
STRUCTURE OF THE GLOBAL OFFERING

THE GLOBAL OFFERING

This prospectus is published in connection with the Hong Kong Public Offering which forms part of the Global Offering. The Global Offering comprises (assuming the Over-allotment Option is not exercised):

- (i) the Hong Kong Public Offering of an initial 57,475,000 Shares to be offered by our Company (subject to adjustment as mentioned below) (representing 10% of the total number of Offer Shares initially available under the Global Offering) in Hong Kong as described in the paragraph headed “The Hong Kong Public Offering” below; and
- (ii) the International Placing of an initial 517,275,000 Shares to be offered by our Company (subject to adjustment as mentioned below and the Over-allotment Option) (representing 90% of the total number of Offer Shares initially available under the Global Offering) (a) in the United States to QIBs in reliance on Rule 144A or another available exemption from the registration requirements under the U.S. Securities Act; and (b) outside the United States in offshore transactions in reliance on Regulation S.

The number of Offer Shares to be offered under the Hong Kong Public Offering and the International Placing, respectively, may be subject to reallocation and, in the case of the International Placing only, the Over-allotment Option as described in the paragraph headed “Over-Allocation and Stabilization” below.

The Hong Kong Public Offering is fully underwritten by the Hong Kong Underwriters under the terms of the Hong Kong Underwriting Agreement and is subject to our Company and the Joint Global Coordinators (on behalf of the Underwriters) agreeing on the Offer Price. Our Company expects to enter into the International Placing Agreement relating to the International Placing on the Price Determination Date. These underwriting arrangements, and the respective Underwriting Agreements, are summarized in the section headed “Underwriting”.

THE HONG KONG PUBLIC OFFERING

Number of Shares Initially Offered

Under the Hong Kong Public Offering, our Company is initially offering 57,475,000 Shares at the Offer Price for subscription by the public in Hong Kong, representing 10% of the total number of Offer Shares initially available under the Global Offering. Subject to the reallocation of Shares between (i) the International Placing and (ii) the Hong Kong Public Offering, the Hong Kong Offer Shares will represent 2.5% of our Company’s issued share capital immediately following completion of the Global Offering and the Capitalization Issue (assuming the Over-allotment Option is not exercised).

Completion of the Hong Kong Public Offering is subject to the conditions as set out in the paragraph headed “Conditions of the Hong Kong Public Offering” below.

STRUCTURE OF THE GLOBAL OFFERING

Conditions of the Hong Kong Public Offering

Acceptance of all applications for the Offer Shares in the Hong Kong Public Offering will be conditional on, among other things:

- (i) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the existing issued Shares, the Shares to be issued pursuant to the Global Offering, any Shares which may be issued pursuant to the exercise of the Over-allotment Option, the Shares to be issued pursuant to the Capitalization Issue, and the Shares which may be issued pursuant to the exercise of any options which may be granted under the Share Option Scheme;
- (ii) the Offer Price having been determined on the Price Determination Date;
- (iii) the execution and delivery of the International Placing Agreement on the Price Determination Date; and
- (iv) the obligations of the Underwriters under each of the respective Underwriting Agreements becoming and remaining unconditional and not having been terminated in accordance with the terms of the respective agreements,

in each case on or before the dates and times specified in the respective Underwriting Agreements (unless and to the extent such conditions are validly waived on or before such dates and times) and in any event not later than June 4, 2011, being the 30th day after the date of this prospectus.

If, for any reason, the Offer Price is not agreed among our Company and the Joint Global Coordinators (on behalf of the Underwriters) on or before Friday, May 13 2011, the Global Offering will not proceed.

The consummation of each of the Hong Kong Public Offering and the International Placing is conditional upon, among other things, the other offering becoming unconditional and not having been terminated in accordance with its terms.

