MANAGEMENT DISCUSSION AND ANALYSIS

The Board of Directors of Ocean Grand Holdings Limited (Provisional Liquidators Appointed) (the “**Company**”) announces the unaudited interim results of the Company and its subsidiaries (collectively the “**Group**”) for the six months ended 30 September 2010.

PRINCIPAL ACTIVITIES

The Company is an investment holding company. Its subsidiaries were principally engaged in the manufacturing of aluminium extrusion products and chemicals for use in electroplating process. Since July 2006, the operation of the Company and its subsidiaries ceased.

Subsequently in June 2008, the Group had reactivated the trading business of aluminium extrusion products. In December 2009, the Group further expanded its business into construction supply projects of building materials. The Group is also planning to manufacture aluminium extrusion products in the future.

WINDING-UP PETITIONS AND APPOINTMENT OF PROVISIONAL LIQUIDATORS

In July 2006, in view of the deterioration of the cash position of the Group to a level which resulted in difficulties for the Group to meet its short term debts, the Board of Directors of the Company (the “**Directors**”) voluntarily resolved to apply for a suspension of trading in its shares on The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and to apply to the courts in Hong Kong and Bermuda respectively for a winding-up and for an appointment of provisional liquidators for the Company in order to protect the assets of the Group and to safeguard the interests of both the creditors and the shareholders.

The trading in the Company’s shares on the Stock Exchange was suspended since 17 July 2006. On 24 and 25 July 2006, the Company presented petitions for its winding-up and applied for the appointment of provisional liquidators to the High Court of Hong Kong (the “**High Court**”) and the Supreme Court of Bermuda (the “**Bermuda Court**”) respectively. Messrs. Lai Kar Yan (Derek) and Joseph Kin Ching Lo, both of Deloitte Touche Tohmatsu (“**Deloitte**”), were appointed as the joint and several provisional liquidators of the Company (the “**Provisional Liquidators**”) by the order of the High Court and the Bermuda Court on 24 and 25 July 2006 respectively.

The hearing of winding-up petitions against the Company by the High Court and the Bermuda Court are adjourned to 19 December 2011 and 23 December 2011 respectively.

RESTRUCTURING OF THE GROUP

Restructuring Agreement

On 20 December 2007, the Company, Goldstar Success Limited (the “**Investor**”), the Provisional Liquidators and Deloitte entered into an agreement for the restructuring of the Group (the “**Restructuring Agreement**”), involving inter alia, capital reorganization, debt restructuring, subscription of new shares and preference shares and group reorganization. Subsequently, 4 supplemental agreements were signed to amend certain terms of the restructuring and to extend the long stop date of the Restructuring Agreement.

Scheme and Debt Restructuring

The Company’s scheme of arrangement for discharging its debts (the “**Scheme**”) was sanctioned by the High Court on 15 April 2008. Modifications on the Scheme were also approved by the High Court on 30 June 2011. The Scheme, upon effective, will bind on the Company and all the indebtedness of the Company will be discharged in full.

Business Update

In June 2008, the Group reactivated its business in trading of aluminium products and ingots. In December 2009, the Group expanded its business into construction supply projects of building materials.

On 30 September 2010, the Group acquired the entire equity interest in Tak Lee Metal Manufactory (Hong Kong) Company Limited and its subsidiary namely Zhongshan City Minzhong Deli Metal Co., Ltd. for manufacturing aluminium products for construction supply projects.

With a view to further develop the business, the Group has entered into an agreement with a company to operate a factory in China to manufacture of aluminium extrusion products. At a special general meeting of the Company held on 23 November 2011, the establishment of the joint venture was duly approved by the shareholders.

Resumption Proposal

As mentioned above, the trading in the Company's shares on the Stock Exchange has been suspended since 17 July 2006.

With a view to resume trading in its shares on the Stock Exchange, the Company submitted a resumption proposal dated 27 August 2008 and an updated proposal dated 19 October 2009 (the "**Resumption Proposal**") to the Listing Committee of the Stock Exchange (the "**Listing Committee**") in respect of the restructuring of the Group.

The Listing Committee and the Listing (Review) Committee of the Stock Exchange had respectively on 12 November 2009 and 25 February 2010 rejected the Resumption Proposal. The Company had made an application to the Listing Appeals Committee for a review of the decision of the Listing Committee and the Listing (Review) Committee.

