6. Repurchases of our own securities

(A) Relevant legal and regulatory requirements in Hong Kong

The Listing Rules permit a listed company whose primary listing is on the Stock Exchange to repurchase its securities on the Stock Exchange subject to the following restrictions:

Shareholder’s approval

All proposed repurchases of Shares (which must be fully paid up) must be approved in advance by an ordinary resolution of our Shareholders in a general meeting, either by way of general mandate or by specific approval of a particular transaction. Pursuant to a resolution passed by our Shareholders on November 24, 2011, a general unconditional mandate (being the Repurchase Mandate referred to above) was given to our Board authorizing any repurchase by our Company of Shares on the Stock Exchange or on any other stock exchange on which the securities may be listed and which is recognized by the SFC and the Stock Exchange for this purpose, of not more than 10% of the aggregate nominal value of our Company’s share capital in issue immediately following the completion of the Global Offering (without taking into account any Shares which may be issued pursuant to the exercise of the Over-allotment Option or any Shares which may be allotted and issued pursuant to the exercise of the options that may be granted under the Share Option Scheme).

Source of funds

Repurchases by our Company must be funded out of funds legally available for the purpose in accordance with the Articles of Association and the applicable laws and regulations of the Cayman Islands. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange.

Trading restrictions

The total number of Shares which our Company may repurchase is up to 10% of the total number of our Shares in issue immediately after the completion of the Global Offering (without taking into account any Shares which may be issued pursuant to the exercise of the Over-allotment Option or any Shares which may be allotted and issued pursuant to the exercise of the options that may be granted under the Share Option Scheme). Without the prior approval of the Stock Exchange, our Company may not issue or announce a proposed issue of Shares for a period of 30 days immediately following a repurchase of Shares. Our Company is also prohibited from repurchasing Shares on the Stock Exchange if the repurchase would result in the number of listed Shares which are in the hands of the public falling below the relevant prescribed minimum percentage as required by the Stock Exchange. Our Company is required to procure that the broker appointed by our Company to effect a repurchase of Shares discloses to the Stock Exchange such information with respect to the repurchase as the Stock Exchange may require. As required by the prevailing requirements of the Listing Rules, an issuer shall not purchase its shares on the Stock Exchange if the purchase price is higher by 5% or more than the average closing market price for the five preceding trading days on which its shares were traded on the Stock Exchange. Our Company is required to procure that the broker appointed by it to effect a repurchase of Shares discloses to the Stock Exchange such information with respect to the repurchase as the Stock Exchange may require.

Status of repurchased Shares

All repurchased Shares (whether effected on the Stock Exchange or otherwise) will be automatically delisted and the certificates for those Shares must be cancelled and destroyed. Under the Companies Law, unless prior to the repurchase, the directors of our Company resolve to hold the Shares repurchased by our Company as treasury shares, our Company's repurchased Shares shall be treated as cancelled and the amount of our Company's issued share capital shall be reduced by the aggregate par value of the repurchased Shares accordingly although the authorized share capital of our Company will not be reduced.

Suspension of repurchase

Pursuant to the Listing Rules, our Company may not make any repurchase of Shares after a price sensitive development has occurred or has been the subject of a decision until such time as the price sensitive information has been made publicly available. In particular, under the requirements of the Listing Rules in force as at the date of this Prospectus, during the period of one month immediately preceding the earlier of:

- the date of the Board meeting (as such date is first notified to the Stock Exchange in accordance with the Listing Rules) for the approval of our Company's results for any year, half-year, quarterly or any other interim period (whether or not required under the Listing Rules); and
- the deadline for our Company to publish an announcement of our Company's results for any year or half-year under the Listing Rules, or quarterly or any other interim period (whether or not required under the Listing Rules), and in each case ending on the date of the results announcement, our Company may not repurchase Shares on the Stock Exchange unless the circumstances are exceptional. In addition, the Stock Exchange may prohibit a repurchase of our Shares on the Stock Exchange if our Company has breached the Listing Rules.