If the above conditions are not fulfilled or waived before the times and dates specified, the Global Offering will lapse and the Stock Exchange will be notified immediately. Notice of the lapse of the Hong Kong Public Offering will be published by us in the South China Morning Post and the Hong Kong Economic Times on the next day following such lapse. In such eventuality, all application monies will be returned, without interest, on the terms set out in the section headed “How to Apply for Hong Kong Offer Shares”. In the meantime, all application monies will be held in (a) separate bank account(s) with the receiving banks or other licensed bank(s) in Hong Kong licensed under the Banking Ordinance (Chapter 155 of the Laws of Hong Kong) (as amended).

STRUCTURE OF THE GLOBAL OFFERING

Share certificates for the Offer Shares will only become valid certificates of title at 8:00 a.m. on Wednesday, May 18, 2011 provided that (i) the Global Offering has become unconditional in all respects and (ii) neither of the Underwriting Agreements has been terminated in accordance with its terms.

Allocation

Allocation of Hong Kong Offer Shares to investors under the Hong Kong Public Offering will be based solely on the level of valid applications received under the Hong Kong Public Offering. The basis of allocation may vary, depending on the number of Hong Kong Offer Shares validly applied for by applicants. Such allocation could, where appropriate, consist of balloting, which would mean that some applications may receive a higher allocation than others who have applied for the same number of Hong Kong Offer Shares, and those applicants who are not successful in the ballot may not receive any Hong Kong Offer Shares.

The total number of Offer Shares available under the Hong Kong Public Offering (after taking account of any reallocation referred to below) is to be divided equally into two pools for allocation purposes: pool A and pool B. The Hong Kong Offer Shares in pool A will be allocated on an equitable basis to applicants who have applied for the Hong Kong Offer Shares with an aggregate price of HK\$5 million (excluding the brokerage, SFC transaction levy and Stock Exchange trading fee payable) or less. The Hong Kong Offer Shares in pool B will be allocated on an equitable basis to applicants who have applied for the Hong Kong Offer Shares with an aggregate price of more than HK\$5 million (excluding the brokerage, SFC transaction levy and Stock Exchange trading fee payable). Investors should be aware that applications in pool A and applications in pool B may receive different allocation ratios. If the Hong Kong Offer Shares in one (but not both) of the pools are under-subscribed, the surplus Hong Kong Offer Shares will be transferred to the other pool to satisfy demand in this other pool and be allocated accordingly. For the purpose of this paragraph only, the “price” for Hong Kong Offer Shares means the price payable on application therefor (without regard to the Offer Price as finally determined). Applicants can only receive an allocation of the Hong Kong Offer Shares from either pool A or pool B but not from both pools. Multiple or suspected multiple applications and any application for more than 50% of the 57,475,000 Hong Kong Offer Shares initially comprised in the Hong Kong Public Offering (that is, 28,737,500 Hong Kong Offer Shares) are liable to be rejected.

Reallocation

The allocation of the Offer Shares between (i) the Hong Kong Public Offering and (ii) the International Placing is subject to adjustment. If the number of Offer Shares validly applied for under the Hong Kong Public Offering represents (i) 15 times or more but less than 50 times, (ii) 50 times or more but less than 100 times, and (iii) 100 times or more of the number of Offer Shares initially available under the Hong Kong Public Offering, then Offer Shares will be reallocated to the Hong Kong Public Offering from the International Placing. As a result of such reallocation, the total number of Offer Shares available under the Hong Kong Public Offering will be increased to 172,425,000 Offer Shares (in the case of (i)), 229,900,000 Offer Shares (in the case of (ii)) and 287,375,000 Offer Shares (in the case of (iii)) representing 30%, 40% and 50% of the Shares initially available under the Global Offering, respectively (before any exercise of the Over-allotment Option). In each case, the additional Offer Shares reallocated to the Hong Kong Public Offering will be allocated between pool A and pool B and the number of Offer Shares allocated to the International Placing will be correspondingly reduced in such manner as the Joint Global Coordinators deem appropriate. In addition, the Joint Global Coordinators at their absolute

STRUCTURE OF THE GLOBAL OFFERING

discretion may allocate Offer Shares from the International Placing to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering.

