

STRUCTURE OF THE GLOBAL OFFERING

THE GLOBAL OFFERING

This prospectus is published in connection with the Hong Kong Public Offering as part of the Global Offering. We intend to initially make available up to 335,000,000 Shares under the Global Offering, of which 301,500,000 Shares outside the United States (including such offering to professional, institutional and other investors within Hong Kong) in reliance on Regulation S and in the United States to QIBs as defined in Rule 144A, will be conditionally placed pursuant to the International Offering and the remaining 33,500,000 Shares will be offered to the public in Hong Kong at the Offer Price under the Hong Kong Public Offering (subject, in each case, to reallocation on the basis described in “—The Hong Kong Public Offering”).

The 335,000,000 Offer Shares initially being offered in the Global Offering will represent approximately 25.1% of our enlarged registered share capital immediately after completion of the Global Offering, assuming that the Over-allotment Option is not exercised. Morgan Stanley is the Sole Global Coordinator and Sole Sponsor. Morgan Stanley and Oriental Patron are the Joint Bookrunners and Joint Lead Managers of the Global Offering. The underwriting arrangements, and the respective Underwriting Agreements, are summarized in “Underwriting”.

Investors may apply for the Shares under the Hong Kong Public Offering or apply for or indicate an interest for the Shares under the International Offering, but may not apply under both of these methods for the Offer Shares. In other words, you may only receive Offer Shares under either the Hong Kong Public Offering or the International Offering, but not under both of these methods.

THE HONG KONG PUBLIC OFFERING

The Hong Kong Public Offering is fully underwritten by the Hong Kong Underwriters on a several basis under the terms of the Hong Kong Underwriting Agreement made on 13 December 2011 and is subject to our Company and the Sole Global Coordinator, on behalf of the Underwriters, agreeing on the Offer Price. The Hong Kong Public Offering and the International Underwriting are subject to the conditions set forth in “—Conditions of the Global Offering”. The Hong Kong Underwriting Agreement and the International Underwriting Agreement are expected to be conditional upon each other.

Number of Shares initially offered

The Hong Kong Public Offering is a fully underwritten public offer (subject to agreement as to pricing and satisfaction or waiver of the other conditions set forth in the Hong Kong Underwriting Agreement and described in “—Conditions of the Global Offering”) for the subscription in Hong Kong of, initially 33,500,000 Shares at the Offer Price (representing approximately 10% of the total number of the Offer Shares).

The Hong Kong Public Offering is open to members of the public in Hong Kong as well as to institutional and professional investors. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities which regularly invest in shares and other securities.

Allocation

Allocation of Shares to investors under the Hong Kong Public Offering will be based solely on the level of valid applications received under the Hong Kong Public Offering. The basis of allocation may vary, depending on the number of Hong Kong Public Offer Shares validly applied for by applicants. Such allocation could, where appropriate, consist of balloting, which would mean that some applicants may receive a higher allocation than others who have applied for the same number of Hong Kong Public Offer Shares, and those applicants who are not successful in the ballot may not receive any Hong Kong Public Offer Shares.

Subject to any adjustment in the number of Offer Shares allocated between the International Offering and the Hong Kong Public Offering, the total number of Shares available under the Hong Kong Public Offering will represent approximately 2.5% of our Company’s enlarged issued share capital immediately after completion of

STRUCTURE OF THE GLOBAL OFFERING

the Global Offering assuming that the Over-allotment Option is not exercised. It is to be divided into two pools for allocation purposes (subject to any adjustment in the number of Offer Shares allocated between the International Offering and the Hong Kong Public Offering): 16,750,000 Shares for pool A and 16,750,000 Shares for pool B. The Shares in pool A will be allocated on an equitable basis to applicants who have applied for Shares with an aggregate subscription price of HK\$5 million or less (excluding the brokerage fee, SFC transaction levy and Stock Exchange trading fee payable). The Shares in pool B will be allocated on an equitable basis to applicants who have applied for our Shares with an aggregate subscription price of more than HK\$5 million (excluding the brokerage fee, SFC transaction levy and Stock Exchange trading fee payable) and up to the value of pool B. Investors should be aware that applications in pool A and applications in pool B may receive different allocation ratios. If Shares in one (but not both) of the pools are undersubscribed, the surplus Shares will be transferred to the other pool to satisfy demand in this other pool and be allocated accordingly. For the purpose of this paragraph only, the “price” for Shares means the price payable on application therefore (without regard to the Offer Price as finally determined). Applicants can only receive an allocation of Shares from either pool A or pool B but not from both pools. Multiple or suspected multiple applications within pool A or pool B, and between the two pools, and any applicants for more than 16,750,000 Hong Kong Public Offer Shares will be rejected.