Procedural and reporting requirements

As required by the Listing Rules, repurchases of Shares on the Stock Exchange or otherwise must be reported to the Stock Exchange not later than 30 minutes before the earlier of the commencement of the morning trading session or any pre-opening session on the Stock Exchange business day following any day on which our Company may make a purchase of Shares. The report must state the total number of the Shares purchased the previous day, the purchase price per Share or the highest and lowest prices paid for such purchases. Moreover, our Company's annual report is required to disclose details regarding repurchases of Shares made during the year, including a monthly analysis of the number of the Shares repurchased, the purchase price per Share or the highest and lowest price paid for all such purchases, where relevant, and the aggregate price paid.

Connected parties

Our Company is prohibited from knowingly repurchasing Shares on the Stock Exchange from a "connected person" and a connected person shall not knowingly sell its securities to our Company on the Stock Exchange.

(B) Reasons for repurchases

Our Directors believe that it is in the best interests of our Company and Shareholders for our Directors to have general authority from our Shareholders to enable our Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made where our Directors believe that such repurchases will benefit our Company and our Shareholders.

(C) Funding of repurchases

In repurchasing securities, our Company may only apply funds legally available for such purpose in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands.

On the basis of our current financial position as disclosed in this Prospectus and taking into account our current working capital position, our Directors consider that, if the Repurchase Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of our Company as compared with the position disclosed in this Prospectus. However, our Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of our Company which in the opinion of our Directors are from time to time appropriate for our Company.

The exercise in full of the Repurchase Mandate, on the basis of 2,000,000,000 Shares in issue immediately after the Global Offering (and assuming that the Over-allotment Option is not exercised and none of the options that may be granted under the Share Option Scheme is exercised), could accordingly result in up to 200,000,000 Shares being repurchased by our Company during the period prior to (i) the conclusion of the next annual general meeting of our Company; (ii) the expiration of the period within which the next annual general meeting of our Company is required by the Articles of Association or any applicable laws of the Cayman Islands to be held; or (iii) the revocation or

variation of the purchase mandate by an ordinary resolution of our Shareholders in a general meeting, whichever occurs first (the “Relevant Period”). If the Over-allotment Option is exercised in full, the exercise in full of the Repurchase Mandate on the basis of 2,075,000,000 Shares in issue immediately after the Global Offering could result in up to 207,500,000 Shares being repurchased by our Company during the Relevant Period.

(D) General

None of our Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates (as defined in the Listing Rules) currently intends to sell any Shares to our Company.

Our Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws and regulations of the Cayman Islands.

If, as a result of any repurchase of Shares, a Shareholder’s proportionate interest in the voting rights of our Company is increased, such increase will be treated as an acquisition for the purposes of the Code on Takeovers and Mergers and Share Repurchase (“Takeovers Code”). Accordingly, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of our Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Hong Kong Takeovers Code. Save as aforesaid, our Directors are not aware of any consequences which would arise under the Hong Kong Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate. No connected person has notified our Company that he has a present intention to sell Shares to our Company, or has undertaken not to do so, if the Repurchase Mandate is exercised.

1. Purpose of the Share Option Scheme

The purpose of the Share Option Scheme is to provide an incentive for Qualified Participants (defined below) to work with commitment towards enhancing the value of our Company and the Shares for the benefit of our Shareholders and to retain and attract calibres and working partners whose contributions are or may be beneficial to the growth and development of our Group.

2. Participants of the Share Option Scheme and the basis of determining the eligibility of the participants

The board of directors of our Company (the “Board”) may at its discretion grant options to any full-time or part-time employees, consultants or potential employees, consultants, executives or

officers (including executive, non-executive and independent non-executive directors) of the Company or any of its Subsidiaries and any suppliers, customers, consultants, agents and advisers who, in the absolute discretion of the Board has contributed or will contribute to our Group (collectively “Qualified Participants”).

3. *Status of the Share Option Scheme*

(a) *Conditions of the Share Option Scheme*

The Share Option Scheme shall take effect subject to and is conditional upon: (i) the commencement of dealing in the shares on the Stock Exchange; (ii) the passing of the necessary resolutions to adopt the Share Option Scheme by our Shareholders and the Board; (iii) the obligations of the Underwriter under the Underwriting Agreement becoming unconditional (including, if relevant, following the waiver(s) of any conditions by the Sole Global Coordinator) (acting for and on behalf of the Underwriter) and not being terminated in accordance with their terms or otherwise; and (iv) the Listing Committee approving the listing of and permission to deal in any Shares to be allotted and issued pursuant to the exercise of options under the Share Option Scheme (the “Conditions”).

