### THE GLOBAL OFFERING

This prospectus is published in connection with the Hong Kong Public Offering as part of the Global Offering. The Global Offering comprises:

- (i) the Hong Kong Public Offering of 113,544,000 Offer Shares (subject to adjustment as mentioned below) in Hong Kong as described below in the section entitled “The Hong Kong Public Offering” below; and
- (ii) the International Offering of an aggregate of 1,021,876,000 Offer Shares by us and the Selling Shareholders (subject to adjustment and the Over-allotment Option as mentioned below) outside the United States in reliance on Regulation S and in the United States to QIBs in reliance on Rule 144A.

Goldman Sachs, UBS and BOCI are the Joint Sponsors; Goldman Sachs, UBS, BOCI and Barclays Hong Kong are the Joint Global Coordinators; Goldman Sachs, UBS, BOCI, Barclays, Daiwa, CMS and ABCI (for the International Offering), and Goldman Sachs, UBS, BOCI, Barclays Hong Kong, Daiwa, CMS and ABCI (for the Hong Kong Public Offering) are the Joint Bookrunners and the Joint Lead Managers for the Global Offering.

Investors may apply for Offer Shares under the Hong Kong Public Offering or apply for or indicate an interest for Offer Shares under the International Offering, but may not do both.

The Offer Shares will represent approximately 18.82% of the enlarged issued share capital of the Company immediately after completion of the Global Offering without taking into account the exercise of the Over-allotment Option. If the Over-allotment Option is exercised in full, the Offer Shares will represent approximately 21.10% of the enlarged issued share capital immediately after completion of the Global Offering and the exercise of the Over-allotment Option as set out in the sub-section headed “—The International Offering—Over-allotment Option” below.

The number of Offer Shares to be offered under the Hong Kong Public Offering and the International Offering may be subject to reallocation as described in the sub-section headed “—The Hong Kong Public Offering—Reallocation” below.

### THE HONG KONG PUBLIC OFFERING

#### Number of Offer Shares initially offered

Our Company is initially offering 113,544,000 Offer Shares for subscription by the public in Hong Kong at the Offer Price, representing approximately 10% of the total number of Offer Shares initially available under the Global Offering.

The Hong Kong Public Offering is open to members of the public in Hong Kong as well as to institutional and professional investors. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities which regularly invest in shares and other securities.

---

## STRUCTURE OF THE GLOBAL OFFERING

---

Completion of the Hong Kong Public Offering is subject to the conditions as set out in the section headed “Conditions of the Hong Kong Public Offering” below.

### **Allocation**

Allocation of Hong Kong Offer Shares to investors under the Hong Kong Public Offering will be based solely on the level of valid applications received under the Hong Kong Public Offering. The basis of allocation may vary, depending on the number of Hong Kong Offer Shares validly applied for by applicants. Such allocation could, where appropriate, consist of balloting, which would mean that some applicants may receive a higher allocation than others who have applied for the same number of Hong Kong Offer Shares, and those applicants who are not successful in the ballot may not receive any Hong Kong Offer Shares.

The total number of Hong Kong Offer Shares initially available under the Hong Kong Public Offering (after taking account of any reallocation referred to below) is to be divided into two pools for allocation purposes: 56,772,000 Offer Shares for pool A and 56,772,000 Offer Shares for pool B. The Offer Shares in pool A will be allocated on an equitable basis to applicants who have applied for Hong Kong Offer Shares with an aggregate price of HK\$5 million (excluding the brokerage, SFC transaction levy and Hong Kong Stock Exchange trading fee payable) or less. The Offer Shares in pool B will be allocated on an equitable basis to applicants who have applied for Hong Kong Offer Shares with an aggregate price of more than HK\$5 million (excluding the brokerage, SFC transaction levy and Hong Kong Stock Exchange trading fee payable) and up to the total value in pool B. Investors should be aware that applications in pool A and applications in pool B may receive different allocation ratios. If Offer Shares in one (but not both) of the pools are under-subscribed, the surplus Offer Shares will be transferred to the other pool to satisfy demand in this other pool and be allocated accordingly. For the purpose of this paragraph only, the “price” for Hong Kong Offer Shares means the price payable on application therefore (without regard to the Offer Price as finally determined). Applicants can only receive an allocation of Offer Shares from either pool A or pool B but not from both pools. Multiple or suspected multiple applications and any application for more than 56,772,000 Offer Shares are liable to be rejected.