Finally, on 28 September 2010, the Stock Exchange informed the Company by way of a letter that the Listing Appeals Committee of the Stock Exchange had decided to accept the Resumption Proposal, subject to the Company's compliance with conditions as set out in the same letter to the satisfaction of the Listing Division of the Stock Exchange and confirmation by the Provisional Liquidators by 30 June 2011. Upon application by the Company, on 15 June 2011, the Listing Appeals Committee had agreed to extend the deadline for compliance with the conditions by the Company to 30 November 2011.

The Provisional Liquidators, the Investor and their respective advisors are now working towards to fulfill the conditions imposed by the Listing Appeals Committee of the Stock Exchange.

PROSPECTS

It is anticipated that the financial position of the Group will be substantially improved upon completion of the Restructuring Agreement ("**Completion**") as all the liabilities of the Company will be compromised and discharged through the Scheme.

Further, upon Completion, the Company's shares will resume trading on the Stock Exchange subject to the fulfillment of conditions imposed by the Listing Appeals Committee of the Stock Exchange.

The Company is confident that, with the Investor's strong support in the business and financial aspects, the Group will be able to gain a strong foothold in the aluminium business and achieve more substantial level of operations within a reasonable period of time after the resumption of trading in its shares on the Stock Exchange.

OCEAN GRAND HOLDINGS LIMITED

INTRODUCTION

We were engaged to review the interim financial information set out on pages 13 to 28, which comprise the condensed consolidated statement of financial position of Ocean Grand Holdings Limited (Provisional Liquidators Appointed) (the “**Company**”) and its subsidiaries (collectively referred to as the “**Group**”) as at 30 September 2010 and the related condensed consolidated statement of comprehensive income, condensed consolidated statement of changes in equity and condensed consolidated statement of cash flows for the six months then ended and certain explanatory notes. The Main Board Listing Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited require the preparation of a report on interim financial information to be in compliance with the relevant provisions thereof and Hong Kong Accounting Standard (“**HKAS**”) 34 “Interim Financial Reporting” issued by the Hong Kong Institute of Certified Public Accountants (“**HKICPA**”). The directors of the Company are responsible for the preparation and presentation of this interim financial information in accordance with HKAS 34. Our responsibility is to express a conclusion on this interim financial information based on our review, and to report our conclusion solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

SCOPE OF REVIEW

Except for the limitation in the scope of our work as explained below, we conducted our review in accordance with Hong Kong Standard on Review Engagements 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity” issued by the HKICPA. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Hong Kong Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly we do not express an audit opinion.

BASIS FOR DISCLAIMER OF CONCLUSION

1. Our report on the consolidated financial statements of the Company for the year ended 31 March 2010 was disclaimed in view of the pervasive nature of the limitation on the scope of our audit resulting from the inability of the directors to locate sufficient documentary information and material uncertainty in relation to the going concern of the Company. Accordingly, we were unable to form an opinion as to whether the net liabilities of the Group as at 31 March 2010 and the related disclosures in the notes to the condensed consolidated financial statements for the year ended 31 March 2010 were fairly stated.
2. As disclosed in note 3(iii) to the condensed consolidated financial statements, all of the former accounting personnel of the Group had left and there are potential accounting irregularities. Accordingly, the current directors have been unable to obtain sufficient documentary information in relation to the Deconsolidated Subsidiaries (defined in note 3(ii) to the condensed consolidated financial statements) to satisfy themselves regarding the genuineness of certain books and records and treatment of various balances of the Group as at 30 September 2010 and have formed the conclusion as follows:
 - (a) as explained by the directors in note 3(iii)(a) to the condensed consolidated financial statements, Deconsolidated Subsidiaries were deconsolidated from the condensed consolidated financial statements since 1 January 2005 and OGA was not consolidated into the condensed consolidated financial statements since the date of its incorporation on 19 May 2006. Thus, these condensed consolidated financial statements include the results, assets and liabilities of the Company and its subsidiaries namely Golden Beach Enterprises Limited, Fast Excel Limited, Parkson Trade Services Limited, Tak Lee Metal Manufactory (Hong Kong) Company Limited and Zhongshan City Minzhong Deli Metal Co., Ltd. Due to limited books and records of the Deconsolidated Subsidiaries available to the current directors and material uncertainty relating to the completion of the restructuring of the Company for discharging its debts, the current directors of the Company were unable to obtain sufficient documentary information to satisfy themselves that the following amounts of the Company included in the condensed consolidated financial statements for the six months ended 30 September 2010 as to whether the completeness, correctness of identification and the disclosures recorded by the Group:
 - finance costs of HK\$nil;
 - general and administrative expenses of approximately HK\$2,000;
 - bank balances and cash of approximately HK\$129,000;
 - short-term borrowings of approximately HK\$1,448,078,000;
 - trade and other payables of approximately HK\$391,101,000;
 - amounts due to Deconsolidated Subsidiaries of approximately HK\$126,426,000;
 - share options;
 - commitments;
 - deferred taxation; and
 - related parties transactions.