(b) *Life of the Share Option Scheme*

The Share Option Scheme shall be valid and effective for 10 years from the Listing Date (the “Scheme Period”), after which time no further option will be granted but the provisions of the Share Option Scheme shall remain in full force and effect in all other respects.

4. *Grant of options*

(a) *Making of offer*

An offer of the grant of an option shall be made to a Qualified Participant by an offer document (“Offer Letter”) in such form as the Board may from time to time determine, requiring the Qualified Participant to undertake to hold the option on the terms on which it is to be granted and to be bound by the provisions of the Share Option Scheme (including any operational rules made under the Share Option Scheme). The offer shall remain open for acceptance for a period of 14 business days from the date on which it is made PROVIDED THAT no such offer shall be open for acceptance after the expiry of the Scheme Period or after the termination of the Share Option Scheme. Unless otherwise determined by the Board and stated in the Offer Letter, there shall be no general performance target for the vesting or exercise of options.

(b) *Acceptance of an offer*

An option shall be deemed to have been granted to (subject to certain restrictions in the Share Option Scheme), and accepted by, the Qualified Participant (the “Grantee”) and to have taken effect upon the issue of an option certificate after the duplicate offer letter comprising acceptance of the option duly signed by the Grantee together with a remittance in favor of our Company of HK\$1.00 by way of consideration for the grant of the option shall have been received by our Company on or before the last day for acceptance set out in paragraph 4(a) above. The remittance is not in any circumstances refundable and shall be deemed as part payment of the exercise price. Once accepted, the option is granted as from the date on which it was offered to the relevant Grantee.

(c) Restrictions on time of grant

- (i) No grant of options shall be made after a price sensitive event in relation to the securities of our Company has occurred or a price sensitive matter in relation to the securities of our Company has been the subject of a decision, until the price sensitive information has been announced pursuant to the requirements of the Listing Rules. In particular, no option shall be granted during the period of one month immediately preceding the earlier of:
- (1) the date of the Board meeting as shall have been notified to the Stock Exchange for the approval of our Company's results for any year, half-year or quarterly or any other interim period (whether or not required under the Listing Rules); and
 - (2) the deadline for our Company to publish an announcement of its results for any year or half-year under the Listing Rules or quarterly or other interim period (whether or not required under the Listing Rules),

and ending on the actual date of the results announcement for such year, half year, quarterly or interim period (as the case may be). The period during which no option may be granted will cover any period of delay in the publication of a results announcement.

- (ii) For so long as the shares are listed on the Stock Exchange:

- (1) no options shall be granted during the period of 60 days immediately preceding the publication date of the annual results or, if shorter, the period from the end of the relevant financial year up to the publication date of the results; and
- (2) during the period of 30 days immediately preceding the publication date of the quarterly results (if any) and half-year results or, if shorter, the period from the end of the relevant quarterly or half-year period up to the publication date of the results.

(d) Grant to connected persons

Any grant of options to a connected person must be approved by all the independent non-executive directors (excluding any independent non-executive director who is also a proposed Grantee of the options, the vote of such independent non-executive director shall not be counted for the purposes of approving the grant).

(e) Grant to substantial shareholders and independent non-executive directors

Without prejudice to paragraph 4(d) above, any grant of options to a substantial shareholder or an independent non-executive director of our Company or any of their respective associates must be approved by our Shareholders in general meeting if the shares issued and to be issued upon exercise of all options already granted and proposed to be granted to him (whether exercised, cancelled or outstanding) in the 12 month period up to and including the proposed date of such grant:

- (i) would represent in aggregate more than 0.1 per cent, or such other percentage as may from time to time be provided under the Listing Rules, of the Shares then in issue; and
- (ii) would have an aggregate value, based on the closing price of the Shares at the date of each grant, in excess of HK\$5,000,000 (or such other amount as shall be permissible under the Listing Rules from time to time).