Reallocation

The allocation of the Shares between the Hong Kong Public Offering and the International Offering is subject to adjustment. If the number of Shares validly applied for under the Hong Kong Public Offering represents (i) 15 times or more but less than 50 times, (ii) 50 times or more but less than 100 times, or (iii) 100 times or more of the number of Shares initially available under the Hong Kong Public Offering, then Shares will be reallocated to the Hong Kong Public Offering from the International Offering, such that the total number of Shares available under the Hong Kong Public Offering will be increased to 100,500,000 Shares (in the case of (i)), 134,000,000 Shares (in the case of (ii)) and 167,500,000 Shares (in the case of (iii)) representing approximately 30%, 40% and 50% of the Shares initially available under the Global Offering, respectively (before any exercise of the Over-allotment Option). In each case, the additional Shares reallocated to the Hong Kong Public Offering will be allocated equally between pool A and pool B (with any odd board lots being allocated to pool A) and the number of Shares allocated to the International Offering will be correspondingly reduced in such manner as the Sole Global Coordinator deem appropriate. In addition, the Offer Shares to be offered in the Hong Kong Public Offering and the International Offering may, in certain circumstances, be reallocated as between these offerings at the discretion of the Sole Global Coordinator.

If the Hong Kong Public Offering is not fully subscribed for, the Sole Global Coordinator has the authority to reallocate all or any unsubscribed Hong Kong Public Offer Shares to the International Offering, in such proportions as the Sole Global Coordinator deem appropriate.

Applications

Each applicant under the Hong Kong Public Offering will also be required to give an undertaking and confirmation in the application submitted by him or her that he or she and any person(s) for whose benefit he or she is making the application have not applied for or taken up, indicated an interest for, and will not apply for or take up, or indicate an interest for, any Shares under the International Offering, and such applicant’s application may be rejected if the said undertaking and/or confirmation is breached and/or untrue (as the case may be) or he or she has been or will be placed or allocated Shares under the International Offering. The Application Forms have tables showing the exact amount payable for certain numbers of Shares up to 16,750,000 Hong Kong Public Offer Shares.

The listing of the Shares on the Stock Exchange is sponsored by the Sole Sponsor. Applicants under the Hong Kong Public Offering are required to pay, on application, the maximum price of HK1.63 per Share in addition to any brokerage fee, SFC transaction levy and Stock Exchange trading fee payable on each Share. If the Offer Price, as finally determined in the manner described in “—Pricing of the Global Offering”, is less than the maximum price of HK\$1.63 per Share, appropriate refund payments (including the brokerage fee, SFC transaction levy and Stock Exchange trading fee attributable to the surplus application monies) will be made to successful applicants, without interest. See “How to Apply for Hong Kong Public Offer Shares.”

STRUCTURE OF THE GLOBAL OFFERING

References in this prospectus to applications, Application Forms, application or subscription monies or the procedure for application relate solely to the Hong Kong Public Offering.

THE INTERNATIONAL OFFERING

The International Offering is expected to be fully underwritten by the International Underwriters on a several basis. Our Company expects to enter into the International Underwriting Agreement relating to the International Offering on the Price Determination Date.

Number of Shares offered

Subject to reallocation as described above, the International Offering will consist of an initial offering of 301,500,000 Offer Shares, representing approximately 90% of the Offer Shares under the Global Offering and approximately 22.6% of our Company's enlarged issued share capital immediately after completion of the Global Offering assuming the Over-allotment Option is not exercised.

Allocation

The International Offering will involve selective marketing of the Shares to institutional and professional investors and other investors anticipated to have a sizeable demand for such Shares in Hong Kong and other jurisdictions outside the United States in offshore transactions in reliance on Regulation S and to QIBs in the United States in reliance on Rule 144A or another available exemption from registration under the Securities Act. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities which regularly invest in shares and other securities. Allocation of International Offer Shares will be determined by the Sole Global Coordinator and will be effected in accordance with the "book-building" process described in "—Pricing of the Global Offering" and based on a number of factors, including the level and timing of demand, the total size of the relevant investor's invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely to buy further Shares, and/or hold or sell its Shares, after the listing of the Shares on the Stock Exchange. Such allocation is intended to result in a distribution of the Shares on a basis which would lead to the establishment of a solid professional and institutional shareholder base to our Company's benefit and that of the Shareholders as a whole.