If the Hong Kong Public Offering is not fully subscribed, the Joint Global Coordinators have the authority to reallocate all or any unsubscribed Hong Kong Offer Shares to the International Placing, in such proportions as the Joint Global Coordinators deem appropriate.

Applications

Each applicant under the Hong Kong Public Offering will also be required to give an undertaking and confirmation in the application submitted by him that he and any person(s) for whose benefit he is making the application have not applied for or taken up, or indicated an interest for, and will not apply for or take up, or indicate an interest for, any Offer Shares under the International Placing, and such applicant's application is liable to be rejected if such undertaking and/or confirmation is breached and/or untrue (as the case may be) or if he has been or will be placed or allocated Offer Shares under the International Placing.

Applicants under the Hong Kong Public Offering are required to pay, on application, the maximum price of HK\$6.08 per Offer Share in addition to any brokerage, SFC transaction levy and Stock Exchange trading fee payable on each Offer Share. If the Offer Price, as finally determined in the manner described in the paragraph headed "Pricing of the Global Offering" below, is less than the maximum price of HK\$6.08 per Offer Share, appropriate refund payments (including the brokerage, SFC transaction levy and Stock Exchange trading fee attributable to the surplus application monies) will be made to successful applicants, without interest. Further details are set out in the section headed "How to Apply for Hong Kong Offer Shares" in this prospectus.

References in this prospectus to applications, Application Forms, application monies or the procedure for application relate solely to the Hong Kong Public Offering.

THE INTERNATIONAL PLACING

Number of Shares Offered

Subject to reallocation as described above, the Company is initially offering 517,275,000 Shares for subscription under the International Placing, representing 90% of the total number of Offer Shares initially available under the Global Offering (assuming that the Over-allotment Option is not exercised). Subject to the reallocation as described above, the International Placing Shares will represent 22.5% of our Company's issued share capital immediately following completion of the Global Offering and the Capitalization Issue (assuming the Over-allotment Option is not exercised).

Allocation

The International Placing will include selective marketing of Offer Shares to institutional and professional investors and other investors anticipated to have a sizeable demand for such Offer Shares. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities which regularly invest in shares and other securities. Allocation of Offer Shares pursuant to the International Placing will be effected in accordance with the "book-building" process described in the paragraph headed "Pricing of

STRUCTURE OF THE GLOBAL OFFERING

the Global Offering” below and based on a number of factors, including the level and timing of demand, the total size of the relevant investor’s invested assets or equity assets in relevant sector and whether or not it is expected that the relevant investor is likely to buy further Shares, and/or hold or sell its Shares, after the Listing. Such allocation is intended to result in a distribution of the Shares on a basis which would lead to the establishment of a solid professional and institutional shareholder base to the benefit of our Company and the Shareholders as a whole.

The Joint Global Coordinators (on behalf of the Underwriters) may require any investor who has been offered Offer Shares under the International Placing, and who has made an application under the Hong Kong Public Offering to provide sufficient information to the Joint Global Coordinators so as to allow it to identify the relevant application under the Hong Kong Public Offering and to ensure that it is excluded from any application for Shares under the Hong Kong Public Offering.

Over-allotment Option

In connection with the Global Offering, our Company is expected to grant the Over-allotment Option to the International Underwriters, which is exercisable by the Joint Global Coordinators on behalf of the International Underwriters.

Pursuant to the Over-allotment Option, the Joint Global Coordinators have the right, exercisable at any time from the day on which trading of the Shares commences on the Stock Exchange up to 30 days from the last day for the lodging of applications under the Hong Kong Public Offering, to require our Company to allot up to 86,212,500 additional Shares, representing no more than 15% of the initial Offer Shares, at the same price per Offer Share under the International Placing to, among other things, cover over-allocations in the International Placing, if any. If the Over-allotment Option is exercised in full, the additional Shares will represent approximately 3.6% of our enlarged share capital immediately following the completion of the Global Offering. In the event that the Over-allotment Option is exercised, a press announcement will be made.