(f) Proceedings in general meeting to approve the grant of option

At the general meeting to approve the proposed grant of options under paragraph (d), all connected persons of our Company must abstain from voting unless intending to vote against the proposed grant. At such general meeting, the vote to approve the grant of such options must be taken on a poll in accordance with the relevant provisions of the Listing Rules.

(g) Performance target

Our Board has the discretion to require a particular grantee to achieve certain performance targets specified at the time of grant before any option granted under the Share Option Scheme can be exercised. There are no specific performance targets stipulated under the terms of the Share Option Scheme and our Board currently has no intention to set any specific performance targets on the exercise of any options granted or to be granted under the Share Option Scheme.

5. Subscription price

The price per Share at which a Grantee may subscribe for Shares upon exercise of an option (the “Subscription Price”) shall, subject to any adjustment pursuant to paragraph 7 below, be a price determined by the Board but in any event shall be at least the highest of:

- (i) the closing price of the Shares as stated in the Stock Exchange’s daily quotations sheets on the date on which the option is offered (the “Offer Date”);
- (ii) the average of the closing prices of the Shares as stated in the Stock Exchange’s daily quotation sheets for the five business days immediately preceding the Offer Date; and
- (iii) the nominal value of the Shares;

except that for the purposes of calculating the Subscription Price under paragraph 5(ii) above for an option offered within five Business Days of the Listing Date, the price at which the Shares are to be offered for subscription pursuant to the Global Offering shall be used as the closing price for any Business Day falling within the period before the Listing Date.

6. Maximum number of Shares available for subscription**(a) Scheme Mandate**

Subject to sub-paragraphs 6(b) and 6(c) below, the maximum number of Shares in respect of which options may be granted under the Share Option Scheme and any other share option schemes of our Company shall not in aggregate exceed the number of Shares that shall represent 10% of the total number of Shares in issue as of the Listing Date (excluding Shares which may be allotted and issued under the Over-allotment Option) (“Scheme Mandate”) which is expected to be 200,000,000 Shares. For the purpose of calculating the Scheme Mandate, options which have lapsed in accordance with the terms of the relevant scheme shall not be counted.

(b) Renewal of Scheme Mandate

Our Company may seek approval by our Shareholders in general meeting for renewing the Scheme Mandate provided that the total number of Shares in respect of which options may be

granted under the Share Option Scheme and any other schemes of our Company under the Scheme Mandate as renewed must not exceed 10% of the total number of Shares in issue as at the date of the shareholders' approval. Options previously granted under the Share Option Scheme and any other share option schemes of our Company, whether outstanding, cancelled, lapsed in accordance with its applicable rules or already exercised, will not be counted for the purpose of calculating the limit as renewed.

For the purpose of seeking the approval of our Shareholders under this sub-paragraph 6(b), a circular containing the information required under Rule 17.02(2)(d) of the Listing Rules and the disclaimer required under Rule 17.02(4) of the Listing Rules must be sent to our Shareholders.

(c) Grant of Options beyond Scheme Mandate

Our Company may seek separate approval by our Shareholders in general meeting for granting options beyond the Scheme Mandate provided that the options in excess of the Scheme Mandate are granted only to Qualified Participants who are specifically identified before such approval is sought.

For the purpose of seeking the approval of our Shareholders under this sub-paragraph (6)(c), our Company must send a circular to our Shareholders containing a generic description of the specified Grantees who may be granted such options, the number and terms of the options to be granted, the purpose of granting such options to the Grantees with an explanation as to how the terms of options serve such purpose and the information required under Rule 17.02(2)(d) of the Listing Rules and the disclaimer as required under Rule 17.02(4) of the Listing Rules.

(d) Maximum number of Shares issued pursuant to Options

Notwithstanding anything to the contrary in the Share Option Scheme, the maximum limit on the number of Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other schemes of our Company must not exceed such number of Shares as shall represent 30% of the Shares in issue from time to time. No options may be granted if such grant will result in this 30% limit being exceeded.