Our Directors, the Sole Global Coordinator (on behalf of the Underwriters) and our Company will take reasonable steps to identify and reject applicants under the Hong Kong Public Offering from investors who have received Offer Shares in the International Offering, and to identify and reject indications of interest in the International Offering from investors who have received Offer Shares in the Hong Kong Public Offering.

OVER-ALLOTMENT OPTION

In connection with the Global Offering, we intend to grant an Over-allotment Option to the International Underwriters exercisable by the Sole Global Coordinator on behalf of the International Underwriters.

Pursuant to the Over-allotment Option, the Sole Global Coordinator has the right, exercisable at any time from the date of the International Underwriting Agreement up to the 30th day after the last date for lodging of applications under the Hong Kong Public Offering, to require our Company to allot and issue up to an aggregate of 50,250,000 additional Shares, representing 15% of the initial Offer Shares, at the same price per Share at which Shares were initially offered under the International Offering, to cover over-allocations in the International Offering, if any, on the same terms and conditions as the Offer Shares that are subject to the Global Offering. The Sole Global Coordinator may also cover such over-allocations by purchasing the Offer Shares in the secondary market or by a combination of purchases in the secondary market and a partial exercise of the Over-allotment Option. If the Sole Global Coordinator exercises the Over-allotment Option in full, the additional Shares will represent approximately 3.6% of our Company's enlarged share capital immediately following the completion of the Global Offering and the exercise of the Over-allotment Option. In the event that the Over-allotment Option is exercised, a press announcement will be made.

STRUCTURE OF THE GLOBAL OFFERING

PRICING OF THE GLOBAL OFFERING

The International Underwriters will be soliciting from prospective investors indications of interest in acquiring International Offering Shares. Prospective professional, institutional and other investors will be required to specify the number of International Offering Shares they would be prepared to acquire either at different prices or at a particular price. This process, known as “book-building”, is expected to continue up to the Price Determination Date.

Pricing for the Shares for the purpose of the various offerings under the Global Offering will be fixed on the Price Determination Date, when market demand for the Shares will be determined, which is expected to be on or around 19 December 2011, and in any event on or before 22 December 2011, by agreement between the Sole Global Coordinator, on behalf of the Underwriters and our Company and the number of Shares to be allocated under various offerings will be determined shortly thereafter.

The Offer Price will not be more than HK\$1.63 per Share and is expected to be not less than HK\$1.23 per Share unless otherwise announced, as further explained below, not later than the morning of the last day for lodging applications under the Hong Kong Public Offering. Applicants under the Global Offering must pay, on application, the maximum price of HK\$1.63 per Share plus 1% brokerage fee, 0.003% SFC transaction levy and 0.005% Stock Exchange trading fee amounting to a total of HK\$3,292.86 one board lot of 2,000 Shares. Prospective investors should be aware that the Offer Price to be determined on the Price Determination Date may be, but is not expected to be, lower than the indicative offer price range stated in this prospectus. If the Offer Price, as finally determined in the manner described below, is lower than HK\$1.63, being the maximum price, we will refund the respective difference (including the brokerage fee, the SFC transaction levy and the Stock Exchange trading fee attributable to the surplus monies) to successful applicants, without interest. See “How to Apply for Hong Kong Public Offer Shares.”

The Sole Global Coordinator, on behalf of the Underwriters, may, where considered appropriate, based on the level of interest expressed by prospective professional, institutional and other investors during the book-building process, and with our Company’s consent, reduce the number of Hong Kong Public Offer Shares and/or the indicate Offer Price range below that stated in this prospectus at any time on or prior to the morning of the last day for lodging applications under the Hong Kong Public Offering. In case of such a reduction, our Company will, as soon as practicable following the decision to make the reduction, and in any event not later than the morning of the last day for lodging applications under the Hong Kong Public Offering, case there to be published in the South China Morning Post (in English) and Hong Kong Economic Times (in Chinese) notices of the reduction in the number of Public Offer Shares and/or the indicative Offer Price range. Upon issue of these notices, the revised Offer Price range will be final and conclusive and the Offer Price, if agreed upon by the Sole Global Coordinator, on behalf of the Underwriters, and us, will be fixed within this revised Offer Price range. Applicants should have regard to the possibility that any announcement of a reduction in the number of Hong Kong Public Offer Shares and/or the indicative Offer Price range may not be made until the last day for lodging applications under the Hong Kong Public Offering. The notices will also include confirmation or revision, as appropriate, of the working capital statement and the Global Offering statistics as currently set forth in this prospectus, and any other financial information which may change as a result of such reduction. Applications under the Hong Kong Public Offering should note that in no circumstances can applications be withdrawn once they are submitted, even if the number of Hong Kong Public Offer Shares and/or the Offer Price range is reduced as described in this paragraph. In the absence of any notice of reduction published as described in this paragraph, the Offer Price, if agreed upon between our Company and the Sole Global Coordinator, on behalf of the Underwriters, will be within the Offer Price range as stated in the prospectus.

