Application has been made by the Company to the Listing Committee of the Stock Exchange for the granting of the listing of, and permission to deal in, the Shares in issue and to be issued pursuant to the Capitalization Issue and Global Offering (including the additional Shares which may be issued upon the exercise of the Over-allotment Option). Dealings in the Shares on the Main Board of the Stock Exchange are expected to commence at 9:00 a.m. on Wednesday, March 30, 2011. The Shares will be traded in board lots of 1,000 Hong Kong Offer Shares each. Subject to the granting of the listing of, and permission to deal in, the Shares in issue and to be issued on the Main Board of the Stock Exchange as well as compliance with the stock admission requirements of HKSCC, the Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the Listing Date or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange is required to take place in CCASS on the second business day (as defined in the Listing Rules) after any trading day. All activities under

CCASS are subject to the General Rules of CCASS and the CCASS Operational Procedures in effect from time to time. Applications of the Hong Kong Offer Shares will only be considered on the basis of the terms and conditions set out in the Prospectus and the Application Forms.

The Global Offering comprises the Hong Kong Public Offering of initially 81,600,000 Hong Kong Offer Shares (subject to reallocation) and the International Offering of initially 734,400,000 International Offer Shares (subject to reallocation and the Over-allotment Option). The allocation of the Shares between the Hong Kong Public Offering and the International Offering is subject to adjustment as stated in the section headed “Structure of the Global Offering — The Hong Kong Public Offering” in the Prospectus. For allocation purposes only, the number of the Hong Kong Offer Shares initially available for subscription under the Hong Kong Public Offering (after taking into account of any adjustment in the number of Offer Shares allocated between the Hong Kong Public Offering and the International Offering) will be divided equally into two pools: pool A and pool B. Accordingly, the maximum number of Hong Kong Offer Shares initially comprised in pool A and pool B will be 40,800,000 and 40,800,000, respectively. The Hong Kong Offer Shares in pool A will be allocated on an equitable basis only to successful applicants who have validly applied for the Hong Kong Offer Shares with a total subscription amount of HK\$5 million (excluding amounts of brokerage, SFC transaction levy and Stock Exchange trading fee payable) or less. The Hong Kong Offer Shares in pool B will be allocated on an equitable basis only to successful applicants who have validly applied for the Hong Kong Offer Shares with an aggregate price of more than HK\$5 million (excluding amounts of brokerage, SFC transaction levy and Stock Exchange trading fee payable) and up to the total value of pool B. Applicants should be aware that applications in pool A and pool B may receive different allocation ratios. If the Hong Kong Offer Shares in one (but not both) of the pools are under-subscribed, the surplus Hong Kong Offer Shares will be transferred to the other pool to satisfy demand in that pool and be allocated accordingly. For the purpose of this paragraph only, the “price” for Hong Kong Offer Shares means the price payable on application therefor (excluding amounts of brokerage, SFC transaction levy and Stock Exchange trading fee payable) (without regard to the Offer Price as finally determined). Applicants can only receive an allocation of the Hong Kong Offer Shares from either pool A or pool B but not from both pools and may only apply for Hong Kong Offer Shares in either pool A or pool B. Multiple or suspected multiple applications and any application for more than 40,800,000 Hong Kong Offer Shares (being 50% of the Hong Kong Offer Shares) are liable to be rejected. Only one application on a **WHITE** or **YELLOW** Application Form or to the designated White Form eIPO Service Provider at www.eipo.com.hk or by way of giving **electronic application instructions** to HKSCC, may be made for the benefit of any person. In addition, such applicant is required to undertake and confirm in the application submitted by him that he and any person(s) for whose benefit he is making the application have not applied for, or taken up or indicated an interest for, and will not apply for or take up, or indicate an interest in, any Offer Shares under the International Offering or otherwise participate in the International Offering, and such applicant’s application is liable to be rejected if the said undertaking and/or confirmation is breached and/or untrue (as the case may be) or it has been or will be placed or allocated Offer Shares under the International Offering. Applications where cheques or banker’s cashier orders are dishonoured upon first presentation are liable to be rejected.