(e) Grantee's maximum holding

Unless approved by our Shareholders in general meeting in the manner prescribed in the Listing Rules, the Board shall not grant options to any Grantee if the acceptance of those options would result in the total number of shares issued and to be issued to that Grantee on exercise of his options during any 12 month period exceeding 1% of the total Shares then in issue.

Where any further grant of options to a Grantee, if exercised in full, would result in the total number of Shares already issued or to be issued upon exercise of all options granted and to be granted to such Grantee (including exercised, cancelled and outstanding options) in any 12-month period up to and including the date of such further grant exceeding 1% of the total number of Shares in issue, such further grant must be separately approved by our Shareholders in general meeting with such Grantee and his associates abstaining from voting. Our Company must send a circular to our Shareholders and the circular must disclose the identity of the Grantee, the number and terms of the options to be granted and options previously granted to such Grantee and the information required under Rule 17.02(2)(d) of the Listing Rules and the disclaimer required under Rule 17.02(4) of the Listing Rules. The number and terms (including the Subscription Price) of the options to be granted

to such Participant must be fixed before the Shareholders' approval. The date of the meeting of the Board for proposing such further grant of option should be taken as the date of grant for the purpose of calculating the Subscription Price.

(f) Adjustment

The number of Shares subject to the options and to the Share Option Scheme may be adjusted in such manner as our Company's independent financial advisor or auditor (acting as expert and not as arbitrator) shall certify in writing to the Board to be in its opinion fair and reasonable in accordance with sub-paragraph 7(b) below.

7. Reorganization of capital structure

(a) Adjustment of options

In the event of any alteration in the capital structure of our Company whilst any option becomes or remains exercisable, whether by way of capitalization of profits or reserves, rights issue, consolidation, subdivision or reduction of the share capital of our Company (other than an issue of Shares as consideration in respect of a transaction to which our Company is a party), the Board shall make (and shall notify to the Grantee) such corresponding alterations (if any) in:

- (i) the number of Shares subject to any option so far as such option remains unexercised;
- (ii) the Subscription Price; or
- (iii) the number of Shares subject to the Share Option Scheme;

that are required to give each Grantee the same proportion of the share capital as that to which the Grantee was previously entitled, but not so that the effect would be to enable any Share to be issued to a Grantee at less than its nominal value, provided that no adjustment to the Subscription Price and number of Shares should be made to the advantage of the Qualified Participants without specific prior approval of our Shareholders.

(b) Auditors/independent financial advisor confirmation

On any capital reorganization other than a capitalization issue, the auditor or an independent financial advisor shall certify in writing to the Board that the adjustments made by the Board pursuant to sub-paragraph 7(a) above is in its opinion fair and reasonable.

8. Cancellation of options

Subject to the consent from the relevant Grantee, the Board may at its discretion cancel options previously granted to and yet to be exercised by a Grantee for the purpose of re-issuing new options to that Grantee provided that there are sufficient available unissued options under the Scheme Mandate as renewed from time to time (excluding such cancelled options) in accordance with the terms of the Share Option Scheme.

9. Assignment of options

An option is personal to the Grantee and shall not be transferable or assignable. No Grantee shall sell, transfer, charge, mortgage, encumber or create any interest (legal or beneficial) in favor of

any third party over or in relation to any option or attempt to do so (except that the Grantee may nominate a nominee, of which the Grantee is the sole beneficial owner, in whose name the Shares issued pursuant to the Share Option Scheme may be registered provided that evidence of such trust arrangement between the Grantee and the nominee has been provided to the satisfaction of, and on terms acceptable by, the Board).

10. *Rights attached to the Shares*

The Shares to be allotted upon exercise of an option will be subject to all the provisions of our bye-laws and will rank *pari passu* with the fully paid Shares in issue as from the day when the name of the Grantee is registered on the register of members of our Company (the “**Registration Date**”). Accordingly the Shares will entitle the holders to participate in all dividends or other distributions paid or made on or after the Registration Date other than any dividends or other distributions previously declared or recommended or resolved to be paid or made with respect to a record date which is before the Registration Date.

A Share issued upon the exercise of an option shall not carry any voting rights until the registration of the Grantee or his nominee as the holder of the Share on the register of members of our Company.