THE CORNERSTONE PLACING

In May 2011, as part of the International Placing, we and the Joint Global Coordinators have entered into a cornerstone placing agreement (each, a “Cornerstone Placing Agreement”) with each of SD Family Fund L.P. (“SD Family Fund”), Mr. Ding Wuhao (“Mr. Ding”), and Better Prospect Limited (“Better Prospect”) as a cornerstone investor (each, a “Cornerstone Investor”). Pursuant to the Cornerstone Placing Agreements, the Cornerstone Investors have agreed to subscribe at the Offer Price for such number of Offer Shares equal to an aggregate amount of HK\$255.4 million. Assuming an Offer Price of HK\$5.305, being the mid-point of the indicative Offer Price range set out in this prospectus, the total number of Offer Shares subscribed by SD Family Fund, Mr. Ding and Better Prospect would be approximately 14,642,000 Offer Shares, 18,850,000 Offer Shares and 14,642,000 Offer Shares, respectively, representing approximately 0.64 %, 0.82% and 0.64%, respectively, of the Shares issued and outstanding immediately after the completion of the Global Offering and the Capitalization Issue (assuming the Over-allotment Option is not exercised and not taking into account any Shares which may be issued upon the exercise of the options to be granted under the Share Option Scheme).

Immediately following the completion of the Global Offering, the Cornerstone Investors will not have any Board representation in our Company, nor will the Cornerstone Investors become our Substantial Shareholder. The Offer Shares to be subscribed by the Cornerstone Investors will not be

STRUCTURE OF THE GLOBAL OFFERING

affected by any reallocation of the Offer Shares between the International Placing and the Hong Kong Public Offering in the event of over-subscription under the Hong Kong Public Offering as described in the paragraph headed “The Hong Kong Public Offering” above.

STRUCTURE OF THE GLOBAL OFFERING

CONDITIONS PRECEDENT

The subscription obligation of the Cornerstone Investors is conditional upon, among others, the Hong Kong Underwriting Agreement and the International Placing Agreement being entered into, having become effective and unconditional and not having been terminated.

RESTRICTIONS ON DISPOSALS BY THE CORNERSTONE INVESTOR

Each of the Cornerstone Investors has agreed that, without the prior written consent of us and the Joint Global Coordinators, it/he will not, at any time during the period of six months following the Listing Date, directly or indirectly, dispose of any Shares it/he has subscribed for pursuant to the Cornerstone Placing Agreements except for transfers to any of the entity wholly-owned by it/him and on the basis that the transferee will be subject to the same restrictions on its/his disposal of such Shares.

The restrictions on disposals by each of the Cornerstone Investors will not be applicable in the circumstances that the Cornerstone Investor may transfer all or part of the relevant Shares to any entity wholly-owned by it/him during the lock-up period of six months; provided that such transferee undertakes to, and the Cornerstone Investor undertakes to procure that such transferee will, be bound by the Cornerstone Investor's obligations under the Cornerstone Placing Agreement and give the same acknowledgements, representations and warranties as provided in the Cornerstone Placing Agreement prior to such transfer.

PRICING OF THE GLOBAL OFFERING

The International Underwriters will be soliciting from prospective investors indications of interest in acquiring Offer Shares in the International Placing. Prospective professional and institutional investors will be required to specify the number of Shares under the International Placing they would be prepared to acquire either at different prices or at a particular price. This process, known as "book-building," is expected to continue up to, and to cease on or around, the last day for lodging applications under the Hong Kong Public Offering.

Pricing for the Shares for the purpose of the offerings under the Global Offering will be fixed on the Price Determination Date, which is expected to be on or around Thursday, May 12, 2011, and in any event on or before Friday, May 13, 2011, by agreement among the Joint Global Coordinators (on behalf of the Underwriters) and our Company, and the number of Shares to be allocated under the offerings will be determined shortly thereafter.

