the Shares while the Global Offering is in progress. Any market purchases of our Shares may be effected on any stock exchange, including the Hong Kong Stock Exchange, any over-the-counter market or otherwise, provided that they are made in compliance with all applicable laws and regulatory requirements. However, there is no obligation on the Stabilizing Manager or any person acting for it to conduct any such stabilizing activity, which, if commenced, will be done at the absolute discretion of the Stabilizing Manager and may be discontinued at any time. Any such stabilizing activity is required to be brought to an end within 30 days of the last day for the lodging of applications under the Hong Kong Public Offering. The number of our Shares that may be over-allocated will not exceed the number of our Shares that may be issued under the Over-allotment Option, namely 56,898,000 Shares, which is 15% of the Shares initially available under the Global Offering.

Stabilizing action permitted in Hong Kong pursuant to the Securities and Futures (Price Stabilizing) Rules (Chapter 571W of the Laws of Hong Kong) includes: (i) over-allocation for the purpose of preventing or minimizing any reduction in the market price of the Shares; (ii) selling or agreeing to sell the Shares so as to establish a short position in them for the purpose of preventing or minimizing any reduction in the market price of the Shares; (iii) purchasing or subscribing for, or agreeing to purchase or subscribe for, the Shares pursuant to the Over-allotment Option in order to close out any position established under (i) or (ii) above; (iv) purchasing, or agreeing to purchase, any of the Shares for the sole purpose of preventing or minimizing any reduction in the market price of the Shares; (v) selling or agreeing to sell any Shares in order to liquidate any position held as a result of those

STRUCTURE OF THE GLOBAL OFFERING

purchases; and (vi) offering or attempting to do anything described in (ii), (iii), (iv) or (v). Stabilizing actions by the Stabilizing Manager, or any person acting for it, will be entered into in accordance with the laws, rules and regulations in place in Hong Kong on stabilization.

Specifically, prospective applicants for and investors in the Shares should note that:

- the Stabilizing Manager or any person acting for it, may, in connection with the stabilizing action, maintain a long position in the Shares;
- there is no certainty regarding the extent to which and the time period for which the Stabilizing Manager or any person acting for it, will maintain such a position;
- liquidation of any such long position by the Stabilizing Manager which may also take place during the stabilization period, may have an adverse impact on the market price of the Shares;
- no stabilizing action can be taken to support the price of the Shares for longer than the stabilizing period which will begin on the Listing Date following announcement of the Offer Price, and is expected to expire on January 6, 2012, being the 30th day after the last date for lodging applications under the Hong Kong Public Offering. After this date, when no further stabilizing action may be taken, demand for the Shares, and therefore the price of the Shares, could fall;
- the price of the Shares cannot be assured to stay at or above the Offer Price either during or after the stabilizing period by the taking of any stabilizing action; and
- stabilizing bids may be made or transactions effected in the course of the stabilizing action at any price at or below the Offer Price, which means that stabilizing bids may be made or transactions effected at a price below the price paid by applicants for, or investors in, the Shares.

Our Company will procure that a public announcement in compliance with the Securities and Futures (Price Stabilizing) Rules will be made within seven days of the expiration of the stabilizing period.

For the purpose of covering any covered short position, including any covered short position created by over-allocations, the Stabilizing Manager or its affiliates may borrow from Baoxin Investment up to 56,898,000 Shares, equivalent to the maximum number of Shares to be sold on a full exercise of the Over-allotment Option, under the Stock Borrowing Agreement expected to be entered into between the Stabilizing Manager (or its affiliates acting on its behalf) and Baoxin Investment on or about the Price Determination Date. The loan of Shares by Baoxin Investment pursuant to the Stock Borrowing Agreement shall not be subject to the non-disposal undertakings given by the Controlling Shareholders to the Hong Kong Stock Exchange and the Global Coordinator, the Joint Bookrunners, the Joint Sponsors and the Hong Kong Underwriters (See “Underwriting—Underwriting Arrangements and

STRUCTURE OF THE GLOBAL OFFERING

Expenses—(c) Undertakings pursuant to the Hong Kong Underwriting Agreement”) which restrict the disposal of Shares by Baoxin Investment subsequent to the date of the Hong Kong Underwriting Agreement, subject to compliance with the following requirements:

- (i) the Stock Borrowing Agreement will be for the sole purpose of covering any short position prior to the exercise of the Over-allotment Option in connection with the International Offering;
- (ii) the maximum number of Shares which may be borrowed from Baoxin Investment must not exceed the maximum number of Shares which may be sold upon the full exercise of the Over-allotment Option;
- (iii) subject to any arrangement relating to the sale of up to 28,449,000 Shares by our Selling Shareholder pursuant to the exercise of the Over-allotment Option, the same number of Shares so borrowed must be returned to Baoxin Investment or its nominees, as the case may be, on or before three Business Days following the earlier of (a) the last date on which the Over-allotment Option may be exercised, and (b) the date on which the Over-allotment Option is exercised in full; and
- (iv) the borrowing of Shares pursuant to the Stock Borrowing Agreement will be effected in compliance with all applicable Listing Rules, laws and other regulatory requirements.

DEALING ARRANGEMENTS

Assuming that the Hong Kong Public Offering becomes unconditional at or before 8:00 a.m. in Hong Kong on December 14, 2011, it is expected that dealings in Shares on the Hong Kong Stock Exchange will commence at 9:00 a.m. on December 14, 2011.

UNDERWRITING ARRANGEMENTS

The Hong Kong Public Offering is fully underwritten by the Hong Kong Underwriters under the terms of the Hong Kong Underwriting Agreement, subject to agreement on the Offer Price between the Joint Bookrunners (on behalf of the Underwriters), the Selling Shareholder and us on the Price Determination Date and subject to the other conditions set out in the section headed “Conditions of the Hong Kong Public Offering” above.

We expect shortly after determination of the Offer Price on the Price Determination Date, to enter into the International Underwriting Agreement relating to the International Offering.

Underwriting arrangements, the Hong Kong Underwriting Agreement and the International Underwriting Agreement are summarized in the section headed “Underwriting” in this prospectus.