Unless otherwise regulated by applicable law, a Grantee, shall have no rights as a Shareholder with respect to any Shares covered by an option before such Grantee exercises the option.

11. *Exercise of options*

(a) General

There is no general requirement that an option must be held for any minimum period before it can be exercised. The period during which an option may be exercised in accordance with the terms of the Share Option Scheme (“**Option Period**”) shall be the period of time to be notified by our Board to each Grantee, which the Board may in its absolute discretion determine, save that such period shall not be more than ten years commencing on the Offer Date.

(b) Rights on a takeover

In the event of a general or partial offer, whether by way of take-over offer, share re-purchase offer, or scheme of arrangement or otherwise in like manner, is made to all the holders of Shares, or all such holders other than the offeror and/or any person controlled by the offeror and/or any person acting in association or concert with the offeror, our Company shall use all reasonable endeavours to procure that such offer is extended to all the Grantees on the same terms, *mutatis mutandis*, and assuming that they will become, by the exercise in full of the option granted to them, our Shareholders. If such offer becomes or is declared unconditional, the Grantee shall be entitled to exercise the option (to the extent not already exercised) to its full extent or to the extent specified in the Grantee’s notice to our Company in exercise of the option at any time before the expiry of the period of ten business days following the date on which the offer becomes or is declared unconditional.

(c) Rights on a voluntary winding up

In the event a notice is given by our Company to our Shareholders to convene a general meeting for the purposes of considering, and if thought fit, approving a resolution to voluntarily

wind-up our Company, our Company shall on the same date as or soon after it despatches such notice to each of our Shareholders give notice to all Grantees (together with a notice of the existence of the provisions of this subparagraph 11(c)). Upon receipt of such notice, each Grantee (or where permitted, his or her legal personal representative(s)) shall be entitled to exercise all or any of the option (to the extent which has become exercisable and not already exercised) at any time not later than two (2) business days prior to the proposed general meeting of our Company by giving notice in writing to our Company, accompanied by a remittance for the full amount of the aggregate Subscription Price for the Shares in respect of which the notice is given. Upon receipt of such notice together with the remittance by our Company, our Company shall as soon as possible and, in any event, no later than the business day immediately prior to the date of the proposed general meeting referred to above, allot the relevant Shares to the Grantee credited as fully paid. The allotted Shares shall rank *pari passu* with all other Shares in issue on the date prior to the passing of the resolution to wind-up our Company to participate in the distribution of assets of our Company available in liquidation.

(d) Rights on a compromise or arrangement

If a compromise or arrangement between our Company and our Shareholders or creditors is proposed in connection with a scheme for the reconstruction of our Company or its amalgamation with any other company or companies, our Company shall give notice to the Grantee on the same day as it gives notice of the meeting to its shareholders or creditors to consider the compromise or arrangement. Upon receipt of the notice, the Grantee may, during the period commencing on the date of the notice and ending on the earlier of:

- (i) the date two calendar months thereafter; and
- (ii) the date on which such compromise or arrangement is sanctioned by the court,

exercise the option (to the extent not already exercised), conditional upon the compromise or arrangement being sanctioned by the court and becoming effective. With effect from the date of such meeting, the rights of all Grantees to exercise their respective options shall forthwith be suspended. Our Company may require the Grantee to transfer or otherwise deal with the Shares issued as a result of the exercise of options in these circumstances so as to place the Grantee in the same position as nearly as would have been the case had such Shares been subject to the compromise or arrangement. If for any reason such compromise or arrangement is not approved by the court (whether upon the terms presented to the court or upon any other terms as may be approved by such court) the rights of the Grantees to exercise their respective options shall with effect from the date of the making of the order by the court be restored in full and shall thereupon become exercisable (but subject to the other terms of the Share Option Scheme) as if such compromise or arrangement had not been proposed by our Company and no claim shall lie against our Company or any of its officers for any loss or damage sustained by any Grantee as a result of the aforesaid suspension.