In connection with the Global Offering, it is expected that the Company will grant an Over-allotment Option to the International Underwriters exercisable by the Joint Global Coordinators on behalf of the International Underwriters. Pursuant to the Over-allotment Option, the Joint Global

Coordinators (on behalf of the International Underwriters) has the right, up to the 30th day after the last day for lodging applications under the Hong Kong Public Offering, which is expected to be Friday, April 22 2011, to require the Company to issue up to 122,400,000 additional Shares, representing no more than 15% of the number of Offer Shares initially available under the Global Offering, at the Offer Price to cover over-allocations in the International Offering, if any. If the Over-allotment Option is exercised in full, the additional Shares will represent approximately 4.3% of the enlarged issued share capital of the Company following the completion of the Global Offering and the Capitalization Issue and the exercise of the Over-allotment Option. In the event that the Over-allotment Option is exercised, an announcement will be made at the websites of the Stock Exchange at www.hkexnews.hk and the Company at www.fehorizon.com.

In connection with the Global Offering, UBS AG, Hong Kong Branch, as the Stabilizing Manager, its affiliates or any person acting for it, may over-allocate Shares and/or effect transactions with a view to stabilizing or maintaining the market price of the Shares at a level higher than that which might otherwise prevail for a limited period after the Listing Date. Such transactions may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws and regulatory requirements. However, there is no obligation on the Stabilizing Manager, its affiliates or any persons acting for it, to conduct any such stabilizing action. Such stabilization action, if commenced, will be done at the absolute discretion of the Stabilizing Manager, its affiliates or any person acting for it, and may be discontinued at any time, and is required to be brought to an end after a limited period. The stabilizing period is expected to end on Friday, April 22, 2011. After this date, when no further stabilizing action may be taken, demand for the Shares, and therefore its market price, could fall. The details of such stabilization and how it will be regulated under the SFO are set out in the section headed “Structure of the Global Offering — Stabilization” in the Prospectus.

Acceptance of applications for the Hong Kong Offer Shares pursuant to the Global Offering is conditional upon fulfillment of the conditions as stated in the section headed “Structure of the Global Offering — Conditions of the Global Offering” in the Prospectus. If the conditions are not fulfilled or waived prior to the times and dates specified, all application monies received from applicants under the Hong Kong Public Offering will be refunded, without interest, on the terms set out under the section headed “Refund of application monies” on the Application Forms and the section headed “How to apply for the Hong Kong Offer Shares — Refund of application monies” in the Prospectus.

The Offer Price is expected to be fixed by agreement between the Company and the Joint Global Coordinators (on behalf of the Underwriters) on the Price Determination Date. The Price Determination Date is expected to be on Thursday, March 24 2011 or such later date as may be agreed by the Company and the Joint Global Coordinators, but in any event not later than Monday, March 28 2011. Applicants for the Hong Kong Offer Shares are required to pay, on application, the maximum Offer Price of HK\$6.80 for each Hong Kong Offer Share together with brokerage of 1%, SFC transaction levy of 0.003% and Stock Exchange trading fee of 0.005%. The Joint Global Coordinators (on behalf of the Underwriters) may, with the consent of the Company, reduce the indicative Offer Price range below that stated in the Prospectus (which is HK\$5.20 to HK\$6.80) at any time on or prior to the morning of the last day for lodging applications under the Hong Kong Public Offering. In such a case, notice of the reduction in the indicative Offer Price range will be published in the South China Morning Post (in English) and the Hong Kong Economic

Times (in Chinese) and on the website of the Company at www.fehorizon.com and the website of the Stock Exchange at www.hkexnews.hk as soon as practicable following the decision to make such reduction, and in any event not later than the morning of the last day for lodging applications under the Hong Kong Public Offering. If, for any reason, the Offer Price is not agreed between the Company and the Joint Global Coordinators (on behalf of the Underwriters), the Global Offering will not proceed and will lapse.