- (b) as explained in note 3(iii)(b) to the condensed consolidated financial statements, due to limited books and records of the Deconsolidated Subsidiaries available to the directors, the following disclosures have not been made in the condensed consolidated financial statements:
- details of contingent liabilities as required by HKAS 37 “Provisions, Contingent Liabilities and Contingent Assets”; and
 - details of analysis of pledge of assets.
3. We have not been able to obtain all necessary information for us to complete our review of subsequent events from the reporting period up to the date of this report. Such procedures might have resulted in the identification of adjustments to the amounts reported in and/or disclosed as notes to the condensed consolidated financial statements of the Group as at 30 September 2010.

However, as a result of the matters described above, we were unable to obtain sufficient reliable evidence to satisfy ourselves as to whether the condensed consolidated financial statements are free from material misstatement. Any adjustments that might have been found to be necessary in respect of the above would have a significant effect on the the Group’s results and cash flows for the six months ended 30 September 2009 and 2010 and on the state of the Group’s affairs as at 31 March 2010 and 30 September 2010 and the related disclosures thereof in the condensed consolidated financial statements.

MATERIAL UNCERTAINTY RELATING TO THE GOING CONCERN BASIS

In forming our conclusion, we have considered the adequacy of the disclosures in note 3(i) to the condensed consolidated financial statements concerning the adoption of the going concern basis on which the condensed consolidated financial statements have been prepared. The Company has entered into a conditional agreement with, among others, an investor for the purpose of restructuring of the Company’s indebtedness and revitalising the Group’s business. The condensed consolidated financial statements have been prepared on a going concern basis on the assumption that the restructuring agreement will be successfully completed, and that, following the restructuring, the Group will continue to meet in full its financial obligations as they fall due in the foreseeable future. The condensed consolidated financial statements do not include any adjustments that would result from a failure to complete the restructuring. We consider that the disclosures are adequate. However, in view of the extent of the material uncertainty relating to the completion of the restructuring, we disclaimed our review conclusion in respect of the material uncertainty relating to the going concern basis.

DISCLAIMER OF CONCLUSION

Because of the significance of the matters described in the basis for disclaimer of conclusion paragraphs and the material uncertainty relating to the going concern basis paragraph, we are unable to and do not express any conclusion as to whether the condensed consolidated financial information for the six months ended 30 September 2010 is prepared, in all material respects, in accordance with HKAS 34.

NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

For the six months ended 30 September 2010

1. GENERAL INFORMATION

Ocean Grand Holdings Limited (Provisional Liquidators Appointed) (the “**Company**”) was incorporated in Bermuda as an exempted company with limited liability and its ordinary shares are listed on The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”). The address of its registered office is located at Clarendon House, 2 Church Street, Hamilton HM11, Bermuda. The shares of the Company have been suspended for trading on the Stock Exchange since 17 July 2006.

The Company is an investment holding company. Its subsidiaries were principally engaged in the trading of aluminium products and supply of aluminium products.

These condensed consolidated financial statements are presented in Hong Kong dollars (“**HK\$**”), which is the same as the functional currency of the Company. All values are rounded to the nearest thousand except when otherwise indicated.

On 24 July 2006, provisional liquidators were appointed to the Company as stated in note 2 below.