12. *Lapse of options*

An option whether vested or unvested shall lapse automatically (to the extent not already exercised) on the earliest of:

- (i) the expiry of the Option Period;
- (ii) the expiry of the periods referred to in sub-paragraphs 11(b) to (d) above;

- (iii) the date of the commencement of the winding-up of our Company in respect of the situation contemplated in sub-paragraph 11(c);
- (iv) the date the scheme or compromise referred to in sub-paragraph 11(d) above becomes effective;
- (v) in respect of a Grantee (being an Eligible Employee) who ceases to be engaged by the Group or the Invested Entity by reasons other than termination of employment on grounds under sub-paragraph 12(vi) below, the last date on which such Grantee was at work with the Group or the Invested Entity (whether salary is paid in lieu of notice or not);
- (vi) the date on which the Board or board of the relevant member of our Group or the board of the Invested Entity resolves that Grantee (being Eligible Employee) ceases to be a Qualified Participant by reason of the termination of his employment on any one or more of the following grounds:
 - (a) that he has been guilty of misconduct; or
 - (b) that he has committed an act of bankruptcy or has become insolvent or has made an arrangement or composition with creditors generally; or
 - (c) that he has been convicted of a criminal offense involving his integrity or honesty; or
 - (d) any misconduct based on the sole and absolute option of our Company;

and a resolution of the Board or the board of directors of the relevant subsidiary of our Company or of the Interested Entity to that effect shall be conclusive;
- (vii) in the event of a Grantee other than an Eligible Employee, the date on which the Board resolves that such Grantee ceases to be qualified as a Qualified Participant by reason of termination of its business relation with the relevant member of our Group or by reason of its failure to comply with the provisions of the relevant contracts or agreements and/or its breaches of its fiduciary duties under common law or otherwise on other grounds as the Board considers appropriate;
- (viii) the date on which a Grantee commits a breach of paragraph 9 above;
- (ix) if an option was granted subject to certain conditions, restrictions or limitation, the date on which the Board resolves that the Grantee has failed to satisfy or comply with such conditions, restrictions or limitation; and
- (x) the occurrence of such event or expiry of such period as may have been specifically provided for in the offer letter, if any.

13. *Amendment of the Share Option Scheme*

(a) Amendments requiring Board approval

Any amendment to the Share Option Scheme other than those set out in subparagraph 13(b) below must be approved by the majority of the Board or the scheme administrator.

(b) Amendments requiring shareholder approval

Subject to sub-paragraphs 13(c) and (d), the following matters require the prior sanction of a resolution of the Shareholders in general meeting:

- (i) any change to the provisions relating to:
 - (1) the purpose of the Share Option Scheme;
 - (2) the definitions of “Grantee”, “Option Period”, “Qualified Participant” and “Scheme Period” contained in the Share Option Scheme;

- (ii) any change to the authority of the Board or the scheme administrator;
- (iii) any amendment to the terms and conditions of the Share Option Scheme which are of a material nature except where such amendment takes effect automatically under the existing terms of the Share Option Scheme; and

(c) Amendments requiring the super majority consent from the Grantees

Notwithstanding any approval obtained pursuant to sub-paragraphs 13(b) above, no amendment shall operate to adversely affect the terms of issue of any option granted or agreed to be granted prior to such amendment except with the consent or sanction in writing of such number of Grantees as shall together hold options in respect of not less than three-fourths in nominal value of all Shares then subject to the options granted under the Share Option Scheme, except where such amendment takes effect automatically under the existing terms of the Share Option Scheme.

(d) Amendments requiring the approval of the Stock Exchange

Any amendment to the terms and conditions of the Share Option Scheme which are of a material nature shall first be approved by the Stock Exchange except where such amendment takes effect automatically under the existing terms of the Share Option Scheme.

14. Termination

Our Company may at any time terminate the operation of the Share Option Scheme by resolution of the Board or resolution of the shareholders in general meeting and in such event no further options will be offered but the provisions of the Share Option Scheme shall remain in force

in all other respects to the extent necessary to give effect to the exercise of the options (to the extent not already exercised) granted prior to the termination or otherwise or may be required in accordance with the provisions of the Share Option Scheme. All options granted prior to the termination and yet to be exercised shall continue to be valid and exercisable in accordance with the terms of the Share Option Scheme.

As of the Latest Practicable Date, no option has been granted by our Company under the Share Option Scheme.