The Offer Price will not be more than HK\$6.08 per Offer Share and is expected to be not less than HK\$4.53 per Offer Share unless otherwise announced, as further explained below, not later than the morning of the last day for lodging applications under the Hong Kong Public Offering. **Prospective investors should be aware that the Offer Price to be determined on the Price Determination Date may be, but is not expected to be, lower than the indicative Offer Price range stated in this prospectus.**

STRUCTURE OF THE GLOBAL OFFERING

The Joint Global Coordinators (on behalf of the Underwriters), may, where considered appropriate, based on the level of interest expressed by prospective professional and institutional investors during the book-building process, and with the consent of our Company reduce the number of Offer Shares being offered under the Global Offering and/or the indicative Offer Price range below that stated in this prospectus at any time on or before the morning of the last day for lodging applications under the Hong Kong Public Offering. In such case, our Company will, as soon as practicable following the decision to make any such reduction, and in any event not later than the morning of the day which is the last day for lodging applications under the Hong Kong Public Offering, cause there to be published in the South China Morning Post and the Hong Kong Economic Times notices of any such reduction. Such notice will also be available on the website of the Stock Exchange at www.hkexnews.hk and the website of our Company at www.baihong.com. Upon issue of a notice of the reduction of the Offer Price, the revised Offer Price range will be final and conclusive and the Offer Price, if agreed upon by the Joint Global Coordinators (on behalf of the Underwriters) and our Company, will be fixed within such revised Offer Price range. Applicants should have regard to the possibility that any announcement of any such reduction in the number of Offer Shares being offered under the Global Offering and/or the indicative Offer Price range may not be made until the day which is the last day for lodging applications under the Hong Kong Public Offering. Such notice will also include confirmation or revision, as appropriate, of the working capital statement and the Global Offering statistics as currently set out in this prospectus, and any other financial information which may change as a result of such reduction. In the absence of any notice published in relation to the reduction in the Offer Price, the Offer Price, if agreed upon among our Company and the Joint Global Coordinators, will under no circumstances be set outside the Offer Price range as stated in this prospectus.

The net proceeds of the Global Offering accruing to our Company (assuming that no additional Shares will be issued by our Company pursuant to the Over-allotment Option and after deduction of underwriting fees and estimated expenses payable by our Company in relation to the Global Offering) are estimated to be approximately HK\$2,497.2 million, assuming an offer price of HK\$4.53 per Offer Share, or approximately HK\$3,365.8 million, assuming an offer price of HK\$6.08 per Offer Share.

The final Offer Price, the indications of interest in the Global Offering, the results of applications and the basis of allocation of Shares available under the Hong Kong Public Offering, are expected to be announced on Tuesday, May 17, 2011, in the manner set out in the paragraph headed “X. Results of Allocation” under the section headed “How to Apply for Hong Kong Offer Shares” in this prospectus.

OVER-ALLOCATION AND STABILIZATION

Stabilization is a practice used by underwriters in some markets to facilitate the distribution of securities. To stabilize, the underwriters may bid for, or purchase, the newly issued securities in the secondary market, during a specified period of time, to retard and, if possible, prevent a decline in the market price of the securities below the Offer Price. In Hong Kong, the price at which stabilization is effected is not permitted to exceed the Offer Price.

In connection with the Global Offering, UBS, as stabilizing manager (the “Stabilizing Manager”), its affiliates or any person acting for it, on behalf of the Underwriters, may over-allocate and/or effect transactions with a view to stabilizing or maintaining the market price of the Shares at a level higher than that which might otherwise prevail for a limited period after the Listing Date. Such transactions may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws and regulatory requirements. However, there is no obligation on the Stabilizing Manager, its

STRUCTURE OF THE GLOBAL OFFERING

affiliates or any person acting for it to do this. Such stabilization, if commenced, will be conducted at the absolute discretion of the Stabilizing Manager, its affiliates or any person acting for it, and may be discontinued at any time, and must be brought to an end after a limited period. The number of Shares that may be over-allocated will not be greater than the maximum number of Shares which may be allotted and issued upon exercise of the Over-allotment Option, namely 86,212,500 Shares, which represent 15% of the number of Offer Shares initially available under the Global Offering.

