

## FORWARD-LOOKING STATEMENTS

This prospectus contains forward-looking statements that are, by their nature, subject to significant risks and uncertainties. These forward-looking statements include, without limitation, statements relating to:

- our business strategies and operating plans;
- our investment and capital expenditure plans;
- the amount and nature of, and potential for, future development of our business;
- our operations and business prospects;
- our dividend policy;
- projects under construction or planning;
- our financial condition and results of operations;
- our prospective financial information; and
- the industry regulatory environment as well as the industry outlook generally.

The words “anticipate,” “believe,” “could,” “estimate,” “expect,” “intend,” “may,” “plan,” “seek,” “will,” “would” and similar expressions, as they relate to our Company, are intended to identify these forward-looking statements.

These forward-looking statements are subject to risks, uncertainties and assumptions, some of which are beyond our control. In addition, these forward-looking statements reflect our current views with respect to future events and are not a guarantee of future performance. Actual results may differ materially from the information contained in the forward-looking statements as a result of a number of factors, including, without limitation, the risk factors set forth in “Risk Factors.” Due to these risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this prospectus might not occur in the way our Company expects, if at all. Accordingly, you should not place undue reliance on any forward-looking information when you make your investment decisions in relation to the Global Offering.

Subject to the requirements of the Listing Rules, we do not intend to update or otherwise revise the forward-looking statements in this prospectus, whether as a result of new information, future events or otherwise. All forward-looking statements contained in this prospectus are qualified by reference to this cautionary statement.