### **Reallocation**

Paragraph 4.2 of Practice Note 18 of the Listing Rules requires a clawback mechanism to be put in place which would have the effect of increasing the number of Hong Kong Offer Shares to certain percentages of the total number of Offer Shares offered in the Global Offering if certain prescribed total demand levels are reached. In the event of over-subscription under the Hong Kong Public Offering, the Joint Bookrunners, after consultation with us, shall apply a clawback mechanism following the closing of the application lists on the following basis:

- If the number of Hong Kong Offer Shares validly applied for under the Hong Kong Public Offering represents 15 times or more but less than 50 times the number of Hong Kong Offer Shares initially available for subscription under the Hong Kong Public Offering, then Offer Shares will be reallocated to the Hong Kong Public Offering from the International Offering, so that the total number of Offer Shares available under the Hong Kong Public Offering will be 340,626,000 H Shares, representing approximately 30% of the Offer Shares initially available under the Global Offering.

---

## STRUCTURE OF THE GLOBAL OFFERING

---

- If the number of Hong Kong Offer Shares validly applied for under the Hong Kong Public Offering represents 50 times or more but less than 100 times the number of Hong Kong Offer Shares initially available for subscription under the Hong Kong Public Offering, then the number of Offer Shares to be reallocated to the Hong Kong Public Offering from the International Offering will be increased so that the total number of the H Shares available under the Hong Kong Public Offering will be 454,168,000 H Shares, representing 40% of the Offer Shares initially available under the Global Offering.
- If the number of Hong Kong Offer Shares validly applied for under the Hong Kong Public Offering represents 100 times or more the number of Hong Kong Offer Shares initially available for subscription under the Hong Kong Public Offering, then the number of Offer Shares to be reallocated to the Hong Kong Public Offering from the International Offering will be increased, so that the total number of the H Shares available under the Hong Kong Public Offering will be 567,710,000 H Shares, representing 50% of the Offer Shares initially available under the Global Offering.

In each case, the additional Offer Shares reallocated to the Hong Kong Public Offering will be allocated between pool A and pool B and the number of Offer Shares allocated to the International Offering will be correspondingly reduced in such manner as the Joint Bookrunners deem appropriate. In addition, the Joint Bookrunners may allocate Offer Shares from the International Offering to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering.

The Offer Shares to be offered in the Hong Kong Public Offering and the International Offering may, in certain circumstances, be reallocated as between these offerings at the discretion of the Joint Bookrunners.

### **Applications**

Each applicant under the Hong Kong Public Offering will also be required to give an undertaking and confirmation in the application submitted by him that he and any person(s) for whose benefit he is making the application have not applied for or taken up, or indicated an interest in, or received or been placed or allocated and will not apply for or take up, or indicate an interest in, any International Offer Shares under the International Offering, and such applicant's application is liable to be rejected if the said undertaking and/or confirmation is breached and/or untrue (as the case may be).

The listing of the H Shares on the Hong Kong Stock Exchange is sponsored by the Joint Sponsors. Applicants under the Hong Kong Public Offering are required to pay, on application, the maximum price of HK\$1.75 per H Share in addition to any brokerage, SFC transaction levy and Hong Kong Stock Exchange trading fee payable on each H Share. If the Offer Price, as finally determined in the manner described in the section headed "Pricing of the Global Offering" below, is less than the maximum price of HK\$1.75 per H Share, appropriate refund payments (including the brokerage, SFC transaction levy and Hong Kong Stock Exchange trading fee attributable to the surplus application monies) will be made to successful applicants, without interest. Further details are set out in the section entitled "How to Apply for Hong Kong Offer Shares".