The net proceeds of the Global Offering accruing to our Company (after deduction of underwriting fees and estimated expenses payable by our Company in relation to the Global Offering, assuming the Over-allotment Option is not exercised) are estimated to be approximately HK\$481.2 million, assuming an Offer Price of HK\$1.63 per Share, or approximately HK\$347.2 million, assuming an Offer Price of HK\$1.23 per Share (or if the Over-allotment Option is exercised in full, approximately HK\$563.1 million, assuming an Offer Price of HK\$1.63 per Share, or approximately HK\$409.0 million, assuming an Offer Price of HK\$1.23 per Share).

STRUCTURE OF THE GLOBAL OFFERING

The final Offer Price, the indications of interest in the Global Offering, the results of applications and the basis of allotment of Shares available under the Hong Kong Public Offering, are expected to be announced on 22 December 2011 in South China Morning Post (in English) and Hong Kong Economic Times (in Chinese).

STABILISATION

Stabilisation is a practice used by underwriters in some markets to facilitate the distribution of securities. To stabilise, the underwriters may bid for, or purchase, the newly issued securities in the secondary market, during a specified period of time, to minimise and, if possible, prevent a decline in the initial public offer prices of the securities below the offer price. In Hong Kong and certain other jurisdictions, activity aimed at reducing the market price is prohibited, and the price at which stabilisation is effected is not permitted to exceed the Offer Price.

In connection with the Global Offering, Morgan Stanley, as stabilising manager, its affiliates or any person acting for it, on behalf of the Underwriters, may over-allocate or effect transactions with a view to stabilising or maintaining the market price of the Shares at a level higher than that which might otherwise prevail for a limited period after the Listing Date. Morgan Stanley has been appointed as stabilising manager for the purposes of the Global Offering in accordance with the Securities and Futures (Price Stabilising) Rules made under the SFO.

Any such stabilising activity will be made in compliance with all applicable laws, rules and regulations in place in Hong Kong on stabilisation including the Securities and Futures (Price Stabilising) Rules made under the SFO. However, there is no obligation on Morgan Stanley, its affiliates or any person acting for it to do this. Such stabilisation, if commenced, will be conducted at the absolute discretion of Morgan Stanley, its affiliates or any person acting for it and may be discontinued at any time, and must be brought to an end after a limited period. The number of Shares that may be over-allocated will not be greater than the number of Shares which may be sold upon exercise of the Over-allotment Option, being 50,250,000 Shares, which is approximately 15% of the Shares initially available under the Global Offering.

Following any over-allotment of Shares in connection with the Global Offering, Morgan Stanley, its affiliates or any person acting for it may take all or any of the following stabilising actions in Hong Kong during the stabilisation period to cover such over-allotment by (among other methods) making purchases in the secondary market, selling Shares to liquidate a position held as a result of those purchases, exercising the Over-allotment Option in full or in part, stock borrowing or by any combination of any of the foregoing.

The possible stabilising action which may be taken by Morgan Stanley, its affiliates or any person acting for it in connection with the Global Offering may involve (among other things) (i) over-allotment of Shares, (ii) purchases of Shares, (iii) establishing, hedging and liquidating positions in Shares, (iv) exercising the Over-allotment Option in whole or in part, (v) stock borrowing and/or (vi) offering or attempting to do any of (ii), (iii), (iv) or (v) above.

Specifically, prospective applicants for and investors in Offer Shares should note that:

- Morgan Stanley, its affiliates or any person acting for it may, in connection with the stabilising action, maintain a long position in the Shares;
- there is no certainty regarding the extent to which and the time period for which Morgan Stanley, its affiliates or any person acting for it will maintain such a position;
- liquidation of any such long position by Morgan Stanley, its affiliates or any person acting for it may have an adverse impact on the market price of the Shares;
- no stabilising action can be taken to support the price of the Shares for longer than the stabilising period which will begin on the Listing Date following announcement of the Offer Price, and is

STRUCTURE OF THE GLOBAL OFFERING

expected to expire on the 30th day after the date expected to be the last date for lodging applications under the Hong Kong Public Offering. After this date, when no further action may be taken to support the price of the Shares, demand for the Shares, and therefore the price of the Shares, could fall;

- the price of any security (including the Shares) cannot be assured to stay at or above its offer price by the taking of any stabilising action; and
- stabilising bids may be made or transactions effected in the course of the stabilising action at any price at or below the Offer Price, which means that stabilising bids may be made or transactions effected at a price below the price paid by applicants for, or investors in, the Shares.