2. WINDING-UP PETITIONS AND APPOINTMENT OF PROVISIONAL LIQUIDATORS

Pursuant to an announcement made on 24 July 2006, a writ of summons has been issued in the High Court of The Hong Kong Special Administrative Region (the “**High Court**”) on 20 July 2006 claiming against Hing Yip Holdings (Hong Kong) Limited (In Liquidation) (“**HYHK**”), OG Development Company Limited (In Liquidation) (“**OGD**”), wholly-owned subsidiaries of the Company, and the Company by Bank Sinopac for the payment of a sum of approximately HK\$6.4 million together with interest under banking facilities made available to HYHK and OGD and guaranteed by OGD and the Company. The Group has also received letters of demand from certain of the Group’s other bankers for (i) immediate repayment of outstanding indebtedness in the aggregate amount of approximately HK\$81 million together with interest and (ii) deposit of approximately HK\$174 million to relevant bankers, pursuant to various banking facilities, indemnities, undertakings for repayment of overdraft and guarantees entered into with those banks.

In July 2006, in view of the deterioration of the cash position of the Group to a level which resulted in difficulties to meet its short-term debts, the directors of the Company voluntarily resolved to apply for suspension of trading in its shares on the Stock Exchange and to apply to the courts in Hong Kong and Bermuda respectively for a winding up and for an appointment of provisional liquidators for the Company in order to protect the assets of the Group and to safeguard the interests of both the creditors and the shareholders.

As a result of the applications, Messrs. Joseph Kin Ching Lo and Lai Kar Yan (also known as Lai Kar Yan, Derek), both of Deloitte Touche Tohmatsu (“**Deloitte**”), have been appointed as the joint and several provisional liquidators of the Company (the “**Provisional Liquidators**”) by the orders of the High Court on 24 July 2006 and by the Supreme Court of Bermuda on 25 July 2006 (“**Orders**”).

Pursuant to the Orders, the Provisional Liquidators may, among other things, exercise the powers to take into their custody and protect the assets of the Group and carry on and stabilise the operations of the Group, including facilitating a restructuring of the Company.

The winding-up petition against the Company was originally scheduled to be heard by the High Court of Hong Kong on 20 September 2006. Upon applications by the Company, the High Court adjourned the hearing of winding up petition against the Company to further date. On 11 July 2011, the High Court of Hong Kong had further adjourned the hearing of the petition to 19 December 2011.

The hearing of the winding-up petition against the Company by the Supreme Court of Bermuda was originally scheduled to be 18 August 2006. Upon applications by the Company, the Supreme Court of Bermuda adjourned the hearing of winding-up petition against the Company to further date. On 15 July 2011, the Supreme Court of Bermuda further adjourned the hearing of the petition to 23 December 2011.

The Company also filed a winding-up petition against HYHK with the High Court on 25 July 2006. HYHK filed a winding-up petition against OGD and Sky Leader Industries Limited (In Liquidation) (“**Sky Leader**”), wholly owned by the Company, with the High Court on 5 December 2006. Pursuant to the orders of the High Court, Messrs. Lai Kar Yan, Derek and Darach E. Haughey of Deloitte were appointed as the joint and several provisional liquidators of HYHK, OGD and Sky Leader. Subsequently, Messrs. Lai Kar Yan, Derek and Darach E. Haughey were also appointed as liquidators of HYHK, OGD and Sky Leader upon the winding-up of the above companies.

2. WINDING-UP PETITIONS AND APPOINTMENT OF PROVISIONAL LIQUIDATORS (CONTINUED)

On 27 August 2008, a proposal for the resumption of trading in the Company's shares was submitted to the Stock Exchange (the "**Resumption Proposal**"). An updated Resumption Proposal was submitted to the Stock Exchange on 19 October 2009. On 12 November 2009, the Listing Committee of the Stock Exchange rejected the Resumption Proposal (the "**Decision**"). On 23 November 2009, the Company applied to the Listing (Review) Committee of the Stock Exchange for a review of the Decision. On 25 February 2010, the Listing (Review) Committee of the Stock Exchange upheld the decision of the Listing Committee of the Stock Exchange. On 5 March 2010, the Company applied to Listing Appeals Committee of the Stock Exchange for a review of the Decision to reject the Resumption Proposal. On 28 September 2010, the Listing Appeals Committee of the Stock Exchange had decided to accept the Resumption Proposal, subject to the Company's compliance with certain conditions (as set out in the decision letter from the Stock Exchange to the Company dated 28 September 2010) to the satisfaction of the Listing Division of the Stock Exchange by 30 June 2011 and confirmation by the Provisional Liquidators. Upon application by the Company, the Listing Appeals Committee had on 15 June 2011 agreed to extend the deadline for compliance with the conditions by the Company to 30 November 2011.