### THE INTERNATIONAL OFFERING

#### Number of Offer Shares offered

Subject to reallocation as described above, the International Offering will consist of an aggregate of 918,656,000 Offer Shares to be offered by us and 103,220,000 Sale Shares to be offered by the Selling Shareholders.

#### Allocation

The International Offering will include selective marketing of International Offer Shares to institutional and professional investors and other investors anticipated to have a sizeable demand for such Offer Shares. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities which regularly invest in shares and other securities. Allocation of International Offer Shares pursuant to the International Offering will be effected in accordance with the “book-building” process described in the section entitled “Pricing of the Global Offering” below and based on a number of factors, including the level and timing of demand, the total size of the relevant investor’s invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely to buy further H Shares, and/or hold or sell its H Shares, after the listing of the H Shares on the Hong Kong Stock Exchange. Such allocation is intended to result in a distribution of the International Offer Shares on a basis which would lead to the establishment of a solid professional and institutional shareholder base to the benefit of our Company and our shareholders as a whole.

The Joint Bookrunners (on behalf of the Underwriters) may require any investor who has been offered International Offer Shares under the International Offering, and who has made an application under the Hong Kong Public Offering to provide sufficient information to the Joint Bookrunners so as to allow them to identify the relevant application under the Hong Kong Public Offering and to ensure that it is excluded from any application for Hong Kong Offer Shares under the Hong Kong Public Offering.

#### Over-allotment Option

In connection with the Global Offering, we are expected to grant an H Share Over-allotment Option to the International Underwriters exercisable by Goldman Sachs on behalf of the International Underwriters.

Pursuant to the Over-allotment Option, the International Underwriters have the right, exercisable by Goldman Sachs on their behalf at any time from the date of the International Underwriting Agreement until 30 days after the last date for the lodging of applications under the Hong Kong Public Offering, to require our Company to issue and allot up to 154,820,000 additional H Shares and the Selling Shareholders to offer for sale up to 15,482,000 additional Sale Shares, representing approximately 15% of the initial Offer Shares, at the same price per Offer Share under the International Offering to cover, among other things, over-allocation

in the International Offering, if any. If the Over-allotment Option is exercised in full, the additional H Shares will represent approximately 2.75% of the Company's enlarged share capital immediately following the completion of the Global Offering and the exercise of the Over-allotment Option. In the event that the Over-allotment Option is exercised, a public announcement will be made.

### THE SELLING SHAREHOLDERS

The Selling Shareholders are initially offering a total of 103,220,000 Sale Shares as part of the Global Offering. The Selling Shareholders may sell up to an additional 15,482,000 Sale Shares if the Over-allotment Option is exercised in full.

The sale of the Sale Shares by the Selling Shareholders in connection with the Global Offering has been approved by a shareholders' meeting of the Company. Pursuant to an approval issued by SASAC (Guozichanquan (2010) No. 1109) on September 28, 2010 and a letter issued by the NSSF (Shebaojijinf [2010] No. 172) on December 1, 2010, all the net proceeds from the sale of the Sale Shares currently registered under the names of the Selling Shareholders in the Global Offering will be remitted to the NSSF in accordance with the relevant PRC laws and regulations.

### PRICING OF THE GLOBAL OFFERING

The International Underwriters will be soliciting from prospective investors indications of interest in acquiring International Offer Shares in the International Offering. Prospective professional and institutional investors will be required to specify the number of International Offer Shares under the International Offering they would be prepared to acquire either at different prices or at a particular price. This process, known as "book-building" is expected to continue up to, and to cease on or around, the last day for lodging applications under the Hong Kong Public Offering.

Pricing for the Offer Shares for the purpose of the various offerings under the Global Offering will be fixed on the Price Determination Date, which is expected to be on or around Thursday, December 15, 2011, and in any event on or before Tuesday, December 20, 2011, by agreement between the Joint Global Coordinators (on behalf of the Underwriters) and our Company (on behalf of ourselves and the Selling Shareholders) and the number of Offer Shares to be allocated under various offerings will be determined shortly thereafter.