STOCK BORROWING

In order to facilitate settlement of over-allocations in connection with the International Offering, a Stock Borrowing Agreement has been entered into between Truepath Limited and Morgan Stanley in compliance with Rule 10.07(3) of the Listing Rules. Under the Stock Borrowing Agreement, Truepath Limited has agreed with Morgan Stanley that if requested by Morgan Stanley, it will, subject to the terms of the Stock Borrowing Agreement, make available to Morgan Stanley up to 50,250,000 Shares held by it, by way of stock lending, in order to cover over-allocations in connection with the International Offering on the conditions that:

- such stock borrowing arrangement will only be effected by Morgan Stanley for settlement of over-allocations of Shares in connection with the International Offering;
- the maximum number of Shares which may be borrowed from Truepath Limited by Morgan Stanley under the Stock Borrowing Agreement must not exceed the maximum number of Shares which may be issued upon the full exercise of the Over-allotment Option;
- the same number of Shares so borrowed must be returned to Truepath Limited or its nominees, as the case may be, on or before the third business day following the earlier of:
 - the day on which the Over-allotment Option may be exercised; or
 - the day on which the Over-allotment Option is exercised in full.
- the stock borrowing arrangement under the Stock Borrowing Agreement will be effected in compliance with all applicable laws and regulatory requirements; and
- no payments or other benefits will be made to Truepath Limited by Morgan Stanley or any of the International Underwriters in relation to such stock borrowing arrangement.

DEALING

Assuming that the Hong Kong Public Offering becomes unconditional at or before 8:00 a.m. in Hong Kong on 23 December 2011, it is expected that dealings in the Shares on the Stock Exchange will commence at 9:00 a.m. on 23 December 2011.

CONDITIONS OF THE GLOBAL OFFERING

Acceptance of all applications for the Shares pursuant to the Hong Kong Public Offering will be conditional on, among other things:

- the Listing Committee granting the listing of, and permission to deal in, the Shares being offered pursuant to the Global Offering (including the additional Shares which may be made available pursuant to the exercise of the Over-allotment Option) (subject only to allotment), and such listing and permission not having been revoked prior to the commencement of dealings in Shares on the Stock Exchange;
- the Offer Price having been duly determined and the execution and delivery of the International Underwriting Agreement on or around the Price Determination Date;

STRUCTURE OF THE GLOBAL OFFERING

- (iii) the obligations of the Underwriters under each of the respective Underwriting Agreements becoming and remaining unconditional (including, if relevant, as a result of the waiver of any conditions by the Sole Global Coordinator, on behalf of the Underwriters) and not having been terminated in accordance with the terms of the respective agreements; and
- (iv) in each case on or before the dates and times specified in the respective Underwriting Agreements (unless and to the extent such conditions are validly waived on or before such dates and times) and in any event not later than 13 January 2012 which is 30 days after the date of this prospectus.

If, for any reason, the Offer Price is not agreed between our Company and the Sole Global Coordinator (on behalf of the Underwriters) by 22 December 2011, the Global Offering will lapse.

The consummation of each of the Hong Kong Public Offering and the International Offering is conditional upon, among other things, the other offering becoming unconditional and not having been terminated in accordance with their respective terms.

If the above conditions are not fulfilled or waived prior to the times and dates specified, the Global Offering will lapse and the Stock Exchange will be notified immediately. We will publish a notice of the lapse of the Hong Kong Public Offering in South China Morning Post (in English) and Hong Kong Economic Times (in Chinese) on the next day following such lapse. In such eventuality, all application monies will be returned, without interest, on the terms set forth in the section headed “How to apply for Hong Kong Public Offer Shares”. In the meantime, all application monies will be held in (a) separate bank account(s) with the Receiving Bank or other licensed bank(s) in Hong Kong licensed under the Banking Ordinance (Chapter 155 of the Laws of Hong Kong) (as amended).

We expect to issue Share certificates for the Offer Shares on 22 December 2011. Share certificates for the Offer Shares will only become valid certificates of title at 8:00 a.m. on 23 December 2011 provided that (i) the Global Offering has become unconditional in all respects and (ii) the right of termination as described in the section headed “Underwriting—Underwriting Arrangements and Expenses—Hong Kong Public Offering—Grounds for termination” has not been exercised.