The winding-up petitions against the Company will be withdrawn subject to and upon the successful implementation of the Restructuring Agreement as referred to note 3 below. If the Resumption Proposal does not proceed, the shares of the Company will be delisted by the Stock Exchange and it is likely that the Company would be wound-up.

The Company's scheme of arrangement for discharging its debts ("**Scheme**") was sanctioned by the High Court on 15 April 2008. In light of the amendments on certain terms of the Restructuring Agreement (defined below), on 24 June 2011, the Provisional Liquidators made an application to the High Court for modification to the Scheme and the High Court has approved such modification on 30 June 2011.

Under the Restructuring Agreement (defined below), the Company shall, inter alia, transfer the entire issued share capital of its subsidiaries as defined as "Excluded Subsidiaries" (defined in note 3(i) below) to the Scheme administrators or their nominees upon completion of the Restructuring Agreement as referred to note 3 below. Therefore, the winding-up petitions against these subsidiaries will not affect the Group after completion of the Restructuring Agreement.

3. BASIS OF PREPARATION

(i) Going concern basis

The Group sustained a loss attributable to owners of the Company of approximately HK\$0.5 million for the six months ended 30 September 2010 (30 September 2009: profit of approximately HK\$1 million) and had net liabilities of approximately HK\$1,963 million (31 March 2010: HK\$1,963 million). These conditions indicate the existence of material uncertainty which may cast significant doubt about the Group's ability to continue as a going concern.

As detailed in note 2 to the condensed consolidated financial statements, a writ of summons to demand petitions for the winding-up of the Company and its certain subsidiaries had been filed. Following the petitions, the Company applied to the court for the appointment of the Provisional Liquidators.

On 23 April 2008, the Company announced that an agreement for the proposed restructuring of the Group, involving capital reorganisation, debt restructuring, subscription of new shares and subscription of preference shares, was entered into on 20 December 2007 among the Company, Goldstar Success Limited (the "**Investor**"), the Provisional Liquidators and Deloitte (the "**Restructuring Agreement**"). On 26 February 2009, 4 January 2010 and 12 April 2011, the Company, the Investor and the Provisional Liquidators entered into supplemental agreements to extend the long stop date of the Restructuring Agreement to 31 December 2009, 31 December 2010 and 31 December 2011 respectively. On 1 August 2011, the Company, the Investor, the Provisional Liquidators and the Escrow Agent entered into a supplementary agreement to make amendments to the term of Restructuring Agreement.

Golden Beach Enterprises Limited ("**Golden Beach**"), a new wholly owned subsidiary of the Company, was incorporated in the British Virgin Islands. Golden Beach is an investment holding company which beneficially owns 100% interest in Fast Excel Limited ("**FEL**") and Parkson Trade Services Limited ("**Parkson**"). FEL and Parkson were incorporated in Hong Kong. The Company has reactivated its trading of the aluminium products through Parkson and supply of aluminium products to construction companies through FEL since June 2008 and December 2009 respectively.

On 30 September 2010, the Group acquired entire equity interest in Tak Lee Metal Manufacturing (Hong Kong) Company Limited and its subsidiary namely Zhongshan City Minzhong Deli Metal Co., Ltd through FEL, the details of the acquisition is set out in note 14 to the condensed consolidated financial statements.

3. BASIS OF PREPARATION (CONTINUED)

(i) Going concern basis (continued)

In addition, on 20 July 2010, the Group entered into an agreement with a company to establish a joint venture for manufacturing aluminium extrusion products.

On 29 November 2010, Fast Excel Gold Mountain Zhongshan Aluminium Products (Hong Kong) Limited, a subsidiary of the Company, was incorporated in Hong Kong for the purpose of the establishment of joint venture.

Save for Golden Beach, FEL, Parkson, Tak Lee Metal Manufactory (Hong Kong) Company Limited, Zhongshan City Minzhong Deli Metal Co., Ltd and Fast Excel Gold Mountain Zhongshan Aluminium Products (Hong Kong) Limited and the proposed joint venture, the issued shares of all other subsidiaries directly or indirectly held by the Company (the “**Excluded Subsidiaries**”), will be transferred to the Scheme administrators or their nominees for the benefit of the creditors at a nominal consideration of HK\$1 as a term of the Scheme which was sanctioned by the High Court of Hong Kong on 15 April 2008. Modification to the Scheme were subsequently approved by the High Court on 30 June 2011.