The Offer Price will not be more than HK\$1.75 per H Share and is expected to be not less than HK\$1.59 per H Share unless otherwise announced, as further explained below, not later than the morning of the last day for lodging applications under the Hong Kong Public Offering.

The Joint Global Coordinators, on behalf of the Underwriters, may, where considered appropriate, based on the level of interest expressed by prospective professional and institutional investors during the book-building process, and with the consent of our Company, reduce the number of Offer Shares offered in the Global Offering and/or the indicative offer price range below that stated in this prospectus at any time on or prior to the morning of the last day for lodging applications under the Hong Kong Public Offering. In such a case, our

Company will, as soon as practicable following the decision to make such reduction, and in any event not later than the morning of the day which is the last day for lodging applications under the Hong Kong Public Offering, cause there to be published notices of the reduction in South China Morning Post, the Hong Kong Economic Times, and on the website of the Stock Exchange at [www.hkexnews.hk](http://www.hkexnews.hk) and our Company's website at [www.jncec.com](http://www.jncec.com). Upon issue of such a notice, the number of Offer Shares offered in the Global Offering and/or the revised offer price range will be final and conclusive and the offer price, if agreed upon by the Joint Global Coordinators (on behalf of the Underwriters) and our Company (on behalf of ourselves and the Selling Shareholders), will be fixed within such revised offer price range. Applicants should have regard to the possibility that any announcement of a reduction in the number of Offer Shares being offered under the Global Offering and/or the indicative offer price range may not be made until the day which is the last day for lodging applications under the Hong Kong Public Offering. Such notice will also include confirmation or revision, as appropriate, of the working capital statement and the profit forecast for the year ending December 31, 2011 and the Global Offering statistics as currently set out in this prospectus, and any other financial information which may change as a result of such reduction. **Applicants under the Hong Kong Public Offering should note that in no circumstances can applications be withdrawn once submitted, even if the number of Offer Shares being offered under the Global Offering and/or the offer price range is so reduced.** In the absence of any such notice so published, the Offer Price, if agreed upon with our Company (on behalf of ourselves and the Selling Shareholders) and the Joint Global Coordinators (on behalf of the Underwriters), will under no circumstances be set outside the offer price range as stated in this prospectus.

In the event of a reduction in the number of Offer Shares being offered under the Global Offering, the Joint Bookrunners may at their discretion reallocate the number of Offer Shares to be offered under the Hong Kong Public Offering and the International Offering, provided that the number of H Shares comprised in the Hong Kong Public Offering shall not be less than 5% of the total number of Offer Shares in the Global Offering. The International Offer Shares to be offered in the International Offering and the Hong Kong Offer Shares to be offered in the Hong Kong Public Offering may, in certain circumstances, be reallocated as between these offerings at the discretion of the Joint Bookrunners.

The net proceeds of the Global Offering accruing to our Company (after deduction of underwriting fees and estimated expenses payable by our Company in relation to the Global Offering, assuming the Over-allotment Option is not exercised) are estimated to be approximately HK\$1,481.42 million, assuming an Offer Price per H Share of HK\$1.59, or approximately HK\$1,640.78 million, assuming an Offer Price per H Share of HK\$1.75 (or if the Over-allotment Option is exercised in full, approximately HK\$1,718.95 million, assuming an Offer Price per H Share of HK\$1.59, or approximately HK\$1,902.21 million, assuming an Offer Price per H Share of HK\$1.75).

The Offer Price for H Shares under the Global Offering is expected to be announced on Wednesday, December 21, 2011 in South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese).

The indications of interest in the Global Offering, the results of applications and the basis of allotment of Hong Kong Offer Shares available under the Hong Kong Public Offering, are expected to be announced on Wednesday, December 21, 2011 in South China Morning Post and the Hong Kong Economic Times.