The Stabilizing Manager, its affiliates or any person acting for it may take all or any of the following stabilizing actions in Hong Kong during the stabilization period:

- (i) purchase, or agree to purchase, any of the Shares or offer or attempt to do so for the sole purpose of preventing or minimizing any reduction in the market price of the Shares;
- (ii) in connection with any action described in paragraph (i) above;
 - (A) (1) over-allocate the Shares; or
 - (2) sell or agree to sell the Shares so as to establish a short position in them,for the sole purpose of preventing or minimizing any reduction in the market price of the Shares;
- (B) exercise the Over-allotment Option and purchase or subscribe for or agree to purchase or subscribe for the Shares in order to close out any position established under paragraph (A) above;
- (C) sell or agree to sell any of the Shares acquired by it in the course of the stabilizing action referred to in paragraph (i) above in order to liquidate any position that has been established by such action; or
- (D) offer or attempt to do anything as described in paragraphs (ii)(A)(2), (ii)(B) or (ii)(C) above.

The Stabilizing Manager, its affiliates or any person acting for it, may, in connection with the stabilizing action, maintain a long position in the Shares, and there is no certainty as to the extent to which and the time period for which it will maintain such a position. Investors should be warned of the possible impact of any liquidation of the long position by the Stabilizing Manager, its affiliates or any person acting for it, which may include a decline in the market price of the Shares.

Stabilization cannot be used to support the price of the Shares for longer than the stabilization period, which begins on the day on which trading of the Shares commences on the Stock Exchange and ends on the 30th day after the last day for lodging of applications under the Hong Kong Public Offering. The stabilization period is expected to expire on June 10, 2011, after which an announcement will be made pursuant to section 9 of, and schedule 3 to, the Securities and Futures (Price Stabilization) Rules. After this date, when no further stabilizing action may be taken, demand for the Shares, and therefore then market price, could fall.

STRUCTURE OF THE GLOBAL OFFERING

Any stabilizing action taken by the Stabilizing Manager, its affiliates or any person acting for it, may not necessarily result in the market price of the Shares staying at or above the Offer Price either during or after the stabilization period. Stabilizing bids or market purchases effected in the course of the stabilization action may be made at any price at or below the Offer Price and can therefore be done at a price below the price the investor has paid in acquiring the Shares.

STOCK BORROWING ARRANGEMENT

In order to facilitate the settlement of over-allocations in connection with the Global Offering, UBS or its authorized agents may enter into an agreement with Kingom Power to borrow, whether on its own or through its affiliates, up to 86,212,500 Shares, representing 15% of the number of Offer Shares initially available under the Global Offering, from Kingom Power to cover over-allocations (being the maximum number of additional Shares which may be allotted and issued upon exercise of the Over-allotment Option), or acquire Shares from other sources, including the exercising the Over-allotment Option.

If such stock borrowing arrangement with Kingom Power is entered into, it will only be effected by UBS or its authorized agents or its agent for settlement of over-allocations in the International Placing and such arrangement is not subject to the restrictions of Rule 10.07(1)(a) of the Listing Rules provided that the requirements set out in Rule 10.07(3) of the Listing Rules are complied with. The same number of Shares so borrowed must be returned to Kingom Power or its nominees on or before the third Business Day following the earlier of (a) the last day on which the Over-allotment Option may be exercised, or (b) the day on which the Over-allotment Option is exercised in full and the relevant Offer Shares subject to the Over-allotment Option have been issued and sold. The stock borrowing arrangement will be effected in compliance with all applicable laws, rules and regulatory requirements. No payment will be made to Kingom Power by UBS or its authorized agents in relation to such stock borrowing arrangement.

DEALINGS

Assuming that the Hong Kong Public Offering becomes unconditional at or before 8:00 a.m. in Hong Kong on Wednesday, May 18, 2011, it is expected that dealings in the Shares on the Stock Exchange will commence at 9:00 a.m. on Wednesday, May 18, 2011.