The Company was placed into the third stage of delisting procedures on 13 March 2008. Having reviewed and considered the revitalised operations and affairs of the Group and the Company, the directors concluded that the proposed restructuring represents the best means available for the Company to be returned to solvency and to continue the development and enhancement of its business. The directors are therefore of the opinion that it is appropriate to prepare the condensed consolidated financial statements on a going concern basis.

The condensed consolidated financial statements have been prepared on a going concern basis on the assumption that the proposed restructuring of the Company will be successfully completed, and that, following the restructuring the Group will continue to meet in full its financial obligations as they fall due in the foreseeable future.

Should the Group be unable to achieve a successful restructuring and to continue its business as a going concern, adjustments would have to be made to the condensed consolidated financial statements to adjust the value of assets to their recoverable amounts, to provide for any further liabilities which might arise and to reclassify non-current assets and liabilities as current assets and liabilities, respectively.

(ii) Deconsolidation of subsidiaries and a subsidiary not consolidated

Deconsolidation of subsidiaries

The condensed consolidated financial statements have been prepared based on the available books and records as maintained by the Company and its subsidiaries. The results, assets and liabilities of the following significant subsidiaries, small-sized or inactive subsidiaries were deconsolidated (“**Deconsolidated Subsidiaries**”) from the condensed consolidated financial statements of the Group since 1 January 2005.

- (a) Due to (1) all the shares in the capital of Toowomba Holdings Limited and Successful Gold Profits Limited, wholly owned subsidiaries of the Company, were charged under a share charge agreement to The Bank of New York, as a trustee, for and on behalf of the holders of the US\$125 million and US\$35 million 9.25% guaranteed notes issued by the Company in December 2005 and March 2006, or (2) liquidation of certain significant subsidiaries or their immediate holding companies; or (3) the major assets and production facilities of the significant subsidiaries were subject to freezing orders obtained by the creditors in the PRC, the directors have not been able to obtain access to the books and records of these subsidiaries and considered that controls have been lost. In the opinion of the directors, consolidating the results, assets and liabilities of the following significant subsidiaries into the consolidated financial statements will only provide a misleading picture of the state of affairs of the Group and will be no value to the members of the Company.

- (b) In addition, the results, assets and liabilities of the following small-sized or inactive subsidiaries were also deconsolidated from the condensed consolidated financial statements since 1 January 2005. The directors considered that the exclusion of the results, assets and liabilities of these subsidiaries from the condensed consolidated financial statements would not significantly affect the results of the Group for the current period as the cost of obtaining these information would exceed the value of these information to the members of the Company.

OG Aluminium Australia Pty Ltd (“OGA”), indirectly owned subsidiary of the Company, was incorporated in Australia on 19 May 2006. The directors do not have any accounting books and records on OGA and considered that the exclusion of the results, assets and liabilities of OGA into the condensed consolidated financial statements would not significantly affect the results of the Group for the six months ended 30 September 2010.

Thus, in the opinion of directors, the condensed consolidated financial statements for the six months ended 30 September 2010 prepared on the aforementioned basis present more fairly the results and state of affairs of the Group as a whole.

3. BASIS OF PREPARATION (CONTINUED)

(iii) Insufficient information provided by the directors

Due to the potential accounting irregularities described in the consolidated financial statements of the Company for the year ended 31 March 2008 and all of the former accounting personnel of the Group had left, the current directors were unable to obtain sufficient documentary information in relation to the Deconsolidated Subsidiaries to satisfy themselves regarding the genuineness of certain books and records and treatment of various balances of the Group and have formed the following opinion:

- (a) Deconsolidated Subsidiaries were deconsolidated from the consolidated financial statements since 1 January 2005 and OGA was not consolidated into the consolidated financial statements since the date of its incorporation on 19 May 2006. Thus, these condensed consolidated financial statements include the results, assets and liabilities of the Company and its subsidiaries namely Golden Beach, FEL, Parkson, Tak Lee Metal Manufactory (Hong Kong) Company Limited and Zhongshan City Minzhong Deli Metal Co., Ltd. Due to limited books and records of the Deconsolidated Subsidiaries available to the current directors and material uncertainty relating to the completion of the restructuring of the Company for discharging its debts, the current directors of the Company were unable to obtain sufficient documentary information to satisfy themselves that the following amounts of the Company included in the condensed consolidated financial statements for the six months ended 30 September 2010 as to whether the completeness, correctness of identification and the disclosures recorded by the Group:

- finance costs of HK\$nil;
- general and administrative expenses of approximately HK\$2,000;
- bank balances and cash of approximately HK\$129,000;
- short-term borrowings of approximately HK\$1,448,078,000;
- trade and other payables of approximately HK\$391,101,000;
- amounts due to Deconsolidated Subsidiaries of approximately HK\$126,426,000;
- share options in note 13;
- commitments in note 15;
- deferred taxation; and
- related parties transactions.

- (b) Due to limited books and records of the Deconsolidated Subsidiaries available to the directors, following disclosures have not been made in the condensed consolidated financial statements.

- details of contingent liabilities as required by HKAS 37 "Provisions, Contingent Liabilities and Contingent Assets"; and
- details of analysis of pledge of assets.

Any adjustments arising from the matters described above might have a significant consequential effect on the loss and cash flows of the Group for the six months ended 30 September 2010 and the net liabilities of the Group as at 30 September 2010 and the related disclosures thereof in the condensed consolidated financial statements.

Also, as a result of the matters described above, the comparative figures shown in the condensed consolidated statement of comprehensive income and condensed consolidated statement of cash flows for the six months ended 30 September 2009 and in the condensed consolidated statement of financial position as at 31 March 2010 and related explanatory notes may not be comparable with the figures for the current period.

4. PRINCIPAL ACCOUNTING POLICIES

The condensed consolidated financial statements have been prepared in accordance with Hong Kong Accounting Standard (“HKAS”) 34 “Interim Financial Reporting” issued by the Hong Kong Institute of Certified Public Accountants (the “HKICPA”) and the applicable disclosure requirements of Appendix 16 of the Rules Governing the Listing of Securities on the Stock Exchange (the “Listing Rules”) except for the non-compliance as mentioned in note 3 above.

The principal accounting policies adopted in the condensed consolidated financial statements are consistent with those adopted in the preparation of the Group’s annual financial statements for the year ended 31 March 2010.

In the current period, the Group has adopted all the new and revised Hong Kong Financial Reporting Standards (“HKFRSs”) issued by the Hong Kong Institute of Certified Public Accountants (the “HKICPA”) that are relevant to its operations and effective for accounting periods beginning on 1 April 2010. Except as described below, the adoption of these new HKFRSs has had no material effect on the condensed consolidated financial statements of the Group for the current or prior accounting periods.

HKFRS 3 (as revised in 2008) — Business combinations

HKFRS 3 (as revised in 2008) has been applied in the current period prospectively to business combinations of which the acquisition date is on or after 1 April 2010 in accordance with the relevant transitional provisions. Its application has affected the accounting for business combinations in the current period.

HKFRS 3 (as revised in 2008) requires acquisition-related costs to be accounted for separately from the business combination, generally leading to those costs being recognized as an expense in profit or loss as incurred, whereas previously they were accounted for as part of the cost of acquisition.

HKFRS 3 (as revised in 2008) allows a choice on a transaction-by-transaction basis for the measurement of non-controlling interests at the date of acquisition (previously referred to as ‘minority’ interests) either at fair value or at the non-controlling interests’ share of recognized identifiable net assets of the acquiree. In the current period, the Group had acquired the entire equity interest in Tak Lee Group (defined in note 14 below), consequently, the application of HKFRS 3 (Revised), HKAS 27 (Revised) and the consequential amendments to other HKFRSs had no effect on the condensed consolidated financial statements of the Group for the current or prior accounting periods.

The Group has not early applied the new HKFRSs that have been issued but are not yet effective. The Group has already commenced an assessment of the impact of these new HKFRSs but is not yet in a position to state whether these new HKFRSs would have a material impact on its results of operations and financial position.

The share options have no dilutive effect on ordinary shares for the six months ended 30 September 2009 and 2010 because the average market price of the shares of the Company cannot be determined as the share of the Company were suspended from trading on the Stock Exchange since 17 July 2006.
